Rescuing Olivia Jul 01 2020 Anders Erickson has fallen for Olivia, who likes to live in the moment and doesn't want to talk about her past. That's fine with Anders—who has his own memories he'd like to forget—until a car runs their motorcycle off the road and causes an accident that puts Olivia in a coma. Olivia's estranged father blames Anders and denies his pleas to see her. When she mysteriously disappears from the hospital and Anders tries to learn what happened, her father stops at nothing to prevent him from discovering the truth. But Anders refuses to accept that she's gone for good. Determined to find answers, he sets out on a dangerous path that exposes Olivia's traumatic past and places him squarely in the way of her father's plans. When he discovers her very life is threatened, his search for answers becomes a race against time, and he is forced to finally confront his own past if he is to have any chance of rescuing Olivia from hers. Pitched at the intersection of suspense and family drama, Rescuing Olivia is another gripping read from Julie Compton, a talented new author who never fails to mine the most compelling emotional terrain.
