**Popular Mechanics** Jan 06 2021 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

**The Complete Trailer Handbook** Jun 23 2022 Virtually everyone needs to move something--a car, a lawnmower, straw bales, or boxes--and a trailer is generally the preferred method. This book gives homeowners and mechanics, farmers and modern-day nomads all the information they need to get moving via trailer. From building a chassis to outfitting it to meet your specific needs, The Complete Trailer Handbook provides clearly illustrated step-by-step instructions for putting a trailer of any sort to work: constructing it, using it, finding parts and maintaining it, and, finally, hauling it. The handbook includes useful information on everything from weights to wheels to lighting, making this the ultimate resource on any kind of conveyance, from utility trailers to one-car haulers.

**Sandusky Burning** Jun 30 2020 He's desperate to come back home. But a sinister force will stop at nothing to keep him wrapped in a corrupt spider's web... Brady Sullivan isn't living at a Lake Erie campground by choice. Temporarily estranged from his family, the dedicated army vet longs to see his kids and be back in his wife's arms. But a local's invitation for a friendly drink turns ominous when he wakes from being drugged to discover he was photographed in a compromising position with a prostitute. Despite blackmail threatening his marriage, he refuses to compromise his security clearance by giving up government secrets. But when the vicious crime lord promises to harm his children if he doesn't comply, Brady faces a terrible choice between his loved ones and his honor. Will this former soldier stand up to evil, no matter the sacrifice? Sandusky Burning is a rollercoaster ride of a crime thriller novel. If you like complex characters, devious plans, and high-stakes excitement, you'll love Bryan W. Conway's gritty tale.

*Snow Country* Apr 21 2022 In the 87 issues of Snow Country published between 1988 and 1999, the reader can find the defining coverage of mountain resorts, ski technique and equipment, racing, cross-country touring, and the growing sport of snowboarding during a period of radical change. The award-winning magazine of mountain sports and living tracks the environmental impact of ski area development, and people moving to the mountains to work and live.

**How to Restore Your Chevy Truck** Oct 23 2019 When Chevy released its third-generation C/K pickup trucks, the stout and sturdy performers captured the attention of Chevy and GMC truck enthusiasts. As a result, millions were sold during their 18-year production run. The new cab design featured rounded windshield corners, rounded cab roof, and sloped and rounded doors, so they were called the "rounded-line" trucks by General Motors. Enthusiasts, however, didn't agree. Because of the overall squarer appearance of the trucks, they were soon called the "squarebody" by enthusiasts and journalists alike. Although the older Chevy/GMC pickups are more exclusive, the third-

generation pickups are plentiful, are increasing in collector value, and, fortunately, have parts that are readily available. As an on- and off-road utility vehicle, Chevy/GMC trucks have been towing, hauling, and operating in a variety of conditions. After all of these years of hard use and exposure to harsh conditions, many of these extensively used trucks are in desperate need of restoration. Whether you own a regular, super, or crew cab with a short or long box, this restoration guide provides the pertinent information and instruction to restore your truck to original condition. Seasoned truck magazine writer Kevin Whipps explains real-world techniques for restoring classic Chevy and GMC pickups at home. You are shown how to comprehensively inspect, properly assess, and accurately budget your restoration project. You are also guided through each major portion of truck restoration, including engine, suspension, chassis, bodywork, paint, brakes, steering, transmission, driveline, electrical system, interior, and more. Special coverage is dedicated to the replacement of body panels and the repair of box, cab, and other body parts. When pro-caliber bodywork has been performed, you have an excellent foundation for the paint, and in turn, you're shown to prep, shoot, and buff the paint job. The rounded-line Chevy/GMC trucks are extremely popular as stock restorations, fast street trucks, and off-road-duty trucks. But before you can build a specialty truck, you need to have a solid, reliable, restored truck. This book provides the invaluable information and step-by-step instruction to return these trucks to their original glory. An authoritative and comprehensive restoration guide for the 1973-1987 Chevy/GMC trucks has not been available until now.

**101 Performance Projects for Your Pickup and SUV** Sep 02 2020 "Pickup" and "sports utility vehicle" seem like quaint names for these workhorses. More and more, they're what people tune up, trick out, and take on the road (or off). This book aims to help drivers make the most of their machines. With 101 projects running the gamut from installing light bars and brush guards to gearing up for hard-core horsepower and high-performance feats, this book will show truck and SUV owners of all stripes how to personalize their rides. 101 Performance Projects for Your Pickup and SUV offers easy-to-follow, clearly illustrated how-to information on everything from appearance modifications to more extensive upgrades, with plenty of instructions for the many bolt-on solutions that are available in the marketplace. Planning, tools, expenses, pros, and cons: it's all here. The author walks owners through the nuts and bolts of lowering and lift kits, running boards and in-car entertainment systems, winches, wheels and tires, and the full range of installations and accessories that will take a truck or an SUV to the next level.
