[The Ultimate Guide to Chart Patterns](#) Oct 24 2021 [The Ultimate Guide to Chart Patterns](#) is your 'cheat sheet' for making technical trading decisions. Learn to spot trends and act on them intelligently. This book has everything you need: \*An introduction to chart patterns and why they can take your trading to the next level\*21 detailed chart patterns with a historical example for every chart\*Exit and entry suggestions\*Chart pattern trading tips\*An introduction to the powerful Raindrop Chart Patterns from [Trendspider.com](#)Buyers and sellers for each trade execution are always equal, it's the price that changes. Every chart tells a visual story of the battle between buyers and sellers at different price levels. Their decisions create patterns that start to show the current path of least resistance. This book is intended to be a road map for seeing the patterns that emerge on charts. Using chart patterns will give you an edge because they'll help you trade in the direction of least resistance, profit from momentum, see the potential for a reversal in price action and create good risk/reward ratios upon entry. This edge will show good levels for entries that allow a stop loss to limit a losing trade, but give enough room for a trailing stop or profit target to create a large winning trade. By finding the

best price zones on a chart, you'll be able to execute the best asymmetrical risk trades and be more profitable over time. From Steve Burns of NewTraderU.com: "Over the last several years, I've enjoyed getting to know, and working with Atanas Matov. He has remained one of my most popular guest writers on NewTraderU.com, and his insight on technical indicators, how to identify and trade a trend and his chart pattern knowledge are invaluable to traders worldwide. After the launch of the incredibly successful, Ultimate Price Action Trading Guide, we knew we wanted to team up again. This chart pattern book is our combined effort to bring a clear and concise explanation of chart patterns to help you recognize charts and build pattern recognition." About the Authors: Steve Burns started investing in 1993 and trading his own accounts in 1995. It was love at first trade. A natural teacher with a unique ability to cut through the bull and make complex ideas easy to understand, Steve wrote New Trader Rich Trader and started New TraderU.com in 2011. Japanese Whisky Jun 07 2020 Japanese whisky has been around for less than a century—but is now winning all the major international awards. How did this happen and what are the secrets of the master distillers? This whisky book divulges these secrets for the first time. Japanese Whisky features never-before-published archival images and interviews chronicling the forgotten stories of Japan's pioneering whisky makers. It reveals the unique materials and methods used by the Japanese distillers including mizunara wood, Japanese barley, and novel only-in-Japan production methods. It also

examines the close cultural connections between Japanese whisky drinkers and their favorite tipples. For the first time in English, this book presents over a hundred independently scored whisky tastings from leading Japanese whisky blogger, Yuji Kawasaki, shedding new light on Japan's most famous single malts as well as grain whiskies and blends. Japan expert Brian Ashcraft and photographer Idzuhiko Ueda crisscrossed Japan visiting all the major makers to talk about past and present whisky distillers, blenders and cooperers. This Japanese whisky bible features their exclusive interviews with the people involved in the early beginnings of the Japanese whisky industry over seventy years ago. Japanese Whisky not only explains how the country's award-winning whiskies are made but also the complete whisky history and culture, so readers can truly appreciate the subtle Japanese whiskies they're drinking and buying. Kanpai!

The Ultimate Guide to Yin Yang May 31 2022 The first book to fully explore and explain the concept of yin yang, breaking it down in easy-to-follow terms for all those interested in Daoism, alternative medicine, martial arts and other Eastern fields of study. Illustrated with striking red/black graphics that make the concepts more accessible. The concept of yin yang can be found in some of the oldest writing in the world. It is fundamental to Chinese thought and the route to understanding most Chinese practices, from Traditional Chinese Medicine to Daoism and feng shui. It also offers us ways of enhancing our own lives, establishing greater balance not only in our own environment but also in the wider world if we can work with other people to follow nature's flow. The central question of the book is "What is yin yang?" Step by step, with plenty of helpful illustrations and graphics, it explores the history and changing uses of yin yang - not forgetting the pronunciation and spelling (why yinyang is actually better than yin yang). The book also makes suggestions for working with yin yang, from observing the landscape to get a sense of the ebb and flow of energy through the world, to studying the patterns of nature in order to take what you need but not too much, to approaching sex as a cosmic ritual. After reading this book, readers will understand how to position themselves so that yin yang fills their lives with abundance - how to be in the right place at the right time.
