[Mission Nannys](#) Jan 25 2022 Discover Your Part in the Ministry of Mission Nannys! Mission Nannys was started by Betty Sullins in 1991, after she personally traveled to help international missionaries with domestic duties of the home. Her eyes were opened to just how much her "at home" help meant to the families, allowing them more time to serve Christ on the field. Mission Nannys serves individuals and families in a variety of ways. Specific assignments provide the opportunity to join active field missionaries with a particular gift and calling in order to fill a need. What this book aims to do is to show you how God used the vision of one woman, Betty Sullins, to bring about the domestic needs of missionary families with the excitement of travel and seeing the world. Hopefully, by the end of it, you will look at your future with optimism, and possibly be more prepared for what God has in store for you too!

Enjoy these uplifting contemporary romances of faith, forgiveness and hope. **HEALING THEIR AMISH HEARTS** Colorado Amish Courtships by Leigh Bale Becca Graber has made it her mission to get the silent boy in her new classroom to speak again. But she's not quite sure why he doesn't talk. Working with the child's father, widower Jesse King, can she break through to little Sam...and begin to repair all their broken hearts? **THE TEXAN'S PROMISE** Cowboys of Diamondback Ranch by Jolene Navarro To save her ranch, Belle De La Rosa must sell part of it to developers—and only conservationist Quinn Sinclair stands in her way. Belle can't help but feel drawn to the widower and his children, but will she take a chance on love even when she finds out his true reason for being in town? **HER SECRET TWINS** By Janette Foreman Kallie Shore's late father knew she couldn't raise her girls and work the family farm alone. But the plan he specified in his will isn't the one she'd have chosen: Kallie inherits half the farm, but the other half goes to Grant Young, her ex-fiancé...and the secret father of her twins.

[Better Living Through TV](#) Sep 01 2022 The essays in this collection analyze a variety of contemporary television shows to argue for the role that TV plays in moral identity formation. Audiences take from television viewing a better sense of what matters to them, ways of relating to others, and a moral sense of the world they inhabit.

**As a Tree Grows** Oct 02 2022 Research on the Cox family genealogy was begun by Rev. Simeon O. Coxe (1877-1955). Verl F. Weight (one of the many descendants of the Cox family) and Mrs. Charles W. Cox (Willie Miller) further researched, compiled and published the information into the first edition in mimeographed copies in 1962. When time took its toll on these copies and years of work began to fade away, Mary Carol Cox volunteered to retype and publish As A Tree Grows into a paperback book.

[Indigenous Intellectual Property](#) Aug 27 2019 Taking an interdisciplinary approach unmatched by any other book on this topic, this thoughtful Handbook considers the international struggle to provide for proper and just protection of Indigenous intellectual property (IP). In light of the United Nations Declaration on the Rights of Indigenous Peoples 2007, expert contributors assess the legal and policy controversies over Indigenous knowledge in the fields of international law, copyright law, trademark law, patent law, trade secrets law, and cultural heritage. The overarching discussion examines national developments in Indigenous IP in the United States, Canada, South Africa, the European Union, Australia, New Zealand, and Indonesia. The Handbook provides a comprehensive overview of the historical origins of conflict over Indigenous knowledge, and examines new challenges to Indigenous IP from emerging developments in information technology, biotechnology, and climate change. Practitioners and scholars in the field of IP will learn a great deal from this Handbook about the issues and challenges that surround just protection of a variety of forms of IP for Indigenous communities.

*Agricultural Biotechnology* Dec 12 2020 This book, through its overview chapter and 12 country studies, provides useful information on the evolving biotechnological research in Asia, Africa, and Latin America. The emphasis is on the potential biotechnologies hold for agriculture in developing countries. The reports vary in depth of coverage, but all combine to show the urgent need that exists for public- and private-sector investment to ensure that all countries share in the benefits of modern biotechnologies, while minimizing any unintended effects. The book contains a subject index.

**The Fourth Channel** Jan 01 2020 For years, Kari Hunter's fooled the world into thinking she's just an everyday girl. Sure, she's the lead singer of world-renowned band Vis Viva, but outside of that, she recycles religiously, is an avid supporter of the environment, and she's a certifiable coffee addict. But Kari has a secret she keeps from her family, friends, and fans. Kari Hunter is a necromancer. The rarest and most powerful of all magic-born, necromancers are notorious for leaving a trail of sacrifices in their wake. But Kari isn't interested in hurting anyone. She works hard at being as un-necromancer-like as possible: everyone she stabs gets a bandage and a lollipop, and whenever her sacrificial knives get too excited by the prospect of violence, she puts them in time-out... in her lingerie drawer. But when an agent of voodoo master Ruair O'Bryne catches Kari using her powers, her secret's out. And if Ruair finds out who Kari is, he'll stop at nothing to make her his next sacrifice.

*The Nordic Economic, Social and Political Model* Feb 11 2021 The Nordic Model is the 20th-century Scandinavian recipe for combining stable democracies, individual freedom, economic growth and comprehensive systems for social security. But what happens when Sweden and Finland - two countries topping global indexes for competitiveness, productivity, growth, quality of life, prosperity, and equality - start doubting themselves and their future? Is the Nordic Model at a crossroads? Historically, consensus, continuity, social cohesion, and broad social trust have been hailed as key components for the success and for the self-images of Sweden and Finland. In the contemporary, however, political debates in both countries are increasingly focused on risks, threats, and worry. Social disintegration, political polarization, geopolitical anxieties, and threat of terrorism are often dominant themes. This book focuses on what appears to be a paradox: countries with low income differences, high faith in social institutions, and relatively high cultural homogeneity becoming fixated on the fear of polarization, disintegration, and diminished social trust. Unpacking the presentist discourse of "worry" and a sense of interregnum at the face of geopolitical tensions, digitalization, and globalization, as well as challenges to democracy, the chapters take steps back in time and explore the current conjecture through the eyes of historians and social scientists, addressing key aspects of and challenges to both the contemporary and future Nordic Model. In addition, the functioning and efficacy of the participatory democracy and current protocols of decision-making are debated. This work is essential reading for students and scholars of the welfare state, social reforms, and populism, as well as Nordic and Scandinavian studies. The Open Access version of this book, available at [www.taylorfrancis.com](http://www.taylorfrancis.com), has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.

*Slavery's Capitalism* Nov 22 2021 During the nineteenth century, the United States entered the ranks of the world's most advanced and dynamic economies. At the same time, the nation sustained an expansive and brutal system of human bondage. This was no mere coincidence. Slavery's Capitalism argues for slavery's centrality to the emergence of American capitalism in the decades between the Revolution and the Civil War. According to editors Sven Beckert and Seth Rockman, the issue is not whether slavery itself was or was not capitalist but, rather, the impossibility of understanding the nation's spectacular pattern of economic development without situating slavery front and center. American capitalism—renowned for its celebration of market competition, private property, and the self-made man—has its origins in an American slavery predicated on the abhorrent notion that human beings could be legally owned and compelled to work under force of violence. Drawing on the expertise of sixteen scholars who are at the forefront of rewriting the history of American economic development, Slavery's Capitalism identifies slavery as the primary force driving key innovations in entrepreneurship, finance, accounting, management, and political economy that are too often attributed to the so-called free market. Approaching the study of slavery as the originating catalyst for the Industrial Revolution and modern capitalism casts new light on American credit markets, practices of offshore investment, and understandings of human capital. Rather than seeing slavery as outside the institutional structures of capitalism, the essayists recover slavery's importance to the American economic past and prompt enduring questions about the relationship of market freedom to human freedom. Contributors: Edward E. Baptist, Sven Beckert, Daina Ramey Berry, Kathryn Boodry, Alfred L. Brophy, Stephen Chambers, Eric Kimball, John Majewski, Bonnie Martin, Seth Rockman, Daniel B. Rood, Caitlin Rosenthal, Joshua D. Rothman, Calvin Schermerhorn, Andrew Shankman, Craig Steven Wilder.

**As a Tree Grows** Mar 03 2020

*Karl Polanyi* May 29 2022 Karl Polanyi (1886-1964) was one of the twentieth century's most original interpreters of the market economy. His

penetrating analysis of globalization's disruptions and the Great Depression's underlying causes still serves as an effective counterargument to free market fundamentalism. This biography shows how the major personal and historical events of his life transformed him from a bourgeois radical into a Christian socialist but also informed his ambivalent stance on social democracy, communism, the New Deal, and the shifting intellectual scene of postwar America. The book begins with Polanyi's childhood in the Habsburg Empire and his involvement with the Great War and Hungary's postwar revolution. It connects Polanyi's idealistic radicalism to the political promise and intellectual ferment of Red Vienna and the horror of fascism. The narrative revisits Polanyi's oeuvre in English, German, and Hungarian, includes exhaustive research in five archives, and features interviews with Polanyi's daughter, students, and colleagues, clarifying the contradictory aspects of the thinker's work. These personal accounts also shed light on Polanyi's connections to scholars, Christians, atheists, journalists, hot and cold warriors, and socialists of all stripes. *Karl Polanyi: A Life on the Left* engages with Polanyi's biography as a reflection and condensation of extraordinary times. It highlights the historical ruptures, tensions, and upheavals that the thinker sought to capture and comprehend and, in telling his story, engages with the intellectual and political history of a turbulent epoch.

*Hilgen Heirs* Jun 25 2019 Christian Carl Ludwig Hilling/Hilgen (1768-1821) was born at Kirchhatten, Oldenburg, Germany, the son of Gerhard Hilling (d. 1800). He married Anna Sophia Schroeder (1765-1842) in 1795. They had seven children, 1795-1807. Christian and Anna are buried at Kirchhatten, Oldenburg. Two of their sons, Johann Gerhard Hilgen (1795-1859) and Johann Friedrich Hilgen (1805-1878); and a granddaughter, Catherine Margarete Hilgen Schuette (1823-1906), only child of Christian Hilgen (1798-1825) and wife of Johann Schuette (1819-1903), immigrated to the United States and settled at Cedarburg, Wisconsin. Their descendants live in Wisconsin and elsewhere.

Journal of the Asiatic Society of Bengal Oct 22 2021

*Captain Samuel Johnson of Wilkes County, North Carolina* Nov 30 2019 Samuel Johnson (1757-1834) was a son of Jeffrey Johnson and Rachel Walker. He moved from Prince William (later Fauquier) County, Virginia to Wilkes County, North Carolina and married Mary Hamon. Descendants and relatives lived in North Carolina, Virginia, West Virginia, Tennessee and elsewhere. Some descendants became Mormons and moved to Utah, Idaho, Arizona, California and elsewhere. Some descendants immigrated to Ontario and Alberta, and their progeny and relatives lived in Ontario, Alberta, British Columbia and elsewhere. Includes ancestry of Samuel in North Carolina and Virginia to 1650.
