By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. If you wish to download and install the Civil War The Road To J Michael Straczynski, it is certainly simple then, past currently we extend the partner to purchase and create bargains to download and install Civil War The Road To J Michael Straczynski as a result simple!

The Road to Home Jun 14 2021 Vartan Gregorian's tale starts with a childhood of poverty, deprivation, and enchantment in the Armenian quarter of Tabriz, Iran. As the world reeled from depression into six years of warfare, his mother died, leaving his grandmother Voski as the loving staff of his life. Through unlettered example and instruction, he learned about the first of his many worlds: the strenuousness required for survival, the fairy tale that explained existence, the place and name of his own star in the night sky, how to maneuver as a member of a Christian minority in a benevolent Muslim kingdom, the beauty and inspiration of Armenian Church liturgy, the exciting foreign world of ten-year-old American westerns, the richness of life on the streets. He learned the magic of the innumerable worlds he could find in books -- and he wanted to visit them all. As the spell books cast on him grew more powerful, so did the constraints imposed by his father's indifference to his dreams of redirecting his life through learning. So, one day when he was fifteen years old, he presented himself at an Armenian-French lycee in Beirut, Lebanon, to start the arduous task of becoming a person of learning and consequence. This book tells not only how he reached that school but also about the many people who guided, supported, taught, and helped him on an extravagantly absorbing and varied journey from Tabriz to Beirut to Palo Alto to Tenafly to London, from Stanford University to San Francisco State University to the University of Texas at Austin to the University of Pennsylvania to the New York Public Library to Brown University and, currently, to the presidency of Carnegie Corporation of New York. With witty stories and memorable encounters, Dr. Gregorian describes his public and private lives as one education after another. He has written a love story about life.

The Road to Purpose May 02 2020 Is Your Life Over as You Know It...Or Simply Just Beginning? The Road to Purpose provides a road map to help guide you through the fear and uncertainty that often comes with life transition. Whether you are a young adult moving from school to your first career, a business owner getting ready to exit the business you have put your heart and soul into, or a seasoned executive recently downsized and figuring out what to do next, you will see yourself in the stories of one man's journey and the lessons learned that resulted in living a life of meaning and purpose. In The Road to Purpose: The Roadmap for Overcoming Life's Major Transitions Greg Pestinger charts the five major growth areas that are often the result of major life-changing events and eloquently delivers signposts along the way to get you past the disappointment, fear, and sometimes, hopelessness. He uses his own stories as a metaphor to help you through your struggles for meaning and purpose, specifically: How to grieve and accept the transition How to get to know yourself all over again, the real you who has often been buried by a busy life How to find the courage to be your authentic self How to resolve to love yourself for who you are How to make the commitment to living a life of awe and wonder The Road to Purpose

acknowledges the pain and disappointment of transition and uses that pain to help you live the life you were meant to lead, a life of meaning and purpose. A life full of wealth, happiness, and intention in service to others. Join me on the journey of a lifetime. Your future will be more amazing than you could ever imagine.

*The Road Sep 29 2022 The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador's 50th Anniversary year.*

*The Road to Co-operation Jan 28 2020 This critical and informed protest against the absurdity and dishonesty of neoclassical economic theory as it has progressed through the 20th century down to the present, sheds new light on the predicament faced in 2012. In *The Road to Co-operation*, Pearson highlights the dangers of using unrealistic mathematical models of human, organisational and market behaviour to guide policy prescriptions. He shows the damage done to real economies, markets, firms and people, by the unwarranted trust in unregulated markets, proclaimed by Friedman and colleagues, promulgated by academia and adopted by the financial-political-corporate nexus, now dominant in Anglo-American jurisdictions. Though real markets work better than known alternatives, Pearson makes the crucial distinction between the real and the speculative-financial, where totally different realities apply. Failure to make that distinction has transformed financial sectors from supportive of the real economy, to exploitative and sometimes fraudulent. Pearson provides a comparative analysis of corporate governance theory, law, and practice in different jurisdictions, including the self-destruction of post-mature Anglo-American governance with the more robust custom and practice in the industrial economies of Germany and Japan and emerging economies of China and India, which all exercise care for their real economic strengths and provide object lessons for governance in UK and US. *The Road to Co-operation* proposes realistic changes in policy and practice, in the context of sustainability, which would be prerequisite to recapturing real long term economic success on a co-operative and non-exploitative foundation. It will be invaluable for today's business faculty, students and practitioners as well as the 'madmen in authority'.*

*The Road to Bittersweet Dec 09 2020 "Southern fiction at its finest . . . a mix of heart and adventure" from the author of *The Education of Dixie Dupree* (Historical Novel Society). Set in the Carolinas in the 1940s, *The Road to Bittersweet* is a beautifully written, evocative account of a young woman reckoning not just with the unforgiving landscape, but with the rocky emotional terrain that leads from innocence to wisdom. For fourteen-year-old Wallis Ann Stamper and her family, life in the Appalachian Mountains is simple and satisfying, though not for the tenderhearted. While her older sister, Laci—a mute, musically gifted savant—is constantly watched over and protected, Wallis Ann is as practical and sturdy as her name. When the Tuckasegee River bursts its banks, forcing them to flee in the middle of the night, those qualities save her life. But though her family is eventually reunited, the tragedy opens Wallis Ann's eyes to a world beyond the creek that's borne their name for generations. Carrying what's left of their possessions, the Stampers begin another perilous journey from their ruined home to the hill country of South Carolina. Wallis Ann's blossoming friendship with Clayton, a high diving performer for a traveling show, sparks a new opportunity, and the family joins as a singing group. But Clayton's attention to Laci drives a wedge between the two sisters. As jealousy and betrayal threaten to accomplish what hardship never could—divide the family for good—Wallis Ann makes a decision that will transform them all in unforeseeable ways . . . "You will fall in love with Wallis Ann Stamper." —Sandra Dallas, *New York Times* bestselling author*

On the Road to Tuapeka Feb 20 2022 Heka the weka meets Reka the weka on the road to Tuapeka. As they don't know the way, they jump on Possum Pete's double-decker bus along with Hedgey Hog and Dodgey Dog and Whistling Frog. Will the friends make it all the way to Tuapeka? Suggested level: junior.

*The Road Movie Book Oct 31 2022 *The Road Movie Book* is the first comprehensive study of an enduring but ever-changing Hollywood genre, its place in American culture, and its legacy to world cinema. The road and the cinema both flourished in the twentieth century, as technological advances brought motion pictures to a mass audience and the mass produced automobile opened up the road to the ordinary American. When Jean Baudrillard equated modern American culture with 'space, speed, cinema, technology' he could just as easily have added that the road movie is its supreme emblem. The contributors explore how the road movie has confronted and*

represented issues of nationhood, sexuality, gender, class and race. They map the generic terrain of the road movie, trace its evolution on American television as well as on the big screen from the 1930s through the 1980s, and, finally, consider road movies that go off the road, departing from the US landscape or travelling on the margins of contemporary American culture. Movies discussed include: * Road classics such as *It Happened One Night*, *The Grapes of Wrath*, *The Wizard of Oz* and the Bob Hope-Bing Crosby *Road to films* * 1960's reworkings of the road movie in *Easy Rider* and *Bonnie and Clyde* * Russ Meyer's road movies: from *Motorpsycho!* to *Faster Pussycat! Kill! Kill!* * Contemporary hits such as *Paris Texas*, *Rain Man*, *Natural Born Killers* and *Thelma and Louise* * The road movie, Australian style, from *Mad Max* to the *Adventures of Priscilla, Queen of the Desert*.

The Road to Growth Sep 05 2020 This is a book for the dreamer, the thinker, and the brooder. It showcases the journey through growth. These words hold a different truth upon each reader; take each word as your own.

The Road to Global Prosperity Aug 24 2019 The co-author of the best-selling *That Used to Be Us* describes the forces driving the next stage of globalization, which he predicts will be a period of expanding wealth, opportunity and international cooperation.

The Road to Serfdom Aug 29 2022 Hayek argues convincingly that, while socialist ideals may be tempting, they cannot be accomplished except by means that few would approve of.

The Road to Death Jul 28 2022 The epic Eberron trilogy *The Lost Mark* continues! The dark and mysterious world of Eberron continues to expand through RPG products and novels. This is the sixth novel set in the Eberron world. Matt Forbeck has written and designed games for more than 14 years, for which he has garnered several awards. His most recent title for *Wizards of the Coast, Inc.* was *Marked for Death*, the kickoff novel for *The Lost Mark* trilogy.

Pub2Pub Mar 31 2020 There's popping out for a quick pint, and then there's this – a gloriously preposterous 27,000 mile journey across 25 countries to grab a beer in pubs (bars) at opposite ends of the world. We're talking an epic adventure, from an abandoned Soviet mine 700 miles from the North Pole, to a remote pub at South America's southernmost tip. A journey undertaken in a TVR sports car, a car that many might consider untrustworthy just to drive to the shops. The journey packed a lot into its eight months. From braving the sheer drops of Bolivia's Death Road, to drag racing the locals in Texas. From roaring across flooded salt flats, to sailing the straits of Magellan. From the highs of the planet's best driving roads, to the lows of life in No-Man's-Land, trapped between borders by red tape and bureaucracy. And from looking out for Polar Bears in the High Arctic, to dodging penguins in Tierra del Fuego. The story of the Pub2Pub Expedition is an inspirational account of where your dreams can take you if only you believe in them. Chronicling the epic journey made by Ben Coombs in his TVR Chimaera, this book is both an exciting adventure and a fascinating snapshot of the life and culture of the countries that he drove through.

The Road to Disunion Jun 02 2020 Far from a monolithic block of diehard slave states, the antebellum South was, in William Freehling's words, "a world so lushly various as to be a storyteller's dream." It was a world where Deep South cotton planters clashed with South Carolina rice growers, as Northern egalitarianism infiltrated border states already bitterly divided on key issues. It was the world of Jefferson Davis, John C. Calhoun, Andrew Jackson, and Thomas Jefferson, and also of Gullah Jack, Nat Turner, and Frederick Douglass. Now, in the first volume of his long awaited, monumental study of the South's road to disunion, historian William Freehling offers a sweeping political and social history of the antebellum South from 1776 to 1854. All the dramatic events leading to secession are here: the Missouri Compromise, the Nullification Controversy, the Gag Rule, the Annexation of Texas, the Compromise of 1850, and the Kansas-Nebraska Act. Vivid accounts of each crisis reveal the surprising extent to which slavery influenced national politics before 1850 and provide important reinterpretations of American republicanism, Jeffersonian states' rights, Jacksonian democracy, and the causes of the American Civil War. Freehling's brilliant historical insights illustrate a work of rich social observation. In the cities of the Antebellum South, in the big house of a typical plantation, we feel anew the tensions between the slaveowner and his family, poor whites and planters, the Old and New Souths, and most powerfully between slave and master. Freehling has evoked the Old South in all its color, cruelty, and diversity. It is a memorable portrait, certain to be a key analysis of this crucial era in American history.

The Road to Dalhousie Dec 29 2019 "You cannot change the wind, but you can adjust your sails." A fictional biography showing the difficulties surrounding family and social relationships in small-town Eastern Canada when one's in-built direction is homosexual. "Although I felt relieved that things were now in the open, it took both my mother and I a bit of time before we were comfortable being around each other ... she may not have understood that it wasn't a choice I was making but rather an acceptance of what I couldn't change." Uneasy that something could happen to his parents on their trip to Europe, Richard decides to return home to northern New Brunswick with his friend Norman. During the twelve-hour odyssey, they reminisce about growing up in small-town, catholic

Dalhousie, and share thoughts on their respective coming-out stories and their relationships with their mothers. Richard's easy life in Ottawa changes when Norman's premonition comes true. Charles Seems was born in Dalhousie, New Brunswick, Canada and has travelled the world. Charles is a teacher, writer, human resources manager and interior designer. He lives in Ottawa with his spouse Robert.

*What the Road Said Jul 04 2020 A comforting and uplifting picture book from bestselling poet and activist Cleo Wade. Which way do I go? That is your choice to make, said the Road. But what if I go the wrong way? The Road curved a little, almost as if it was giving me a hug, and said, Do not worry. Sometimes we go the wrong way on our way to the right way. It's okay to be afraid or to sometimes wander down the wrong path. Beloved poet Cleo Wade's *What the Road Said* features illustrations by Lucie de Moyencourt and encourages us to lead with kindness and curiosity, remembering that the most important thing we can do in life is to keep going.*

*The Road Into the Open Nov 19 2021 "One of the most important, representative, revelatory works of Austria at the turn of the century. . . . The best English version of the novel."—Marc A. Weiner, Indiana University "In Arthur Schnitzler the two strands of Austrian fin-de-siècle culture, the moralistic and the aesthetic, were present in almost equal proportions. Small wonder that Freud hailed Schnitzler as a 'colleague' in the investigation of the 'underestimated and much-maligned erotic.'"—Carl Schorske, author of *Fin-de-Siècle Vienna**

The Road to U.S.A. Citizenship Jul 24 2019

*The Road to Canada Dec 21 2021 Since the last Ice Age, the only safe route into Canada's interior during the winter started at the Bay of Fundy and followed the main rivers north to the St. Lawrence River through what is now New Brunswick. Aboriginal people used this route as a major highway in all seasons and the great imperial powers followed their lead. The Grand Communications Route, as it was then called, was the only conduit for people, information and goods passing back and forth between the interior settlements and the wider world and became the backbone of empire for both England and France in their centuries of warfare over this territory. It was Joseph Robineau de Villebon, a commandant in Acadie, who first made strategic use of the route in time of war because he understood its importance in the struggle for North America. A strategic link between the Atlantic colonies and Quebec, the French made extensive use of the route to communicate and move troops between the northern settlements and Fort Beauséjour, Louisbourg, and Port-Royal. The British put great effort into maintaining and fortifying the route, building major coastal forts at Saint John to guard its entrance and erecting garrisons and blockhouses all along the way to the St Lawrence, first as a defence against the French and then to ward off the Americans. The route also played a key role in the American Revolution as well as the Aroostook War of 1839 that saw bodies of troops lining each side of the border extending from St. Andrews (NB) and Calais (ME) to Madawaska. In 1842, the Grand Communications Route and the Webster-Ashburton Treaty determined the location of the Canada—US border. It is still in use today: the Trans-Canada Highway and Route 7 follow its path. As well as telling the story of the Grand Communications Route from the earliest human habitation of the area, *The Road to Canada* describes the historic sites, forts, blockhouses and other historic remains that can still be visited today, including Martello Tower (Saint John), the Fort Hughes blockhouse (Orმოctο), the Fort Fairfield blockhouse (Fort Fairfield, ME), Le Fortin du Petit-Sault (Edmundston), the Fort Kent blockhouse (Fort Kent, ME) and Fort Ingall (Cabano, QC). *The Road to Canada* is the fifth volume in the *New Brunswick Military Heritage Series*.*

*The Road to Shenzhen Feb 29 2020 It is the early 1990s and Zhou Haonan, an innocent young man from a rural family in China's West Canton Province, travels to the 'golden city' of Shenzhen to seek his fortune. Kind and caring but highly ambitious, he works as an international businessman, becomes a Sanda boxing champion and even sells his blood as he spends the next 20 years striving desperately to achieve his dream of a Shenzhen permanent residence permit and a home of his own. Despite a string of humiliating failures and disasters and cruel treatment by the women who enter his life, he somehow manages to get back on his feet and carry on through all the setbacks which life throws at him. *The Road to Shenzhen* is one of very few novels ever to be written in English by a Chinese author who has lived all his life in China. ʘ*

The Road to Yesterday Jun 26 2022 For Anne and Gilbert Blythe, life in a small village is never dull because of all the entertaining gossip, and what strange and funny tales they hear: about the mischievous twins whose dearest wish comes true when they meet up with a bored and haunted millionaire; or clever Penelope Craig, who considers herself an expert on children -- until she adopts a boy of her own; or Timothy Randebush, a man so eager to keep his brother out of the clutches of a dangerous woman that he spirits her away -- only to fall prey to her charms himself. Filled with unexpected surprises, laughter, and tears, here are fourteen of the Blythes' favorite tales.

The Road to Improvement Oct 07 2020 This is a collection of 19 articles charting developments in school effectiveness research, both on the evaluative and reflective side, and the emergence from it of pro-active school improvement ideas and initiatives.

The Road to Wherever Apr 24 2022 A middle grade road novel about a boy stuck on a summer trip with his offbeat auto-mechanic cousins—a humor- and heart-filled journey that leads the boy to an unexpected confrontation with some broken-down parts of himself. After eleven-year-old June Ball's dad disappears without so much as a goodbye note, June's mother sends him on the road with his adult cousins, mechanics Thomas and Cornell Ball. The Balls are "Ford Men"; their calling in life is to restore old Ford cars—and only Ford cars—that no longer run. And so begins a summer traveling the highways and byways of America, encountering busted-up Fairlanes, Thunderbirds, and Rancheros. They also encounter the cars' owners, who sometimes need fixing up, too. June doesn't understand his cousins' passion for all things Ford. But at every turn, June realizes that this journey is about more than giving neglected classic cars some much-needed TLC—there's room to care for the broken parts of humans, too. A story of adventure, longing, and growing up from adult novelist, journalist, and All-SEC center for the LSU Tigers, John Ed Bradley.

Running the Road to ABC Aug 17 2021 Long before the sun even thinks of rising the Haitian children run to school where they learn the letters, sounds, and words of their beautiful books.

On The Road To Mr Right Nov 27 2019 'If adventures do not befall a young lady in her own village, she must seek them abroad' Jane Austen Belinda loves America. Her best friend Emily loves men. So when they decide it's time to shake up their lives, they combine their two greatest passions in a fantastic road trip taking them from Eden to Valentine - via Climax - in pursuit of the American Dream Guy. There's no shortage of men - a Casanova from Cazenovia, a male cheerleader from Darling and a tattooed trucker from Kissimmee. But is romance really the answer to their problems? And is two women in search of the perfect man such a great idea anyway? Theirs is a journey of revelations and surprises, of cactus kisses and errant snowploughs, but above all it's a journey in search of love. And you think Thelma and Louise had an eventful trip...

The Road to Inequality May 14 2021 Shows how highways facilitated the sorting of Democrats and Republicans along urban-suburban lines, polarizing the politics of metropolitan development.

The Road to Prosperity Oct 26 2019 The Road to Prosperity book was birthed out of discovering and exploring the Palmetto Trail, which is right off his property between Pomaria, South Carolina, and Prosperity, South Carolina. It has nothing to do with the pursuit of wealth, power, nor prestige, but it has everything to do with allowing oneself to connect with God's creative beauty along the road to Prosperity. It's on the road or near the road to Prosperity where friends and family shared unique moments and ideas—many of which are written in this book. He lives alone but shares the beauty and uniqueness of his property with schools, civil organizations, and at-risk youths and children. The boot camp, man-made beach, extensive fruit trees, and composting garden are just few of his creative ideas through his unique small-farm upbringing, military experience, and schooling, all of which helped equip him with a desire to function in a diverse and change climates. Many adventures, heart-touching and romantic experiences, creative imagery highlights *The Road to Prosperity*.

The Road to Sustained Growth in Jamaica Jun 22 2019 Despite having a number of potential attributes (such as being English-speaking, having poverty levels below that of comparable countries and a reasonably well-educated labour force), Jamaica's economic history is marked by the paradoxes of low growth in GDP and high employment despite high investment and important achievements in poverty reduction. This publication seeks to examine these issues, and topics discussed include: poverty reduction and income inequality; whether Jamaica's GDP growth has been underestimated; policy options for reducing the fiscal and debt burden, revitalising the financial system; improving education outcomes, tackling the economic costs of crime, and improving international competitiveness.

Hong Kong: The Road to 1997 Mar 12 2021 Essential reading for all those interested in the remarkable history of Hong Kong since 1945 and in its unpredictable future after 1997.

Agriculture on the Road to Industrialization Jul 16 2021 The framework for discussion includes three components: increased incomes resulting from growth in the agricultural sector; the expenditure of that increased income; and the consequent expansion of other sectors of the economy.

The Road to Kashmir Sep 25 2019

The Road to Winter Aug 05 2020 Since a deadly virus and the violence that followed wiped out his parents and most of his community, Finn has lived alone on the rugged coast with only his loyal dog Rowdy for company. He has stayed alive for two winters—hunting and fishing and trading food, and keeping out of sight of the Wilders, an armed and dangerous gang that controls the north, led by a ruthless man named Ramage. But Finn's isolation is shattered when a girl runs onto the beach. Rose is a Siley—an asylum seeker—and she has escaped from Ramage, who had enslaved her and her younger sister, Kas. Rose is desperate, sick, and needs Finn's help. Kas is still missing somewhere out in the bush. And Ramage wants the girls back—at any cost.

The Road to Grace Apr 12 2021 Shattered by the sudden loss of his wife, home and business, once-successful advertising executive Alan Christoffersen embarks on a cross-country backpacking journey during which he meets people who help him to gain profound spiritual understandings. Reprint.

On the Road to Find Out Mar 24 2022 On New Year's Day, Alice Davis goes for a run. Her first ever. It's painful and embarrassing, but so was getting denied by the only college she cares about. Alice knows she has to stop sitting around and complaining to her best friend, Jenni, and her pet rat, Walter, about what a loser she is. But what she doesn't know is that by taking those first steps out the door, she is setting off down a road filled with new challenges—including vicious side stitches, chafing in unmentionable places, and race-paced first love—and strengthening herself to endure when the going suddenly gets tougher than she ever imagined, in *On the Road to Find Out* by Rachel Toor.

The Global Road Movie Feb 08 2021 The road movie is one of the most tried and true genres, a staple since the earliest days of cinema. This book looks at the road movie from a wider perspective than ever before, exploring the motif of travel not just in American films—where it has been most prominent—but via movies from other nations as well. Gathering contributions from around the world, the book shows how the road movie, altered and refracted in every new international iteration, offers a new way of thinking about the ever-shifting sense of place and space in the globalized world. Through analyses of such films as *Guantanamo* (Cuba), *Wrong Side of the Road* (Australia), *Five Golden Flowers* (China), *Africa United* (South Africa), and *Sightseers* (England), *The Global Road Movie* enables us to think afresh about how today's road movies fit into the history of the genre and what they can tell us about how people move about in the world today.

The Road to Underfall Jan 22 2022 Volume 1.

The Road to Home Sep 17 2021 In her final book of her trilogy series, Ellen Gibson-Adler gives us a moving and unforgettable story that portrays the transformative journey of a military family ultimately forced to put down roots. The reconciliation and reckoning of the characters we have grown to love in the saga adventures of the Lyons family is buoyed by their humor, wit, and a determination to rise above the odds that stand in the way of these eccentric, talented, damaged, and lovable people. Nelle swallows rejection and blooms in love, while her parents struggle to remake themselves after the realities of war and isolation shred their former selves. Cast as perpetual outsiders on an anchorless vessel, they fight to find footing on unfamiliar ground amid strangers. The love of a grandfather and the friendships that slowly evolve, deliver safety and salvation from a tumultuous past with abiding hope for promising expectations. As Nelle and her family grapple with charting a future steeped in the turbulence of growing up and growing old, we embrace the successes and failures of these all too human characters. Through the lens of loss, the light of laughter, and the revelation of wisdom, and the peace of acceptance, comes a beautiful story of how forgiveness leads to the road to redemption and the power of love, no matter the age or station in life. Above all trials and beyond all obstacles, follow the Lyons to the pride of home in the final book of the family saga trilogy. If you are a fan of *Jeannette Walls*, *Anne Tyler*, or *Tara Westover*, this is your next great read.

The Road to Missional May 26 2022 A leading voice in the missional church recasts the missional movement from a church add-on to a whole new way of following Jesus.

THE ROAD OF TIME Nov 07 2020 This book completely changes our understanding of time, by showing how the future influences our present. It demonstrates that our thoughts, especially our intentions, necessarily influence the creation of our reality long before our actions. This concerns our future and not our present, contrary to the naïve idea that the observer could create their own reality, derived from quantum physics. The result is a true revelation of our creative role in the universe, which implies that our primary nature is spiritual in essence, meaning that pure love exists, not as a product of brain chemistry but as an energy more fundamental than gravitation or light, related to our free will through extra dimensions of space-time. Dr Philippe Guillemant also conducted a real experiment regarding strange coincidences and particularly synchronicities, after having discovered why and how it is possible to provoke them. Equipped with this "practical manual," the reader can also try it out. Written by a physicist, *The Road of Time* nevertheless reads like a novel. "This is now starting to be mainstream physics." Jacques Vallée

The Road to You Jan 10 2021 Life is full of choices- of chances- of moments. Chances we regret not taking. Choices we wish we could change. And then there are the moments that define us. Kam was my choice... The one who stole my heart instantly. Kane was my chance... The one who set me ablaze with just one look. They were my moment... Two brothers that both owned a part of me. Two brothers that I loved in different ways for different reasons. One brother shattered my heart. The other put it back together. Both changed me forever. *The Road to You* is a standalone contemporary romance.
