So when a magic book appears on her doorstep that can make everything she writes happen in real life, Polly is certain all of her dreams are about to come true. But she soon learns that what you write and what you mean are not always the same thing! Funny and touching, this new chapter book series will entertain readers and inspire budding writers.

Hidden Diamond Oct 04 2022 This book is about a man lost in God's love, and the result of it how that love sculpted a rough and tough rock into a beautiful diamond. From the "author's statement" to the last page of this book reveals a vividly a deep relationship between God and this man. It is a testimony of a man who has been in prison for the last twenty-four years, who received a very harsh sentence, who has been separated from his three children, his wife who passed away, and his country. Yet these tragedies seem not to affect him, as they would others facing similar situations. Since that fateful day in the county jail when he heard that tiny little voice whispering in head, "Son you haven't asked me anything yet." This book is living proof of God's redeeming love through a man who surrendered all to His Will. Each page, paragraph and line are full of undeniable truths, evidences of a fulfilled life, a life filled with love, hope, peace and joy God promises. This book is a display of treasures in poetic form that shows what's "to be and not to be" in God. Finally, this book will give you the answer to the most intriguing, puzzling question that has captured the world for over four centuries. In very simplistic language, this reveals the motives of God and finally answers Shakespeare's famous question, "to be or not to be".

Diamond Willow Feb 13 2021 There's more to me than most people see. Twelve-year-old Willow would rather blend in than stick out. But she still wants to be seen for who she is. She wants her parents to notice that she is growing up. She wants her best friend to like her better than she likes a certain boy. She wants, more than anything, to mush the dogs out to her grandparents' house, by herself, with Roxy in the lead. But sometimes when it's just you, one mistake can have frightening consequences . . . And when Willow stumbles, it takes a surprising group of friends to help her make things right again. Using diamond-shaped poems inspired by forms found in polished diamond willow sticks, Helen Frost tells the moving story of

Willow and her family. Hidden messages within each diamond carry the reader further, into feelings Willow doesn't reveal even to herself. Diamond Willow is a 2009 Bank Street - Best Children's Book of the Year.

The Vajra Prajna Paramita Sutra Sep 30 2019 (also known as the Vajracchedikā or Diamond Sutra) A highly readable translation of the Vajra Prajna Paramita Sutra as transmitted in the Chinese tradition, this brief text summarizes the teachings on emptiness of the Prajñāpāramitā, the perfection of wisdom. In this Sutra, the Buddha teaches his disciple Subhuti the subtle points of Buddhist philosophy on emptiness, the lack of true existence of anything—thoughts are illusions; life is a dream. Master Hua enriches the text by providing details and narratives, and he explains how to incorporate the concept of emptiness into our lives.

The Diamond Cutter Sep 22 2021 With a unique combination of ancient and contemporary wisdom from the Tibetan Buddhist tradition, *The Diamond Cutter* presents readers with empowering strategies for success in their work and personal lives. Geshe Michael Roach, one of the great teachers today of Tibetan Buddhism, has richly woven *The Diamond Cutter* in three layers. The first is a translation of selections from the Diamond Sutra itself, an ancient text comprised of conversations between the Buddha and his close disciple Subhuti. Considered a central work by Buddhists throughout the world, the Diamond Sutra has been the focus of much interpretation over the centuries. In the second layer, Geshe Michael quotes from some of the best commentaries of the Tibetan tradition. In the main text, the third layer, he uses both sutra and commentary as a jumping-off point for presenting his own teaching. Geshe Michael gives fresh insight into ancient wisdom by using examples from his own experience as one of the founders of the Andin International Diamond Corporation, which was started with capital of fifty thousand dollars and which today has annual sales in excess of one hundred million dollars. Much of the success of Andin has come from applying the business strategies presented in *The Diamond Cutter*. Geshe Michael's easy style and spiritual understanding make this work of timeless wisdom an invaluable source for those already familiar with, and those unfamiliar with, Tibetan Buddhism.

The Twelve Horizons of Charlie - Diamond May 31 2022 Charlie Diamond was raised by incredible parents in Prairie Town, Oregon where everyone knows their neighbors and a kid can't get away with anything. To top that off, her father is the small town's preacher, making her nearly untouchable. But that doesn't stop one boy from crossing the line in the sand her father has drawn. Bentley Lawrence III has also been born and raised in Prairie Town as well. As a matter of fact, he's from four generations back, and his family owns a huge ranch, and logging land that employees most of the town. Bentley's twin sister, Stephanie Lawrence is best friends with Charlie, and somewhere between kindergarten and high school Bentley has fallen madly in love with Charlie. Sometimes, though, love just isn't enough, not when unbearable tragedy hits when that seems an insufferable possibility. When Charlie's world falls out from beneath her, a deathbed promise, and a loving best friend, sends Charlie on a whirlwind to find herself and live the dreams she promised Bentley she'd live.
