The Nurse's Not-so-secret Scandal Sep 10 2020 Between family nightmares and a series of lousy men, nurse Roxie Morano's life is a disaster zone. But enigmatic (and gorgeous!) new colleague Ryan "Fig" Figelstein is ignoring her hazard warnings--instead, he's signaling his attraction! Now Roxie's bulletproof heart is at risk ... but dare she dream Fig will stick around when he discovers all her secrets?

Nurse Papa May 31 2022 In 16 thoughtful meditations, David Metzger, a father and a pediatric oncology nurse, describes the difficult, beautiful, and profound experience of caring for both his patients and his own young children. Metzger brings in the voices of seasoned nurses, young patients, and his patients' parents, each adding a perspective that helps guide him throughout his career. Equally powerful, he invites readers deep into his days, both the joyful and the painful. These experiences plus the familiar struggles and comic blunders of early parenthood result in a moving, sometimes hysterical, often sad, but always honest look at what it truly means to be a caregiver. A unique perspective on the ins-and-outs of working in the medical field, Nurse Papa is not just a book for parents but for anyone who ponders life's big questions.

A Nurse's Courage Feb 13 2021 If you love watching Call the Midwife or reading Dilly Court and Donna Douglas, you will love much-loved author Maggie Holt's warm-hearted, captivating and intensely moving wartime saga in which a young nurse's life is forever changed by war. Perfect to settle down with! WHAT READERS ARE SAYING ABOUT A NURSE'S COURAGE! 'I found this book extremely difficult to put down' - 5 STARS 'Truly breathtaking' - 5 STARS 'Fantastic book, from start to finish...recommend' - 5 STARS 'Worth every penny' - 5 STARS 'Great story- I couldn't put the book down, totally addicted to it' - 5 STARS ***** HER COUNTRY NEEDED HER, BUT SO DID HE... Orphan Mabel Court's dreams come true when she enters the Booth Street Poor Law Infirmary as a probationer nurse. But it is August 1914, and her world is about to be turned upside down. She soon meets Norah McLoughlin, another probationer, and the two girls - together with Mabel's childhood friend Maudie, now a music-hall dancer - become firm friends. As war rages across Europe, they try to keep their spirits up but when Mabel's fiancé Harry Drover is wounded at the battle of the Somme, Mabel realises that the life she and Harry had always hoped for is now an impossibility. Then when Maudie falls pregnant by an officer, and Norah's young man is lost at sea, all three girls are forced to face the fact that life will never be the same again. The adventures continue in A Nurse at War. Previously published as A Child at the Door by Maggie Bennett.

Nursing Her Amish Neighbor Mar 05 2020 Healing his physical wounds is just the beginning... Seeking a break from her nursing duties, Miriam Stoltzfus returns home to Lost Creek—and encounters her most difficult patient yet. Her childhood neighbor, Matthew King, is suffering after an accident left him injured and his younger brother dead. But he doesn't want anyone's help. Can Miriam guide him through his grief to prove he's still the strong, confident man she remembers? From Love Inspired: Uplifting stories of faith, forgiveness and hope. Brides of Lost Creek Book 1: Second Chance Amish Bride Book 2: The Wedding Quilt Bride Book 3: The Promised Amish Bride Book 4: The Amish Widow's Heart Book 5: A Secret Amish Crush Book 6: Nursing Her Amish Neighbor **Cherry Ames, Camp Nurse** Oct 12 2020 Cherry Ames is back, just as you remember her! The books are just as you remember them, retaining the same look, feel, and sense of adventure and patriotism as when they were first published. With fully illustrated color covers and a soft-finished hardcover format just like the originals, these books will transport you back to the days when you were reading about this spunky young nurse. Series editor and registered nurse Harriet Forman was inspired by, and remains a devoted fan of, Cherry Ames: "...I was going to follow in her footsteps and become a nurse--nothing else would do. "The United States is still fighting World War II. Cherry Ames is still an Army Nurse, this time aloft--as a flight nurse. Cherry is reunited with her corpsman Bunce--the two of them are in sole charge of ferrying severely wounded men out of the battlefield and to the nearest Army hospital. Much to Pilot Wade Cooper's chagrin, he has been taken off bomber duty to fly the wounded to safety--until Cherry makes him see otherwise. Off duty, the nurses "adopt" 6-year-old Muriel Grainger, who has known nothing but war in her short life, and whose mother has been killed by the Germans. Her father is often out on mysterious errands that cause some to label him a "spy." Cherry makes it her risky business to find out if this is truth or rumor.

Confessions of a Male Nurse (The Confessions Series) Aug 22 2021 From the people who brought you the bestselling Confessions of a GP.

The War Nurse Jun 07 2020 "Any readers who enjoyed the mix of romance, intrigue, and medical accuracy of Call the Midwife will love The War Nurse."—New York Journal of Books "[An] impeccably researched, well-drawn, based-on-a-true-story tale, written by a former RN...The War Nurse shines an important light on a woman whose story was, until now, lost to time."—Kristin Harmel, New York Times bestselling author of The Book of Lost Names Based on a true story, The War Nurse is a sweeping historical novel by USA Today bestselling author Tracey Enerson Wood that takes readers on an unforgettable journey through WWI France. She asked dozens of young women to lay their lives on the line during the Great War. Can she protect them? Superintendent of Nurses Julia Stimson must recruit sixty-four nurses to relieve the battle-worn British, months before American troops are ready to be deployed. She knows that the young nurses serving near the front lines will face a challenging situation, but nothing could have prepared her for the chaos that awaits when they arrive at British Base Hospital 12 in Rouen, France. The primitive conditions, a convoluted, ineffective system, and horrific battle wounds are enough to discourage the most hardened nurses, and Julia can do nothing but lead by example—even as the military doctors undermine her authority and make her question her very place in the hospital tent. When trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other, overwhelming the hospital's limited resources, and threatening the health of her staff, Julia faces an unthinkable choice—to step outside the bounds of her profession and risk the career she has fought so hard for, or to watch the people she cares for most die in her arms. Fans of Martha Hall Kelly's Lost Roses and Marie Benedict's Lady Clementine will devour this mesmerizing celebration of some of the most overlooked heroes in history: the fierce, determined, and brave nurses who treated soldiers in World War I. Praise for The War Nurse: "Through careful research, this book shows the incredible bravery and compassion of women who find themselves in extraordinary situations." —Julia Kelly, international bestselling author of The Last Garden in England and The Light Over London "A rich, gripping history of one woman's lifelong battle against systemic prejudice." —Stewart O'Nan, award-winning author of The Good Wife "Once again, Tracey Enerson Wood, with her impeccable research and evocative prose, kept me glued to the page. Wood has a talent for bringing strong, yet lesser-known women from history, to life." —Linda Rosen, author of The Disharmony of Silence "A riveting and surprisingly timely story of courage, sacrifice, and friendship forged at the front lines." —Kelly Mustian, author of The Girls in the Stilt House "If you, like me, are a voyeur of historical drama that unfolds as if the kitchen window flew open and the characters were caught in action, then The War Nurse is for you." —Diane Dewey, author of Fixing the Fates "Fans of Patricia Harman will love Wood's treatment of medical expertise in a historical setting." —Booklist

The Nurse Feb 25 2022 When you hear her story, will you believe her? Rose Marlowe is a hard-working nurse, a loving wife, and a merciless killer. Or so she says. Despite her confession, it is hard to believe that this beautiful, kind woman could have killed her vulnerable patient in cold blood. Down-on-his-luck true crime author, Theo Hazel, is convinced that there's more to what happened than Rose is telling, and so decides to visit her behind bars to write her story. His first surprise comes when Rose reveals that the victim was not a stranger to her. As time goes on, it seems that Rose is letting Theo see behind her perfect mask. With each new visit, he learns terrible new things about her heart-breaking past. With each new visit, he becomes more and more convinced that she can't be a killer. But is he trying to free an innocent woman, or falling prey to a calculating murderer? A gripping and unputdownable thriller that will keep you guessing into the early hours of the morning. Perfect for fans of The Silent Patient, Shari Lapena and JP Delaney. What everyone is saying about The Nurse: 'A clever, pitch-perfect read' Jenny O'Brien, author of Silent Cry, ?? ?? ?? ?? 'Wow what a read!... I was glued to the pages... Another stay up all night read! The idea for this story I found to be fresh, its

execution first-class and its characterisation second to none. The Nurse is dark, compelling, compulsive, twisty and will have you addicted from beginning to end as you race to see how it all will unfold... A must read for 2021.' Once Upon a Time Book Reviews, ?? ?? ?? ?? 'Will stay with you long after the final page' S.E. Lynes, author of The Housewarming 'Among the best of the psychological thrillers that I have read... The author has smashed it out of the park... A fresh plot and so gripping throughout... There really was no putting this book down unless I absolutely had to.' Beyond the Books, ?? ?? ?? ?? 'I finished The Nurse last week and can't stop thinking about it' NetGalley Reviewer, ?? ?? ?? ?? 'Took me completely by surprise!' Karen King, author of The Stranger in my Bed, ?? ?? ?? ?? 'Haunting, spine-tingling, edge-of-your-seat reading!' Noelle Holten, author of the DC Maggie Jamieson series 'I absolutely inhaled this book. Read it in two days and obsessed about it when I wasn't reading it. SO gripping and twisty, I couldn't put it down... Highly recommend! Go and read it!' Goodreads Reviewer, ?? ?? ?? ?? 'One of the best psychological thrillers I've read in a long time!' NetGalley Reviewer, ?? ?? ?? ?? 'It was impossible to put the book down' NetGalley Reviewer, ?? ?? ?? ?? 'Took my breath away!' Jane Isaac, author of the DCI Helen Lavery series 'You just want to devour the book in one sitting' Goodreads Reviewer, ?? ?? ?? ?? 'An easy five-star read for me!' J.M. Hewitt, author of The Night Caller, ?? ?? ?? ?? 'Didn't want it to end... Really packs a punch.' Amanda Robson, author of Obsession 'Kept me on my toes throughout' Goodreads Reviewer, ?? ?? ?? ?? 'Satisfyingly twisty' NetGalley Reviewer, ?? ?? ?? ?? 'Filled with intriguing characters and surprising twists' M. M. DeLuca, author of The Secret Sister, ?? ?? ?? ?? 'Utterly compelling and absorbing' Jo Jakeman, author of Safe House 'Clever and intriguing' Emma Haughton, author of Now You See Me, ?? ?? ?? ?? 'Twists and turns right up to the end' Goodreads Reviewer, ?? ?? ?? ?? 'Thrilling and chilling' Margaret Kirk, author of Shadow Man

First-Year Nurse Mar 17 2021 An Indispensable Guide for First-Time Nurses on Working with Doctors, the Joys of the Night Shift, and Facing Mistakes! You've completed the necessary education, passed the exams, and you're finally ready for your first year as a professional nurse. But there is still trepidation, accompanied by many unanswered questions. A true first year of nursing 101 guide, this book covers topics like managing feedback, working with doctors, working night shift, and recovering from a mistake. Writer and nursing professional Beth Hawkes draws from her own experiences to offer expert tips for first-timers venturing into this important discipline. Writing in a manner that's digestible and including illustrative anecdotes along the way, Hawkes will put readers at ease with her clear advice and directives—many of which can be applied in professional settings outside of nursing. She offers rookie nurses sample questions to help guide them on how they should be communicating with preceptors and colleagues, from morning to night. The perfect gift for nurses just entering the field!

The Good Nurse Sep 03 2022 The Netflix movie starring Academy Award-winners Eddie Redmayne and Jessica Chastain—based on this “stunning book...that should and does bring to mind In Cold Blood”—takes you inside the mind of America's most prolific serial killer, whose 16-year long "nursing" career left as many as 400 dead. (New York Times) After his December 2003 arrest, nurse Charlie Cullen was quickly dubbed “The Angel of Death” by the media. But he was no mercy killer nor a simple monster. Cullen was, at times, a trusted colleague, a beloved father, and a best friend. He was also perhaps the most prolific serial killer in American history, implicated in the deaths of as many as 400 patients. Cullen’s murderous career spanned sixteen years and nine hospitals. Now, in a riveting piece of investigative journalism, Charles Graeber uncovers how Cullen gamed the system, and tells the unbelievable true story of the confidential informant asked to risk her life and career to betray a friend and finally stop a serial killer. Based on extensive never-before-seen evidence and years of exclusive jailhouse conversations with Cullen himself, THE GOOD NURSE is a mesmerizing and irresistibly paced portrait of medicine and madness. This book will make you look at hospitals and the people who work in them in an entirely different way.

His Curvy Nurse Jul 29 2019 Curvy Girl Romance Series - USA Today Bestselling contemporary romance author Repeat after me: Do NOT fall for your employee. Nico Resisting Laura was getting harder and harder every day. Seeing her talking and laughing with patients and watching the shutters close when she looked at me was painful. I deserved it, but it was not easy. Not when I wanted to know everything there was to know about her. If only I wasn't her boss. Crossing that line wasn't a good idea. We had important work to do. Work that saved lives and helped people. I couldn't risk it. I wouldn't. But hearing about her dates was driving me crazy. If I could meet someone, maybe I could forget about her. There had to be someone on the online dating app who would take my mind off of her. Laura Life's too short for regrets. I learned that day after day working with patients living and dying with cancer. They all told me the same thing. Stop being afraid of living my life and grab it by the balls. So, I listened. I stopped wondering when my boss was going to notice me. I stopped wishing he would see me as more than just his nurse. I stopped declining dates with other men in hopes Nico would one day ask me out. I am not so evolved that I actually stopped hoping something would happen, but I had to move on. People were dying with regrets, and I couldn't live with mine. I never thought dating other men would make Nico notice me. I never expected him to be pissed off. And I sure as hell never thought he'd be jealous. But I definitely liked that side of him. The side that said he wanted me. It wasn't going to be that easy, though. He needed to work for it. One kiss, one touch, one panty-melting word at a time. KEYWORDS: curvy girl romance, BBW romance, plus size romance, happily ever after, online dating romance, love stories, romantic novels, small town romance, guaranteed HEA, no cliffhangers, workplace romance, boss employee romance, alpha male

Angry Nurse Sep 22 2021 When wealthy Cleveland businessman David Feighan is admitted to St. Luke's Behavioral Health Unit in a catatonic state, he "miraculously" recovers in the presence of Nurse Joshua Ramsey. David insists his wife, lawyer, and the hospital administrator are plotting to have him permanently committed and implores Joshua to help him. Are these the ravings of an insane man or is something more sinister at work? Then David's wife and lawyer are found dead and Detective Nicholas Silvano gets the case. The husband is usually the first suspect but David has a solid alibi - he's locked up at St. Luke's. The investigation stalls...until a crayon drawing leads Nick back to St. Luke's and a surprising new suspect. "Fans of dark crime fiction will appreciate the unusual psychological twists in this mystery set in a mental ward. Bort and Madsen ground the world of the book solidly in the maddening bureaucracy of a big city hospital, leading the reader to believe if you weren't crazy when you checked in, you will be before long. I look forward to reading more from this innovative crime writing team." --W. Bruce Cameron, #1 New York Times bestselling author of The Midnight Plan of the Repo Man "Ex-cop and former psych ward nurse Karl Bort teams up for a second time with professional writer Thekla Madsen in a gripping tale of psychosis and murder set in Bort's hometown of Cleveland, Ohio. Fans of the team's first novel, Bad JuJu in Cleveland, won't be disappointed by Angry Nurse." --Dave Wood, Past Vice President, National Book Critic Circle "Angry Nurse is a suspenseful read all the way to the satisfying end." --Barbara Schlichting, author of The First Ladies Mystery Series

Knowledge Development in Nursing Jan 03 2020 Apply the five patterns of knowing to improve patient care! Knowledge Development in Nursing: Theory and Process, 10th Edition helps you understand nursing theory and its links with nursing research and practice. It examines the principles of knowledge development, from the relationship between patterns of knowing to their use in evidence-based nursing care. Written by nursing educators Peggy Chinn and Maeona Kramer, this unique book is updated with new examples from clinical practice. Coverage of the five Patterns of Knowing includes empiric, personal, aesthetic, ethical, and emancipatory knowledge, defining the different types of knowledge and how they relate to each other. Full-color map in the book and online animation depict how the patterns of knowing are related. Think About It questions sharpen your understanding of the emancipatory knowing process of praxis - a synthesis of thoughtful reflection, caring, and action. Discussion of evidence-based practice provides examples of how the five patterns of knowing may be applied to nursing practice. Interpretive summaries highlight the interrelatedness of all patterns of knowing, making it easier to master all dimensions of knowing. A glossary defines the key terms and concepts of nursing theory. NEW! Updated real-life examples bring complex concepts to life. NEW! Embedded prompts promote understanding and reflection: Why is this important?, Consider this, Imagine this, and Discuss this.

Call the Nurse Nov 05 2022 For fans of James Herriot and Call the Midwife. A Wall Street Journal Bestseller. Over 100,000 sold. Gaelic fortitude meets a nurse's compassion in these wonderful true stories from rural Scotland. “Julia MacLeod shares unique and enchanting experiences as a nurse in rural Scotland. Her stories will ring true with every nurse—or anyone—who has ever cared for a family or a community, whether in Scotland or America. Call the Nurse is a delightful read.” —LeAnn Thieman, author Chicken Soup for the Nurse's Soul Tired of the pace and noise of life near London and longing for a better place to raise their young children, Mary J. MacLeod (known to all as Julia) and her husband encountered their dream while vacationing on a remote island in the Scottish Hebrides. Enthralled by its windswept beauty, they soon were the proud owners of a near-derelict croft house—a farmer's stone cottage—on “a small acre” of land. Mary assumed duties as the island's district nurse. Call the Nurse is her account of the first enchanted years she and her family spent there, coming to know its folk as both patients and friends. Call the Nurse is a treasure of sweet nostalgia.

N Is for Nurse Oct 31 2019 N is for Nurse by best selling nurse-author Jon Haws RN CCRN is a full-color ABC book for grown-up nurses, with a powerful message about what it means to "be a nurse." N is for Nurse looks and feels like a classic picture book. But it's not for kids, it's for nurses and nursing students who are proud of being RN. Nursing is more than a job. Nursing is who we are. Every fiber, every muscle, every beat of our hearts. One big happy nursing family. Healing patients happily. It's something we feel deep within. Proud to be RN. N is for Nurse is an illustrated book for nurses in the style of traditional children books. Author Jon Haws RN, takes the reader on an emotional journey through the alphabet from A-to-Z with engaging story telling and beautiful illustrations instilling pride in what it means to "Be a Nurse." It highlights twenty-six core values of nursing. N is for Nurse makes the perfect gift or coffee table nursing picture book for any nurse of any age. Not only will this book motivate and inspire you, it will help your friends and loved ones FINALLY "get" what it means to you to be a nurse. Perfect graduation gift for nurses, nurses week gift, retirement gift, children book for future nurses, first year nurse book, nursing student gift or addition to gift basket for male or female nurses.

THE PATIENT NURSE May 19 2021 Noreen is a nurse who has never been loved. She secretly loves Ramon, a heart surgeon, but he seems to have a vendetta against her. She has no idea if the throbbing pain in her chest is because of her chronic heart condition or, in fact, her broken heart. One day, she falls seriously ill, and the surgeon who operates on her is none other than Ramon! He finally learns about Noreen's feelings, but is it too late for him to mend her broken heart?

Nurse, Come You Here! Apr 17 2021 Mary J. Macleod and her husband left the London area for an idyllic place to raise their young children in the late sixties, and they found the island of Papavray in the Scottish Hebrides. There they bought a croft house on a "small acre" of land, and Mary J. (also known as Julia) became the district nurse. At the age of eighty, she first recounted her family's adventures in her debut, Call the Nurse, where she introduced readers to the austere beauties of the island and the hardy charm and warmth of the islanders. The anecdotes in this new volume take us to the end of her stay on Papavray, after which the MacLeod family left for California. Once again we meet the crofters Archie, Mary, and Fergie, and other friends. There are stories of troubles, joy, and tragedy, of children lost and found, the cow that wandered into the kitchen, a distraught young mother who strides into the icy surf with her infant child, the ghostly apparition that returns after death to reveal the will in a sewing box. There are accidents and broken bones, twisters that come in from the sea, and acts of simple courage and uncommon generosity. Here again, a nurse's compassion meets Gaelic fortitude in these true tales of a bygone era.

Miss Nightingale's Nurses Jan 27 2022 The first heart-warming novel in Kate Eastham's nursing series . . . _____ From the docks of Liverpool to a distant battlefield, can one girl find her brother and save herself? Ada Houston's life is shattered when her brother Frank goes missing following an accident at the docks. But a short time later she hears a rumour that he survived and left Liverpool to fight a foreign war. Determined not to lose him a second time she boards a ship to bring him home. But the battlefields of

the Crimea are a hostile place for a penniless young woman. Then one day a lifeline is thrown her way as she is offered the chance to train as a nurse under the famous Florence Nightingale. Working in the most terrible of conditions, Ada shows an aptitude beyond anyone's expectations as she cares for her injured countrymen, makes new friends and enjoys the first flutter of romance. But Frank is still missing and she needs to find him before it's too late . . .

ER Nurses Nov 24 2021 In this extraordinary work of non-fiction, we hear the unforgettable stories of everyday heroes who look after our families, our friends and ourselves in the most challenging circumstances imaginable _____

When we're at our worst, nurses are at their best. Around the clock, highly skilled and compassionate men and women sacrifice and struggle for us and our loved ones. You have never heard their true stories. Not like this. From big-city and small-town hospitals.

These are stories told from the heart. This book will make you laugh, make you cry, and make you understand the importance of the work they do. 'James Patterson's account of the twilight world between life and death that nurses inhabit is one of the most moving things I have ever read' SEBASTIAN JUNGER, author of *Freedom* and *The Perfect Storm* 'The compassion, the work ethic, and the selflessness of nurses . . . are given the respect they deserve and captured beautifully' SANJAY GUPTA, MD, neurosurgeon and chief medical correspondent, CNN

I Wasn't Strong Like This When I Started Out: True Stories of Becoming a Nurse Feb 02 2020 This collection of true narratives reflects the dynamism and diversity of nurses, who provide the first vital line of patient care. Here, nurses remember their first “sticks,” first births, and first deaths, and reflect on what gets them through long, demanding shifts, and keeps them in the profession. The stories reveal many voices from nurses at different stages of their careers: One nurse-in-training longs to be trusted with more “important” procedures, while another questions her ability to care for nursing home residents. An efficient young emergency room nurse finds his life and career irrevocably changed by a car accident. A nurse practitioner wonders whether she has violated professional boundaries in her care for a homeless man with AIDS, and a home care case manager is the sole attendee at a funeral for one of her patients. What connects these stories is the passion and strength of the writers, who struggle against burnout and bureaucracy to serve their patients with skill, empathy, and strength.

How to Become a Nurse Aug 10 2020 Are you a recent high school grad or have you been looking toward nursing as a career option but just don't know how to start? Are you struggling with trying to decide what kind of nurse you want to be and can't find the answers at your local nursing school or two year college? Smart Nurse Jul 21 2021 First I would like to congratulate you for accepting the call to be a Nurse. As a professional Nurse, you have passed through several stages of education. But what may be new to you now is your first day as a nurse. And that is the essence of this book, to help you get ready for your career. There is no crime in being a novice, in fact when you utilize your "rookie stage" it helps you to avoid the same mistakes your "predecessors" have fallen into. When we do things for the first time, we are new in the system and in-experienced, but that doesn't mean we are as blank as a piece of paper and we could be easily swayed, No! What we have that others don't have is that we have the opportunity to make things better, do things better and enjoy improved advantages of our own success and a joint one too. Topics you will learn: -Your First Day-Meeting the Team-Dealing with Death-How To Choose your Field and A Hospital-Ways to Make Extra Cash-Career management: Life after Nursing-Handling Sensitive Issues

Critical Care Dec 26 2021 “Among all the recent books on medicine, *Critical Care* stands alone.” — Pauline Chen, author of *Final Exam* “A must read for anyone who wants to understand healthcare. Extraordinary.” — Elizabeth Cohen, MPH, CNN Senior Medical Correspondent *Critical Care* is the powerful and absorbing memoir of Theresa Brown—a regular contributor to the *New York Times* blog “Well”—about her experiences during the first year on the job as an oncology nurse; in the process, Brown sheds brilliant light on issues of mortality and meaning in our lives.

Family Nurse Practitioner Certification Review Jun 27 2019 Review Guides/Certification Prep/Pocket Guides

The Nurse Jun 19 2021 Theresa is a nurse hired to accompany young, wheelchair-bound Toby to a controversial clinic in Transnistria. It's the only medical institution in the world that can offer Toby hope that he will one day walk again. They use radical experimental treatments. Sometimes their results are miraculous; other times, tragic. Once at the clinic, Theresa quickly becomes aware of just how “radical” their treatments are. She then meets a Frenchman, who says: “You’ve got to help me. I broke my arm just so they would admit me to the clinic. I came to save my son from that evil... nurse!” Theresa wants to help, but soon realizes she is a prisoner here. Now she must get Toby out of this terrible place! “The Nurse” is an ultra-bizarre, intense story that will take you places you’ve never been and will never forget!

Life, Death and Biscuits Nov 12 2020 THE SUNDAY TIMES BESTSELLER ‘A heart-breaking story of courage and compassion from the front line of the toughest battle our nurses have had to fight. Anthea Allen’s writing is raw, honest and full of love for those she cares for.’ Susanna Reid

Practice Nursing Aug 29 2019 Practice Nurses play an important and pivotal role in healthcare providing a range of interventions and services to patients in General Practice and Primary Care settings. While most Practice Nurses work in GP surgeries and doctor led clinics, others are working as autonomous practitioners in community practices and nurse led centres. Practice Nurses are presented with an ever increasing range of conditions and patient needs as the role is constantly changing and evolving. The extended roles and range of clinical skills which may be provided by a Practice Nurse depend on the needs of the patient and the qualifications, skills, competencies and scope of practice of each individual Practice Nurse (NMBI, 2015). Practice Nurses have a responsibility to ensure that they are suitably qualified, skilled and competent in carrying out each clinical procedure and intervention that they undertake. Developing guidelines for clinical practice is an important part of the Practice Nurse role, but the task of researching, developing and producing guidelines is time-consuming, and it can be difficult to find the information required as and when needed. *Practice Nursing: Clinical Guidelines and Procedures in Practice* written by a Practice Nurse, and based on local and national guidelines, provides a comprehensive overview and a step by step guide for nurses carrying out a wide range of clinical procedures in practice. The book contains over 100 clinical guidelines and procedures with illustrations, tables, charts and diagrams. In producing these clinical guidelines, the author hopes that this book will prove useful as a resource and reference guide for other nurses in general practice and primary care settings.

The Nurse Oct 04 2022 ‘Wow! This book kept me on the edge of my seat and every time I thought I knew what was going to happen there was another fabulous twist. I loved it.’ Reader review ????? ‘Well! I HORSED through *The Nurse*, pure HORSED! Tense, pacey, unputdownable.’ – MARIAN KEYES

The Nurse's Secret Jul 01 2022 Set in 1880s New York and based on the little-known story of America’s first nursing school, acclaimed author Amanda Skenandore’s new historical novel is a fascinating story of one woman’s search for identity and independence. In the slums of 1880s New York, Una Kelly has grown up to be a rough-and-tumble grifter, able to filch a pocketbook in five seconds flat. But when another con-woman pins her for a murder she didn’t commit, Una is forced to flee. Running from the police, Una lies her way into an unlikely refuge: the nursing school at Bellevue Hospital. Based on Florence Nightingale’s nursing principles, Bellevue is the first school of its kind in the country. Where once nurses were assumed to be ignorant and unskilled, Bellevue prizes discipline, intellect, and moral character, and only young women of good breeding need apply. At first, Una balks at her prim classmates and the doctors’ endless commands. Yet life on the streets has prepared her for the horrors of injury and disease found on the wards, and she slowly gains friendship and self-respect. Just as she finds her footing, Una’s suspicions about a patient’s death put her at risk of exposure, and will force her to choose between her instinct for self-preservation, and exposing her identity in order to save

others. Amanda Skenandore brings her medical expertise to a page-turning story that explores the evolution of modern nursing—including the grisly realities of nineteenth-century medicine—as seen through the eyes of an intriguing and dynamic heroine. PRAISE FOR AMANDA SKENANDORE'S THE SECOND LIFE OF MIRIELLE WEST "In this superior historical, the author's diligent research, as well as her empathetic depiction of those subjected to forced medical isolation, make this a winner." —Publishers Weekly Adult Emergency Nursing Procedures Oct 24 2021 Intended as a working manual, with chapters following a uniform format for ease of use. Assumes basic nursing knowledge, e.g. history-taking, aseptic techniques, documentation. For each procedure, describes indications, contraindications and cautions, equipment, patient preparation, procedural steps

Nursing School Thrive Guide Jan 15 2021 Like advice from a trusted friend who's "been-there, done-that" the Nursing School Thrive Guide shares proven tips and techniques to help you not just survive nursing school, but thrive! In this book you will get valuable advice that will help you get organized before school starts, master your schedule easily, and study in a way that maximizes time and sets you up for nursing school success. Learn what the different types of classes are like, how to thrive in your clinical rotations, master test-taking strategies and discover the author's own unique system for approaching patient care. Follow the system outlined in this book, and you'll be an organized, confident nursing student...guaranteed. Maureen Osuna is a critical care nurse with a passion (more like obsession) for mentoring nursing students and is owner of the website www.straightnursingstudent.com.

A Nurse's Story Apr 05 2020 Moving, honest and inspiring – this is a nurse's true story of life in a busy A&E department during the Covid-19 crisis. Working in A&E is a challenging job but nurse Louise Curtis loves it. She was newly qualified as an advanced clinical practitioner, responsible for life or death decisions about the patients she saw, when the unthinkable happened and the country was hit by the Covid-19 pandemic. The stress on the NHS was huge and for the first time in her life, the job was going to take a toll on Louise herself. In A Nurse's Story she describes what happened next, as the trickle of Covid patients became a flood. And just as tragically, staff in A&E were faced with the effects of lockdown on society. They worried about their regulars, now missing, and saw an increase in domestic abuse victims and suicide attempts as loneliness hit people hard. By turns heartbreaking and heartwarming, this book shines a light on the compassion and dedication of hospital staff during such dark times. 'An important memoir that we all need to read right now.' – Closer

Strangers Assume My Girlfriend Is My Nurse Aug 02 2022 With his signature wit, twenty-something author, blogger, and entrepreneur Shane Burcaw is back with an essay collection about living a full life in a body that many people perceive as a tragedy. From anecdotes about first introductions where people patted him on the head instead of shaking his hand, to stories of passersby mistaking his able-bodied girlfriend for a nurse, Shane tackles awkward situations and assumptions with humor and grace. On the surface, these essays are about day-to-day life as a wheelchair user with a degenerative disease, but they are actually about family, love, and coming of age. Shane Burcaw is one half of the hilarious YouTube duo, Squirmy and Grubs, which he runs with his girlfriend, now fiancée, Hannah Aylward.

Confessions of a Night Nurse (Rosie Dixon, Book 1) May 07 2020 Things that go bump in the night... The CONFESSIONS series, the brilliant sex comedies from the 70s, available for the first time in eBook.

Nurse on Board: Planning Your Path to the Boardroom Apr 29 2022 The nurse's voice is essential and critical to the governance of healthcare organizations. After all, nurses represent the largest professional group in healthcare, account for the greatest human resources expense, and—most importantly—are closest to patients and their families, physicians, and the community. But why do nurses hold only a small fraction of positions on healthcare boards? It's time that NURSES get on boards! With years of board leadership to her credit, author Connie Curran expertly provides the tools you need to attain and succeed in your first board role—or advance into ever-greater board responsibilities. Nurse on Board skillfully guides readers by sharing: Best practices, data, and advice from seasoned board leaders Explanations of different types of boards, how they work, and the required skills and experiences How boards recruit new members and how you can best position yourself as a candidate How to develop, nurture, and leverage your personal and professional networks to ensure you are on the radar screen when board roles become available

Nurse Anesthesia Jul 09 2020 Written specifically for nurse anesthetists, Nurse Anesthesia, 5th Edition provides comprehensive coverage of both scientific principles and evidence-based practice. It offers a complete overview of anatomy, physiology, pharmacology, and pathophysiology, and offers practical coverage of equipment and anesthesia management. This edition includes updated information on pharmacokinetics, clinical monitoring, drug delivery systems, and complications, and revises chapters on airway management and anesthesia for cardiac surgery. Written by leading nurse anesthesia experts John Nagelhout and Karen Plaus, this perennial bestseller prepares anesthesia students and CRNAs for today's clinical anesthesia practice. Over 650 figures of anatomy, nurse anesthesia procedures, and equipment depict complex concepts and information. An easy-to-use organization covers basic principles first, and builds on those with individual chapters for each surgical specialty. UPDATED references make it quick and simple to find the latest and most important research in the field. Over 700 tables and boxes highlight the most essential information in a quick, easy-to-reference format. Expert CRNA authors provide the current clinical information you'll use in daily practice. UPDATED pharmacology information includes pharmacokinetics, drug delivery systems, opiate antagonists, and key induction drugs. Over 100 NEW photos and illustrations enhance your understanding of difficult anesthesia concepts. UPDATED Airway Management and Anesthesia for Cardiac Surgery chapters are thoroughly revised. NEW coverage includes robotics, screening applications, and non-operating room best practices.
