Goldwork Embroidery Chinese Style Apr 05 2020 Goldwork embroidery is a traditional Chinese embroidery technique that was originally used in

the court or palaces and was exclusive to nobility in ancient times. Similar embroidery techniques were used in Central Asia and Europe in ancient times as well. Today, this sort of technique, characterized by its diversity of thread textures, variety of techniques, unique three-dimensional shape, and ability to blend other embroidery styles, is familiar to and admired by embroidery enthusiasts all over the world. Through her practice in embroidery over the past two decades, Chen Daiyu has simultaneously studied both Chinese and European embroidery. Her work is unique in that it combines the beauty of both forms, making it uniquely original. In this book, she draws inspiration from elements of traditional Chinese painting, combining traditional Chinese silk embroidery with European goldwork embroidery to create stunning, elegant works with a unique Chinese aesthetic appeal. This volume combines images and text, taking the reader systematically through the world of goldwork embroidery with a step-by-step guide.

Stitch, Fabric & Thread Dec 26 2021 A beautiful sewing reference guide full of exercises designed to inspire great ideas and motivate readers of all skill levels to create. This inventive book is a treasure trove of over 40 inspiring practical exercises, a rich and creative exploration of fabric and stitch, and a fascinating all-round read. Elizabeth Healey's approach to sewing is that it should be fun, and not like a chore or an exam we need to excel in. Her aim is to simply encourage you to pick up a needle and thread and get sewing! The exercises draw inspiration from around the world: create corded works of art inspired by Milton Glaser's iconic Bob Dylan poster; craft bold embroidered African masks; layer up and cut away to make Mola applique; use bleach and fabric paint to create Aboriginal dreamtime lizards; create knotted works of art inspired by ancient Mayan counting systems; embroider varsity cross-stitch letters; or try out decorative Japanese book binding. Alternatively, try a host of other techniques such as quilting, printing, dyeing, couching tumbled crockery, creating pleats and puckers, and needle lace. Packed with stitch galleries and bursting with slow sewing ideas, the book also contains "behind the stitches" features: illuminating insights into sewing movements such as Boro textiles, Gee's Bend quilting, and Dorset buttons.

The Mr X Stitch Guide to Cross Stitch Nov 05 2022 If you think you know what cross stitch is, look again! Jamie Chalmers, aka Mr X Stitch, shows you how to cross stitch using simple step-by-step instructions and also takes you to the frontiers of cross stitch design. The book is aimed at stitchers of all abilities, from absolute beginners looking to learn a new craft to embroiderers and cross stitchers who want to do something different in cross stitching. For many, cross stitch conjures up images of cute kittens and country cottages, but this book shows people that there's a different side to cross stitching that it's an art in its own right, and will encourage them to be a little braver with their art. Jamie's writing style is fun, entertaining and highly inspirational. The book aims to appeal to men as well as women, encouraging one and all to take up the ancient craft. It teaches the basics of cross stitching, including information on materials, tools, techniques and colour blending, but also puts Jamie's own individual spin on it, with urban flavours and the introduction of different materials such as glow-in-the-dark threads and stitching on metal. As well as providing exciting designs to stitch, there is guidance on how to create cross stitch designs of your own, for example by using photographs and other images for reference. Jamie also showcases the work of other contemporary cross stitchers who are pushing the boundaries of their craft, and introduces more than 20 stunning cutting-edge projects to make, showing that beauty, innovation and 'craftivism' are alive and kicking in this inspirational book.
