Penguins Oct 25 2019 An acclaimed photographic guide to these marvelous and enigmatic birds—now in a new, updated edition Penguins are perhaps the most beloved birds. On land, their behavior appears so humorous and expressive that we can be excused for attributing to them moods and foibles similar to our own. Few realize how complex and mysterious their private lives truly are, as most of their existence takes place far from our prying eyes, hidden beneath the ocean waves. Now in a new, updated edition, this stunningly illustrated book provides a unique look at these extraordinary creatures and the cutting-edge science that is helping us to better understand them. Featuring more than 400 breathtaking photos, this is the ultimate guide to all 18 species of penguins, including those with retiring personalities or nocturnal habits that tend to be overlooked and rarely photographed. This revised second edition features updated scientific information and some spectacular new photographs. Penguins is the most ambitious book to date by Tui De Roy, Mark Jones, and Julie Cornthwaite. Their travels, spanning more than two decades, have seen them crisscross the southern hemisphere to virtually everywhere that penguins are found, from the sun-baked lava shores of the Galápagos to some of the remotest subantarctic islands, as well as all around the Antarctic continent, where Emperor penguins breed on the deep-frozen sea. A book that no bird enthusiast or armchair naturalist should do without, Penguins includes discussions of penguin conservation, informative species profiles, fascinating penguin facts, and tips on where to see penguins in the wild. Covers all 18 species of the world's penguins Features more than 400 stunning photos Explores the latest science on penguins and their conservation Includes informative species profiles and fascinating penguin facts

[The Ultimate Guide to Tease & Denial](#) Feb 27 2020 Description The Ultimate Guide To Tease & Denial is more than just about what to do when you want to tease your guy sexually. It's about taking control of your sex-life and getting what you want from it. There is a step-by-step guide that will walk you through your first month of teasing so that you can get used to doing those things you need to do to make things better. A must read for chastity enthusiasts. Tease and denial has never been so simple. Whether you want to utilize chastity in your relationship or not, makes no difference in a modern, healthy relationship. Reading this book will give you insights into your partner's motivations like nothing before. You can take control of what you want and leave the rest to him." The Ultimate Guide to Tease & Denial is a refreshing outlook on the sexual aspect of female domination that many women find cumbersome. I remember the days when I thought being a tease was a bad thing but Mistress Ivey has completely changed my perspective with her book. She empowers women by teaching not only how to use our inherent sexual charm to mold men's behavior but why it is important to release that inner naughty girl that many of us were taught to hide. This book has opened so many new channels of thought for me as it clearly points out how vital it is to express my love for my partner by using my feminine charms to seduce him every day and in many exciting ways while keeping him hung up and thirsty for more." The Ultimate Guide to Yin Yang Mar 10 2021 The first book to fully explore and explain the concept of yin yang, breaking it down in easy-to-follow terms for all those interested in Daoism, alternative medicine, martial arts and other Eastern fields of study. Illustrated with striking red/black graphics that make the concepts more accessible. The concept of yin yang can be found in some of the oldest writing in the world. It is fundamental to Chinese thought and the route to understanding most Chinese practices, from Traditional Chinese Medicine to Daoism and feng shui. It also offers us ways of enhancing our own lives, establishing greater balance not only in our own environment but also in the wider world if we can work with other people to follow nature's flow. The central question of the book is "What is yin yang?" Step by step, with plenty of helpful illustrations and graphics, it explores the history and changing uses of yin yang - not forgetting the pronunciation and spelling (why yinyang is actually better than yin yang). The book also makes suggestions for working with yin yang, from observing the landscape to get a sense of the ebb and flow of energy through the world, to studying the patterns of nature in order to take what you need but not too much, to approaching sex as a cosmic ritual. After reading this book, readers will understand how to position themselves so that yin yang fills their lives with abundance - how to be in the right place at the right time.

Ultimate Guide to Business Writing Sep 23 2019 The Ultimate Guide to Business Writing is a comprehensive guide on how to write any kind of business document. Written clearly in an engaging voice, it explains in depth the whole process: from determining objectives to establishing readers' needs, conducting research, outlining, and designing a template; to writing the first draft; to editing for meaning, accuracy, concision, style and emotional impact; to creating glossaries and indices; to proofreading and working with reviewers. The book also explains how to exploit the psychology of perception and motivation, collaborate effectively with business colleagues, manage documents holistically across an organisation, and deal with the other everyday practicalities of managing knowledge in a corporate environment. Every section of the book is packed with questions to stimulate thinking and generate meaningful answers, and dozens of examples of what works and why. The book's also rich in practical examples drawn from real life, anecdotes, humour, and visual aids. But the advice isn't just practical and anecdotal: it's also rigorously supported by scientific evidence from notable linguists and psychologists such as Steven Pinker, Daniel Goleman and Yellowlees Douglas. And anyone keen to explore further will benefit from the bibliography and links to videos and other online resources. The book is ideal not just for professional business writers, such as editors, technical writers, copywriters and creative directors; it's also suitable for anyone whose job requires them to write, whether it's something as simple as an email or as complex as a set of policies or a handbook.
