Supernatural Academy Mar 21 2022 Maddison James is about to discover some truths about the world. Firstly ... supernaturals exist. WTF? Secondly ... she is one, even though no one seems to know exactly what kind. Double WTF. Thirdly ... she's about to go back to school. Well, things just got a little more interesting. The Supernatural Academy is where shifters, vampires, magic users, and fey are educated. Where they are taught about their abilities, and how to function in the human world. Maddison already has the human part down, but this supernatural thing is an entirely new dangerous game. Example one: mean girls who can actually turn you into a frog. Example two: Asher Locke, a god at the Academy. Not literally ... well, who knows for sure. He certainly acts the part, as do all of his minions who worship him. Asher drives her crazy, because apparently gorgeous and arrogant is her thing. Sparks fly between them, and the more they're thrown together, the more Asher is determined to figure out what's been blocking her abilities. Until the moment the truth is revealed, and they find out nothing in this supernatural world is what they thought. Including each other. And without soul. He lost his true mate in the great battle against the dragon king, and now must face life alone. And yet ... something is happening to his agony. It's fading away, leaving him with barely a memory of the female he believed to be his one and only. As his mind clears he starts to wonder if the mate bond had been nothing more than a manufactured ploy? This suspicion explodes within him right around the time he runs back into a certain wolf shifter. Mischa Lebron is a complication he doesn't need in his life. He can't erase her from his mind though, and while memories of his supposed true mate continue to fade into mere shadows, his one night with Mischa is blazingly strong. But they're not of the same supernatural race, so there's no way for a true bond to exist between them. Right? When an old threat rips apart their pack, Maximus will come to realize that he would do anything to save Mischa. That the mate he thought was perfect and precious was nothing on the shifter he walked away from. Now Maximus truly has everything to lose. Note from author: Broken Compass is a spinoff set within the Supernatural Prison World. Told in dual POVs from Maximus Compass and Mischa Lebron. This is full length and standalone with a HEA. You do not need to read the Supernatural Prison trilogy first.

Supernatural Inmate Oct 16 2021 After pissing off the head of the supernatural lab, failing at befriending my fellow inmates, and pitching a temper tantrum in the underground cafeteria, it was only a matter of time before I had to do something about this whole captivity thing. For me, Cassandra Thorn, being born as a human, raised by an elite group of supernaturals, and struggling to reach my twentieth birthday was far more fun than this. Then again, anything would be. In this case, "this" refers to being taken against my will--kidnapped--and trapped in an underground lab for supernatural shifters. Pretty ridiculous, considering I was a mere mortal. Or so I was told. Turns out there are a lot of things I was told, not all of them true. Now a family secret has been revealed and destiny is just waiting for me to fulfill it...but I was stuck in Prison Boringville with a bunch of not-so-friendly detainees. Being a supernatural inmate isn't my style, so with the very new powers bestowed upon me, I was getting my booty out of this hellhole. Unless Adonis the sexy incubus, Dominick the deadly fae master, Otis the death-seeking vampire, and Tristan the sly shapeshifter bust me out first. **Supernatural Inmate** is the first book in the **Supernatural Captivity** series, a **Paranormal Prison Romance**.

Not only are they powerful and hella useful in a fight, but most of the time they're also semi-entertaining too.
