Iconic Advantage Oct 23 2019 Modern business gurus all cry for the need to innovate, to disrupt, and to act like a startup. It's hard to argue with that kind of thinking. It's sexy and exciting. But it's wrong. Too many businesses become enamored by shiny new objects and end up overlooking the value locked away in their existing products. Maybe your business is one of them. Iconic Advantage® is a different approach that allows companies to leverage what they already have to create lasting differentiation and deeper relationships with their customers. It generates disproportionate levels of profit and protects you against market fluctuations. Many of the world's most successful brands have been using it for years. Now, you can benefit from reaching iconic status, whether you're a Fortune 500, local pizza parlor, or an aspiring Unicorn startup. "Soon has an uncanny ability to take mysteries and turn them into heuristics. He's done it on innovation and design, and now with Iconic Advantage."—Roger Martin, author of *Playing to Win* and Former Dean of the Rotman School of Business "This book explains why some brands are built to last and others seem doomed to perish. It's a framework that every marketer can put into play right away."—Adam Grant, New York Times bestselling author of *Give and Take*, *Originals*, and *Option B* with Sheryl Sandberg

VW GTI, Golf, Jetta, MK III & IV Jan 06 2021 Volkswagen's GTI, Golf, and Jetta are long-time favorites among sport-compact performance enthusiasts. VW Golf Mar 08 2021 This pictorial history features photographs of the Volkswagen Golf. It looks at the Golf's conception, its continuous development and long career and the author describes how the Golf became an extraordinary success. The author recalls the first Golfs of the early 1970s, the Golf GTI that created a trend in hot hatchbacks, and looks at how the Gold attracted success and enthusiasm. Meredith also looks at the economical, powerful, and well made design of the vehicle. It should be a good introduction for Golf enthusiasts everywhere.

Volkswagen Golf GTI Sep 26 2022 The V W Golf was planned to be a worthy successor to the venerable Beetle, a move that required dynamic thinking and a clean drawing board if Volkswagen was to continue to hold its position as one of the top automobile manufacturers. Where the Golf differed from the crowd was its distinctive body design. For here was the world's first hatchback. When Volkswagen launched the Golf GTI, over thirty years ago, it could hardly have known the impact its compact and sporty model would have on the car-buying public. Through an uncertain birth to its class-topping iconic status of today, rarely does a new model of car make a whole new market segment for itself but the Golf was the original hot hatch, a car that others would copy but seldom equal.

The Volkswagen Golf Story Dec 17 2021

Improbable Rendezvous Sep 21 2019 While war historians may disagree over whether Japan had plans to invade Australia in WW2, all will agree three Japanese midget submarines came into Sydney Harbour with serious intent in 1942. But little has surfaced (until now) of a fourth midget submarine and the story of survival of one of the Japanese crew. Alone and adrift, the youthful survivor was hauled aboard a coastal steamer only to be dumped on remote Lord Howe Island with another unwelcome passenger. The two survived in the wild for a while before an island woman came on the scene. Denied the pleasures of the island paradise, the Japanese submariner was inhumanely interned until an amorous liaison secured his passage to freedom. In 2006, 64 years later, bestselling Japanese novelist Hiraku Makimura lands in Sydney to speak at a writers' seminar. From the moment a young woman steps into his hotel room he is on an emotional rollercoaster, while driving a Subaru around Sydney turns into a fatal nightmare. The hotel receptionist is an added distraction, until a woman with her own agenda takes Makimura in hand, leading him surreally to an improbable rendezvous with the submerged past—an encounter that rocks him to the core of his being.
