The Outcast Aug 28 2019 SYDLYNN HAYLE IS BACK in an all-new series! Enters the Phoenix A burst of fire blazed in the corner of my eye, jerking me around toward the back door. I barely remembered moving, feet flying over the hardwood, hands slamming against the glass and throwing it open, hurtling out into the dew-wet grass. Fire climbed from a curled up ball of humanity, near the edge of the hedge row leading to the park on the other side of our property. I staggered to a halt, power reflexively tightening around me, ready to attack, when the figure unbent, half sitting, half lying on the ground, her face turned up toward me. "RUN!" Her scream pierced me to my soul, froze my magic in place before it could harm her. Flames burned her, devoured her, dark hair and eyes on fire, but she managed to stagger to her feet, eyes pure gold as she gestured toward me. "Sydlynn Hayle, if you love your family, run and don't look back!" Things have never been better for Sydlynn Hayle and her family, living out their lives in Wilding Springs, Pennsylvania. Her battles and struggles have come to a halt, her two young children happy and well-adjusted, marriage to her beloved Quaid all she could ever ask for. But when a woman of flame appears to her and warns her of impending danger, Syd understands at last the quiet she's enjoyed has all been a smoke screen, hiding the truth. Her old enemies have returned to destroy her and everything her family has fought for, with repercussions that could threaten the very Universe. So much for happily ever after.

The Planeless Aug 01 2022 (Young adult paranormal fantasy with demons and witches) Sibling Rivalry I loved my sister with all my heart, but there were times like these when I hated her, too. I tried very hard not to allow the reality of being Syd's little sister weigh on me, but it was so difficult when my entire life was about scrutiny, either from those who couldn't wait for me to screw up, or from my family who watched with barely-concealed concern. Everyone waited for me to crack under the pressure. The next person who compared anything I accomplished to what Syd would have done was going to perish in flame and agony. Meira might sit on First Seat, but her initial four years as Ruler haven't been as easy as she thought they'd be. Thanks to her father's new policies, Meira's power has been diverted away from Ruler and into the hands of her Second Seat and grandfather, Henemordonin, as well as the greedy and grasping court of Demonicon. Struggling to regain control while being constantly bullied and tormented, Meira faces a fresh concern—a cult of mysterious demons has risen in the outer planes, preaching love and peace, finding followers where no religion has ever succeeded before. Ruby, though, has enough problems of her own. Shadowy figures from her old life are getting close. Way too close. Can Ruby really pay detective and take on someone else's problems? Who is this woman, anyway? And what isn't she telling her? Ruby can't keep away from a bad decision. And this time, it looks like, there won't be any exception.... Welcome to the Bahamian world of Ruby Steele, replete with her local dive bar, her wily pet monkey, her major drinking problem, her (way) too many fights, her inability to get herself out of trouble, and her fists made of stone. Unseelie Ties Jan 02 2020 (New adult paranormal fantasy with witches, vampires, demons and fairies) An Unwelcome Guest This had to be very bad or Mom wouldn't be soft shoeing her way around me. “Mom,” I said. “I’m sorry, Syd,” she said. “I’m under a great deal of pressure to accept him.” Her eyes pleaded with me. “Don't freak out. Promise me.” “No promises,” I said, whole body tense, Charlotte's too, from the grip I still had on her hand. Mom turned and headed for her office, gesturing for me to join her. “It's a complicated and delicate situation,” she said, lowering her voice as her hand settled on the doorknob. “Do you understand?” I sighed, forcing myself to relax before nodding. “Okay fine,” I whispered as I crowded behind her, not sure I wanted to uncover her mystery guest or not. “No freaking out. But I might swear.” Second year of witch college has been a little boring for Syd so far. She suddenly wishes she could go back to her boredom when the Unseelie Lord Venemeth appears, a guest lecturer at Harvard. Despite all her warnings to her mother and the board of governors about him, Venner is given free rein. But what his handlers don't understand is he's not working alone—and his partner has her own plans for the Sidhe realm that have nothing to do with him going home... Bed and Breakfast and Murder Dec 25 2021 A Poo Poo Kind of Morning I tried not to look down the mouth of hell staring back at me from inside the glaringly pristine outer ceramic shell of the white throne, my throat catching, stomach doing half flips and a rather impressive rollover routine that would have gotten at least a 9.5 even from the Russian judges. Instead, I forced myself to smile and swallow and remind myself the elbow length yellow rubber gloves grasping the handle of the standard issue plunger were all that stood between me and Poogeddon. Suck it up, Fee. Big girl panties and adulting and all that. "At what point," I waved the dripping plunger, wincing as droplets of yuck flew, "did I think owning a bed and breakfast was going to be glamorous and romantic?" Fiona Fleming hasn't lived in Reading, Vermont in over a decade, her escape from small town living leading her to New York City and a life of adventure. An adventure that has left her with no career, an ex who cheated on her and zero plans for the future. Her grandmother's death grants her a new chance—inheriting Petunia's, Iris Fleming's bed and breakfast, seems like the ideal fresh start. But when Fee finds out ownership of the property Iris willed her might be in question, she's drawn into the seedy underbelly of the cutest town in America after being singled out as the main suspect in a murder.

Family Magic May 30 2022 Her mom's a witch. Her dad's a demon. And she just wants to be ordinary. I batted at the curl of smoke drifting off the tip of my candle and tried not to sneeze. My heavy velvet cloak fell in oppressive, suffocating folds in the closed space of the ceremony chamber, the cowl trapping the annoying bits of puff I missed. I hated the way my eyes burned and teared, an almost constant distraction. Not that I didn't welcome the distraction, to be honest. Anything to take my mind from what went on around me. Being part of a demon raising is way less exciting than it sounds. Sydlynn Hayle's life couldn't be more complicated. Trying to please her coven, starting over in a new town, and fending off a bully cheerleader who hates her are just the beginning of her troubles. What to do when delicious football hero Brad Peters--boyfriend of her cheer nemesis--shows interest? If only the darkly yummy witch, Quaid Moromond, didn't make it so difficult for her to focus on fitting in with the normal kids. Add to that her crazy grandmother's constant escapes driving her family to the brink and Syd's between a rock and a coven site. Forced to take on power she doesn't want to protect a coven who blames her for everything, only she can save her family's magic. If her family's distrust doesn't destroy her first. Lychos Jul 20 2021 (New adult paranormal fantasy with witches, vampires, werewolves) Seeking Syd This was a bad idea. Syd's not here. And I won't put the rest of the family at risk without her around to protect them. The back door opens, the motion-sensitive light coming on. I duck quickly to the side, hiding in the shadows with Sage shaking beside me, while a dark figure steps out into the yard. She looks worried, one hand clutching the door, the other clenched at her side. Dark, straight hair shivers around her as she takes another half-step onto the patio stones, the light reflecting from her dusky skin. "Charlotte?" Sashenka Hensley's whisper carries into the night, backed by a thread of power, seeking me. She's dressed for bed, feet bare, but she looks wide awake. "Charlotte, is that you?" Sage has completed his transformation, but their troubles aren't over yet. While trying to convince the powers that be he is no threat to the weneration, Charlotte must face her past head on and survive to reinvent herself, all while saving her grandfather from the clutches of a power-hungry sorcerer and the werewolf who would be king. Dead Even Jun 30 2022 (A Free Paranormal Cozy Murder Mystery Book/Series featuring Witches and Dogs) Come to Whitewitch Island, they said. A nice place to retire, they said... Who knew I owned so much stuff? Or that it would take up all this space in so many boxes I could barely navigate the rather substantial living room. Gathering things appeared to be one of my vices, though I hadn't noticed when I'd packed up my old place on the East coast for this journey to the West and a new beginning. Especially since I'd done so in a hurry and more than a little magic aided in the actual stuffing of my plethora of belongings into their temporary containment. I'd told myself I wasn't running away, almost believed it. Except, the clifftop Pacific Ocean view had been so crammed with cardboard and the detritus of my last life I could barely glimpse the water. Surely such blockage wasn't an omen. More likely, I had to admit my rapid retreat from who I used to be really had been a bit of a scramble out of the way of everything I knew and my concerns about foretelling was just another excuse to avoid the truth. I ran. So be it. Retired Guild Artemis Inquisitor Georgia Drake has left the paranormal world behind after the death of her partner in the line of duty. Along with her job investigating crime and murder. With her Hades Guardian mastiff, Benjamin, and raven pair for company, she moves her entire life across the continent to escape not only the loss but her oppressive and powerful family. But someone like George isn't meant for a nice, quiet retreat to the normal human world. The biggest problem? Crime and murder aren't through with her. When a local is killed by unusual means, she is recruited by the eager but untested sheriff to assist in uncovering the truth. Except, doing so means digging up the past that most residents of Whitewitch Island would rather forget... Welcome to the Whitewitch Island Paranormal Cozies! Edge of Magic Aug 09 2020 My name is Tara Knightley, and I'm on the Fae mafia's hit list. My childhood crush just rode back into town, too, and that may spell even bigger trouble... My talent for sensing magical objects has made me a damn good professional thief for the past decade. But it's also what got me into a blood oath with notorious Fae mob boss Grant Shaw. My relationship with Shaw is rapidly souring, and I need to break free before it turns deadly. The solution? I must steal a magic skull from Shaw's biggest rival and deliver it to him, and then he'll nullify our blood oath. Just as I'm set to go after the skull, my childhood best friend and crush, wolf shifter Judah McMahon, shows up asking for help. It's been ten years since the falling out that ended our friendship, and I know I shouldn't get involved. But Judah's life is threatened. How can I say no? The catch is, helping Judah will cost me the chance at freedom from Shaw... and possibly my life. Edge of Magic by Jayne Faith is perfect for fans of Kim Harrison, Kevin Hearne, Seanan McGuire, Patricia Briggs, Keri Arthur, Ella Summers, and Shannon Mayer.
