[It Ends with Us](#) Sep 28 2022 In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help

but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Stepbrother Bastard Nov 18 2021 It started off as a dare...a harmless one-night-stand with a complete stranger. He was just another badboy I met in a bar, a harmless fling to start my summer vacation. One unbelievable night of sex, and I'd never have to see him again. But the next morning as I pull up to the lake house my mom has rented for the summer, I get the feeling my world is about to crumble...it was just supposed to be us girls-me, my two sisters, and Mom...but we're not alone...Apparently my mom's old high school sweetheart John owns the house, and he has three sons, all around the same age as me and my sisters. And they thought it would be a great idea to put us all together under the same roof for four weeks. We'll have to share bedroom walls, sit down for family dinners, and suffer through a million other forced, awkward, sexually confusing family activities I'm sure...And then I realize my mom's new boyfriend has a son a little older than me. I see him barreling toward me on a 4-wheeler, a lit cigarette between his lips, strangely familiar tattoos on his muscular forearms and chest...as he gets closer I'm filled with dread as I begin to realize who he is...but he isn't slowing down. The f*cking prick nearly runs into me. As he takes off his helmet I'm instantly filled with horror and an undeniable twinge of excitement between my legs. It's him. The man who took me last night, used me every which way, stretched me more than any man I've ever been with before...and now he's ignoring me, acting like he's never seen me before in his life. I have a feeling it's going to be a fun summer. This Contemporary New Adult Stepbrother Romance Novel is the first book in the three book Hawthorne Brothers series. The ending is HFN. The book contains harsh language, sexual content, and adult situations that may offend some readers.

The Perfect Neighbors Jun 20 2019 The New York Times bestselling coauthor of the “creepy-crawly tale” (The New York Times Book Review) *An Anonymous Girl* and *The Wife Between Us* questions just how well we really know our neighbors in this “deliciously fun beach read” (People) about an idyllic neighborhood whose sublime façade hides shocking secrets. Newport Cove, where spontaneous block parties occur on summer nights and all of the streets are named for flowers, is proud of being one of the safest neighborhoods in America. It’s also one of the most secret-filled. After a decade as a stay-at-home mom, Kellie Scott is back to work in an office. She’s adjusting to high heels, scrambling to cook dinner for her family, and—following years of feeling invisible—soaking in the dangerous attention of a handsome colleague. Kellie’s neighbor Susan Barrett begins every day with fresh resolutions: She won’t eat any carbs, she’ll go to bed at a reasonable hour, and she’ll stop stalking her ex-husband and his new girlfriend. Gigi Kennedy’s husband is running for political office, which means her old skeletons, ones she wants to keep hidden at any cost, are in danger of being dragged into the light. Then a new family moves into this peaceful cul-de-sac. Tessa Campbell seems pleasant enough, if a bit quiet. But soon it becomes clear that Tessa is hiding the most explosive secret of all—one with deadly consequences. Written in Sarah Pekkanen’s signature “gripping” (People) style, *The Perfect Neighbors* “transforms clichéd suburban troubles—from adolescent drama to infidelity—into a compelling, suspenseful tale” (Kirkus Reviews).

Colleen Moore Apr 30 2020 Colleen Moore (1899–1988) was one of the most popular and beloved stars of the American silent screen. Remembered primarily as a comedienne in such films as *Ella Cinders* (1926) and *Orchids and Ermine* (1927), Moore’s career was also filled with dramatic roles that often reflected societal trends. A trailblazing performer, her legacy was somewhat overshadowed by the female stars that followed her, notably Louise Brooks and Clara Bow. An in-depth examination of Moore’s early life and film career, the book reveals the ways in which her family and the times in which she lived influenced the roles she chose. Included are forewords written by film historian Joseph Yranski, a friend of the actress, and by Moore’s stepdaughter, Judith Hargrave Coleman.

It Starts with Us Apr 23 2022 Before *It Ends with Us*, it started with *Atlas*. Colleen Hoover tells fan favorite *Atlas*’s side of the story and shares what comes next in this long-anticipated sequel to the “glorious and touching” (USA TODAY) #1 New York Times bestseller *It Ends with Us*. Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, *Atlas*, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when *Atlas* asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life—and *Atlas Corrigan* is the one man he will hate being in his ex-wife and daughter’s life. Switching between the perspectives of Lily and *Atlas*, *It Starts with Us* picks up right where the epilogue for the “gripping, pulse-pounding” (Sarah Pekkanen, author of *Perfect Neighbors*) bestselling phenomenon *It Ends with Us* left off. Revealing more about *Atlas*’s past and following Lily as she embraces a second chance at true love while navigating a jealous ex-husband, it proves that “no one delivers an emotional read like Colleen Hoover” (Anna Todd, New York Times bestselling author).

Stepbrother Untouchable Jul 14 2021 Calling *Nate Thornhill* a rich, cocky, arrogant asshole would be an understatement. He also happens to be stunningly handsome, popular, intelligent, and captain of both the Crew and Lacrosse teams at UVA. I hate him for thinking he’s untouchable—not because he’s a narcissistic, privileged, borderline-misogynistic heartbreaker—but because he’s right. His first words to me were at a Crew House party, and he invited me to have a threesome with him and a random girl. I could’ve died from the embarrassment, he didn’t even know my name at the time, and he didn’t care to. After that night, I promised myself to never waste another second thinking about *Nate Thornhill*. My world becomes a nightmare when I realize my mom’s new husband *Pierce* has a son who’s my age...and he’s a junior at UVA too. I can’t believe my eyes when *Nate* walks over and sits down next to us at dinner, introducing himself like he’s never seen me before in his life. Then I feel his hand on my thigh, underneath the tablecloth with our parents sitting across from us, inching closer and closer to my panties. My mind goes fuzzy, my heart starts racing, and my body does exactly what I don’t want it to do. And then they hit me with the worst news of all...*Pierce* has an internship lined up for me at his firm, and we’re going to live at his Eastern Shore mansion for the summer. I’ll be sleeping down the hall from my new stepbrother...arguing with him at every breakfast, sitting across from him at every dinner, watching as he brings an endless string of girls back to his room...secretly wishing I was one of them. *Stepbrother Untouchable* is a Stand-alone novel. It contains adult themes, harsh language, and graphic sexual content.
