It was a pure joy for me and held my hand - SADIE FROST Interesting and joyful. Lights a path that could help us to build resilience against society's urging to compare life milestones with peers - LANCET PSYCHIATRY Underwhelmed by your ordinary existence? Disillusioned with your middlin' wage, average body, 'bijou' living situation and imperfect loved ones? Welcome to the club. There are billions of us. The 'default disenchanting'. But, it's not us being brats. Two deeply inconvenient psychological phenomenons conspire against our satisfaction. We have negatively-biased brains, which zoom like doom-drones in on what's wrong with our day, rather than what's right. (Back in the mists of time, this negative bias saved our skins, but now it just makes us anxious). Also, something called the 'hedonic treadmill' means we eternally quest for better, faster, more, like someone stuck on a dystopian, never-ending treadmill. Thankfully, there are scientifically-proven ways in which we can train our brains to be more positive-seeking. And to take a rest from this tireless pursuit. Whew. Catherine Gray knits together illuminating science and hilarious storytelling, unveiling captivating research showing that big bucks don't mean big happiness, extraordinary experiences have a 'comedown' and budget weddings predict a lower chance of divorce. She reminds us what an average body actually is, reveals that exercising for weight loss means we do less exercise, and explores the modern tendency to not just try to keep up with the Murphys, but keep up with the Mega-Murphies (see: the social media elite). Come on in to this soulful and life-affirming read, to discover why an ordinary life may well be the most satisfying one of all. PRAISE FOR CATHERINE GRAY'S WRITING: "Uplifting and inspiring" - The Evening Standard "Not remotely preachy" - The Times "Jaunty, shrewd and convincing" - The Telegraph "Admirably honest, light, bubbly and remarkably rarely annoying" - The Guardian "An empathetic, warm and hilarious tale from a hugely likeable human" - The Lancet Psychiatry

Taste and See Nov 07 2020 Embark on a global adventure to descend into a salt mine, knead bread, harvest olives, and pluck fresh figs. What you discover will forever change the way you read the Bible—and approach every meal. Also includes delicious recipes. One of America's most beloved teachers and writers, Margaret Feinberg, goes on a remarkable journey to unearth God's perspective on food. She writes that since the opening of creation, God, the Master Chef, seeds the world with pomegranates and passionfruit, beans and greens and tangerines. When the Israelites wander in the desert for forty years, God, the Pastry Chef, delivers the sweet bread of heaven. After arriving in the Promised Land, God reveals himself as Barbecue Master, delighting in meat sacrifices. Like his Foodie Father, Jesus throws the disciples an unforgettable two-course farewell supper to be repeated until his return. This groundbreaking book provides a culinary exploration of Scripture. You'll descend 400 feet below ground into the frosty white caverns of a salt mine, fish on the Sea of Galilee, bake fresh matzo at Yale University, ferry to a remote island in Croatia to harvest olives, spend time with a Texas butcher known as "the meat apostle," and wander a California farm with one of the world's premier fig farmers. With each visit, Margaret asks, "How do you read these Scriptures, not as theologians, but in light of what you do every day?" Their answers will forever change the way you read the Bible—and approach every meal. Taste and See is a delicious read that includes dozens of recipes for those who, like Margaret, believe some of life's richest moments are spent savoring a meal with those you love. Perhaps God's foodie focus is meant to do more than satisfy our bellies. It's meant to heal our souls, as we learn to taste and see the goodness of God together. After all, food is God's love made edible. See you around the table!

Scouting the Divine May 14 2021 Beloved Bible teacher Margaret Feinberg invites you on a remarkable spiritual adventure to live more courageous and free. The Bible is full of clever plots and compelling stories, laced with historic insights and literary beauty. But despite its richness and depth, many of us struggle to close the gap between the ancient world and our own. What does it mean to know that Jesus is the Good Shepherd when the only place you've encountered sheep is at a petting zoo? How can you understand the promise of a land overflowing with honey when you buy yours in a bear-shaped bottle? Can you grasp the urgency of Jesus' invitation to abide in the vine when you shop for grapes at a local grocery store? Margaret invites you to accompany her on the adventure of a lifetime - across the nation to herd sheep in Oregon, harvest fields with a Nebraska farmer, prune vines in California, and explore hives with a veteran beekeeper in Colorado. Along the way, you'll explore how ancient livelihoods illuminate meaningful truths that apply to life today. "I asked one question to each person, 'How do you read the Scriptures in light of what you do every day?'" she writes. "Their answers changed the way I read the Bible forever." With her trademark humor and vulnerability, you'll learn the secret of how to live like you have a shepherd, unlock the sweetest promises of God, and discover the gift of divine timing. You'll move from simply reading Scripture to entering stories that can be touched and tasted, smelled and savored. *Scouting the Divine* will revolutionize the way you understand the Bible - and leave you wonderstruck by the magnificence of God.

The Joy of Missing Out Mar 31 2020 This book is two things. It's an eye-opener to the fact that we don't have to do a million things to be productive (or successful). And it's a coach that helps us trim the fat, get real with our purpose, and start living more intentionally. Goop Dalton helps readers by teaching us to focus on the most important things and create our own operating systems that are exclusive to our lives as individuals. By doing this, we can simplify and make life even better- San Francisco Book Review Dalton's ground-up approach to productivity teaches readers to identify their real priorities and, in doing so, cut their massive to-do lists down to size by learning to say no to the tasks that pull them away from their North Star-Grateful Overwhelmed. Do you wake up in the morning already feeling behind? Does the pressure of keeping it all together make you feel anxious and irritable? Tanya Dalton, CEO and productivity expert, offers you a liberating shift in perspective: feeling overwhelmed isn't the result of having too much to do -- it's from not knowing where to start. Doing less might seem counterintuitive, but doing less is more productive, because you're concentrating on the work you actually want to be doing. Through this book, you can learn how to: Identify what is important to you and clarify your priorities. Develop ways to streamline your specific workflow. Discover your purpose. Named Top 10 Business Book of the Year by Fortune magazine, *The Joy of Missing Out* is chock-full of resources and printables. This is a legitimate action plan for change. Once you reject the pressure to do more, something amazing happens: you discover you can finally live a guilt-free, abundant life.

The Book of Joy Jul 16 2021 NATIONAL BESTSELLER Two great spiritual masters share their own hard-won wisdom about living with joy even in the face of adversity. The occasion was a big birthday. And it inspired two close friends to get together for a talk about something very important to them. The friends were His Holiness the Dalai Lama and Archbishop Desmond Tutu. The subject was joy. Both winners of the Nobel Prize, both great spiritual masters and moral leaders of our time, they are also known for being among the most infectiously happy people on the planet, despite having experienced great personal and national suffering. From the beginning the book was envisioned as a three-layer birthday cake, the first being their personal stories and teachings about joy. Both the Dalai Lama and Tutu have been tested by extraordinary adversity, oppression, and conflict. The second layer consists of the exciting research into joy as well as the other qualities essential for any enduring happiness, like gratitude, humility, humour, compassion, generosity, and forgiveness. And the third encompasses practical exercises and guidance based on the Dalai Lama's and Tutu's own daily practices, which anchor their emotional and spiritual lives. Most of all, during that landmark week in Dharamsala, they demonstrated by their own exuberance, compassion, and even wise-cracking humour, how joy can be transformed from a fleeting emotion into an enduring way of being.

Good Enough Jun 26 2022 Have you ever felt average? That you're not special or extraordinary, just . . . normal? And that chances are society's obsession with always being the best and smashing life is setting us up for failure? Years of striving and pushing to be better than everyone else are breaking us. Fear of disappointment and our pursuit of someone else's definition of success tell us we're not enough. They tell us to work late, then work hard in the gym, overcommit, then post about #selfcare on our painstakingly curated social media feeds. They tell us to push ourselves until we break, all to prove our worth, to show we deserve our place. But are we tolerating the lows to reach the fleeting highs, and are we missing all the good stuff along the way? Why are we programmed to live like this, and is it society that needs to change, not us? One thing's for sure - it's better to be average and happy than exceptional and miserable. We're all good enough, just as we are.

She Reads Truth Jul 24 2019 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Deepening Community Jun 02 2020 Community shapes our identity, quenches our thirst for belonging, and bolsters our physical, mental, emotional, and economic health. But in the chaos of modern life, community ties have become unraveled, leaving many feeling afraid or alone in the crowd, grasping at shallow substitutes for true community. In this thoughtful and moving book, Paul Born describes the four pillars of deep community: sharing our stories, taking the time to enjoy one another, taking care of one another, and working together for a better world. To show the role each of these plays, he shares his own stories—as a child of refugees and as a longtime community activist. It's up to us to create community. Born shows that the opportunity is right in front of us if we have the courage and conviction to pursue it.

Defiant Joy Oct 07 2020 Bestselling author Stasi Eldredge shows us how to choose a joy that stands against the tides of life's real and often overwhelming pain. Defiant Joy will help you... get off the emotional roller coaster and experience daily joy; learn how to have a posture of holy defiance when circumstances threaten to weigh down your soul; and find new perspectives on painful circumstances and see how God sometimes interferes with your life to heal and transform you. We are called to live. And, miraculously, to live with joy. We all spend a lot of energy reaching for happiness, but we are never quite able to hang on to it. Real life happens, and our circumstances take us on an emotional rollercoaster ride. So the Bible's call to "be joyful always" sounds almost crazy—and out of reach. But it doesn't have to be. Joy is meant to be ours, a joy that is defiant in the face of this broken world. This joy is not simply happiness on steroids; it's the unyielding belief that sorrow and loss do not have the final say. It's the stubborn determination to be present to whatever may come and to interpret both goodness and grief by the light of heaven. In *Defiant Joy*, Stasi Eldredge invites us with courage, candor, and tender vulnerability to a place beyond sadness or happiness. She shows us how to maintain a posture of holy defiance that neither denies nor diminishes our pain but dares to live with expectant, unwavering hope.

Evaluating Employee Performance through Christian Virtues Apr 12 2021 In this book the authors create a statistically validated scale measuring the display of each of the nine fruit of the spirit in employees. The authors will discuss how biblical values are applicable to contemporary organizational leadership and management. These nine virtues span a wide breadth of important personal and organizational attributes including benevolence, affection, gladness, relational harmony, tranquility, perseverance, helpfulness, caring for the welfare of others, adherence to the beliefs and value of others, power used soberly, and mastering one's desires. While diverse in nature, the list also suggests a holistic development of personal and organizational character. Understanding the manner in which these traits can be measured will be a significant benefit to HRM and HRD scholars conducting research in Christian servant leadership.

The worst managers undermine inner work life, often unwittingly. As Teresa Amabile and Steven Kramer explain in *The Progress Principle*, seemingly mundane workday events can make or break employees' inner work lives. But it's forward momentum in meaningful work—progress—that creates the best inner work lives. Through rigorous analysis of nearly 12,000 diary entries provided by 238 employees in 7 companies, the authors explain how managers can foster progress and enhance inner work life every day. The book shows how to remove obstacles to progress, including meaningless tasks and toxic relationships. It also explains how to activate two forces that enable progress: (1) catalysts—events that directly facilitate project work, such as clear goals and autonomy—and (2) nourishers—interpersonal events that uplift workers, including encouragement and demonstrations of respect and collegiality. Brimming with honest examples from the companies studied, *The Progress Principle* equips aspiring and seasoned leaders alike with the insights they need to maximize their people's performance.

The Dawning of Indestructible Joy Oct 26 2019 Advent is for adoring Jesus. The Christmas season is one of the busiest times of year. But it's also a season of reflection and preparation for that special day when we mark Immanuel's coming—the arrival of our eternal God in our own frail humanity. This is the greatest of history's many wonders, something too stupendous to celebrate just on one day. Advent is a way of lengthening and intensifying the joy of Christmas. These 25 brief devotional readings from John Piper begin on December 1 and carry us to Christmas Day. Our hope is that God would use these meditations to deepen and sweeten your adoration of Jesus and help you keep him at the center of your Christmas season.
