Bad Lawyer Jan 20 2022 Law school was never Anna Dorn's dream. It was a profession pushed on her by her parents, teachers, society... whatever. It's not the worst thing that can happen to a person; as Dorn says, law school was pretty "cushy" and mostly entailed wearing leggings every day to her classes at Berkeley and playing beer pong with her friends at night. The hardest part was imagining what it would be like to actually be a lawyer one day. But then she'd think of Glenn Close on *Damages* and Reese Witherspoon in *Legally Blonde*, and hoped for the best. After graduation,

however, Dorn realized that there was nothing sexy about being a lawyer. Between the unflattering suits, sucking up to old men, and spending her days sequestered in a soul-sucking cubicle, Dorn quickly learned that being a lawyer wasn't everything Hollywood made it out to be. Oh, and she sucked at it. Not because she wasn't smart enough, but because she couldn't get herself to care enough to play by the rules. *Bad Lawyer* is more than just a memoir of Dorn's experiences as a less-than-stellar lawyer; it's about the less-than-stellar legal reality that exists for all of us in this country, hidden just out of sight. It's about prosecutors lying and filing inane briefs that lack any semblance of logic or reason; it's about defense attorneys sworn to secrecy-until the drinks come out and the stories start flying; and it's about judges who drink in their chambers, sexually harass the younger clerks, and shop on eBay instead of listening to homicide testimony. More than anything, this book aims to counteract the fetishization of the law as a universe based entirely on logic and reason. Exposing everything from law school to law in the media, and drawing on Dorn's personal experiences as well as her journalistic research, *Bad Lawyer* ultimately provides us with a fresh perspective on our justice system and the people in it, and gives young lawyers advice going forward into the 21st century.

Anna, Countess of the Covenant Sep 23 2019 Lady Anna Mackenzie, daughter of Lord Seaforth, was born in 1621. Famed for her beauty, she married the Earl of Balcarres when she was nineteen, but her happy life at Balcarres Castle in Fife was shattered by the Civil War. Following the death of Charles I, Balcarres raised an army to fight for Charles II. Defeated by Cromwell he fled with his wife to Holland where, reduced to great poverty, Anna 'the angel of the exiled court' became a governess to Prince William of Orange, later William III. Balcarres died tragically in his wife's arms. Returning to Scotland to struggle with financial and familial difficulties – as her correspondence reveals – she managed to save the family estates from bankruptcy for her surviving son, before she married Archibald, 9th Earl of Argyll. Too soon tranquillity vanished again as Argyll conspired with Monmouth to overthrow James VII. Upon his capture he was beheaded. Countess Anna, imprisoned, was spared execution. She survived to remain as the mainstay of her family until her death at the age of eighty-five in 1707. *Anna, Countess of the Covenant* is an extraordinary account of an extraordinary woman in one of the most fascinating periods in Scottish, British and European history.

Made in China May 24 2022 Editors' Choice, The New York Times Book Review "The immigrant child longs to be understood and unload her truths, while simultaneously being tasked with preserving her parents' humanity. . . Qu. . . honor[s] these complexities." —Chanel Miller, The New York Times Book Review A young girl forced to work in a Queens sweatshop calls child services on her mother in this powerful debut memoir about labor and self-worth that traces a Chinese immigrant's journey to an American future. As a teen, Anna Qu is sent by her mother to work in her family's garment factory in Queens. At home, she is treated as a maid and suffers punishment for doing her homework at night. Her mother wants to teach her a lesson:

she is Chinese, not American, and such is their tough path in their new country. But instead of acquiescing, Qu alerts the Office of Children and Family Services, an act with consequences that impact the rest of her life. Nearly twenty years later, estranged from her mother and working at a Manhattan start-up, Qu requests her OCFS report. When it arrives, key details are wrong. Faced with this false narrative, and on the brink of losing her job as the once-shiny start-up collapses, Qu looks once more at her life's truths, from abandonment to an abusive family to seeking dignity and meaning in work. Traveling from Wenzhou to Xi'an to New York, *Made in China* is a fierce memoir unafraid to ask thorny questions about trauma and survival in immigrant families, the meaning of work, and the costs of immigration.

Becoming Anna Sep 16 2021 An emotionally abused sixteen-year-old recounts her painful childhood memories, her time spent in mental institutions, and her eventual recovery with a new family and a new voice

My Friend Anna Jan 08 2021 NEW YORK TIMES BESTSELLER? ONE OF TIME'S 100 BEST BOOKS OF THE YEAR Sex and the City meets *Bad Blood* and *Catch Me if You Can* in the astonishing true story of Anna Delvey, a young con artist posing as an heiress in New York City—as told by the former *Vanity Fair* photo editor who got seduced by her friendship and then scammed out of more than \$62,000. Rachel DeLoache Williams's new friend Anna Delvey, a self-proclaimed German heiress, was worldly and ambitious. She was also generous—picking up the tab for lavish dinners at Le Coucou, infrared sauna sessions at HigherDOSE, drinks at the 11 Howard Library bar, and regular workout sessions with a celebrity personal trainer. When Anna proposed an all-expenses-paid trip to Marrakech at the five-star La Mamounia hotel, Rachel jumped at the chance. But when Anna's credit cards mysteriously stopped working, the dream vacation quickly took a dark turn. Anna asked Rachel to begin fronting costs—first for flights, then meals and shopping, and, finally, for their \$7,500-per-night private villa. Before Rachel knew it, more than \$62,000 had been charged to her credit cards. Anna swore she would reimburse Rachel the moment they returned to New York. Back in Manhattan, the repayment never materialized, and a shocking pattern of deception emerged. Rachel learned that Anna had left a trail of deceit—and unpaid bills—wherever she'd been. Mortified, Rachel contacted the district attorney, and in a stunning turn of events, found herself helping to bring down one of the city's most notorious con artists. With breathless pacing and in-depth reporting from the person who experienced it firsthand, *My Friend Anna* is an unforgettable true story of “glamour, greed, lust for power” (*The New York Times*), and female friendship.

Able to Be Otherwise Sep 04 2020 A true story about love, grief, resiliency, faith, and transformation despite daunting odds. California wildfires burned more than 4.2 million acres in 2020—more than double the previous record. Approximately 500,000 people have died from an opioid-involved drug overdose since the opioid epidemic started over two decades ago. Millions of children live in food-insecure households, and tens of millions of American families live paycheck to paycheck. These startling statistics are interwoven and, for author Anna Lenaker, very personal. *Able to Be*

Otherwise is an intimate account of Lenaker's experiences and encounters with poverty, addiction, and climate change. In sharing her story, Lenaker inspires greater compassion and understanding towards the poor, those struggling with addiction, and the Earth. In *Able to Be Otherwise*, you'll encounter stories about: Living in a Mexican smuggling boss' mansion. Grieving over the loss of cherished places from California wildfires. Going from half-homeless to eventually attending Brown University. Readers will walk away with the conviction that a more gentle and compassionate world is on the horizon if only we act with the belief that change is possible-or, in other words, with the belief that things are able to be otherwise.

Rare Bird May 12 2021 NEW YORK TIMES BESTSELLER • “A masterpiece of hope, love, and the resilience and ferocity of the human spirit.”—Glennon Doyle Melton, from the foreword “Profound, tender, honest—and utterly unforgettable.”—Gretchen Rubin “I wish I had nothing to say on the matter of loss, but I do. Call Me Anna Jul 14 2021 *The Star*: The public saw her as a gifted child star: the youngest actor to win an Oscar for her role as Helen Keller in *The Miracle Worker* and the youngest actor to have a prime-time television series bearing her own name. *The Nightmare*: What the public did not see was Anna Marie Duke, a young girl whose life changed forever at age seven when tyrannical managers stripped her of nearly all that was familiar, beginning with her name. She was deprived of family and friends. Her every word was programmed, her every action monitored and criticized. She was fed liquor and prescription drugs, taught to lie to get work, and relentlessly drilled to win roles. *The Legend*: Out of this nightmare emerged Patty Duke, a show business legend still searching for the child, Anna. She won three Emmy Awards and divorced three husbands. A starring role in *Valley of the Dolls* nearly ruined her career. She was notorious for wild spending sprees, turbulent liaisons, and an uncontrollable temper. Until a long hidden illness was diagnosed, and her amazing recovery recovery began. *The Triumph*: *Call Me Anna* is an American success story that grew out of a bizarre and desperate struggle for survival. A harrowing, ultimately triumphant story told by Patty Duke herself—wife, mother, political activist, President of the Screen Actors Guild, and at last, a happy, fulfilled woman whose miracle is her own life.

Piano Lessons Feb 21 2022 In this remarkable memoir, Anna Goldsworthy recalls her

first steps towards a life in music, from childhood piano lessons with a local jazz muso to international success as a concert pianist. As she discovers passion and ambition, and confronts doubt and disappointment, she learns about much more than tone and technique. This is a story of the getting of wisdom, tender and bittersweet. With wit and affection, Goldsworthy captures the hopes and uncertainties of youth, the fear and exhilaration of performing, and the complex bonds between teacher and student. An unforgettable cast of characters joins her: her family; her friends and rivals; and her teacher, Mrs Sivan, who inspires and challenges her in equal measure, and who transforms what seems an impossible dream into something real and sustaining.

Girl in the Dark Mar 30 2020 One woman's unthinkable fate becomes a transcendent love story, offering an extraordinary perspective from which we can see light and the world anew. "Extraordinarily vivid.... [Lyndsey] has found new ways to look at the world, out of the darkness." —The Washington Post Even impossible lives endure.

Once, Anna Lyndsey had an ordinary life. She was young and ambitious and worked hard, she had just bought an apartment, she was falling in love. Then what began as a mild intolerance to certain kinds of artificial light developed into a severe sensitivity to all light. Now, at the worst times, Anna must spend months on end in a blacked-out room, where she loses herself in audiobooks and elaborate word games in an attempt to ward off despair. During periods of relative remission, she can venture out cautiously at dawn or dusk into a world that overwhelms her starved senses with its beauty.

Personal Days Oct 05 2020 In an unnamed New York-based company, the employees are getting restless as everything around them unravels. There's Pru, the former grad student turned spreadsheet drone; Laars, the hysteric whose work anxiety stalks him in his tooth-grinding dreams; and Jack II, who distributes unwanted backrubs—aka "jackrubs"—to his co-workers. On a Sunday, one of them is called at home. And the Firings begin. Rich with Orwellian doublespeak, filled with sabotage and romance, this astonishing literary debut is at once a comic delight and a narrative tour de force. It's a novel for anyone who has ever worked in an office and wondered: "Where does the time go? Where does the life go? And whose banana is in the fridge?" Praise for PERSONAL DAYS "Witty and appealing...Anyone who has ever groaned to hear 'impact' used as a verb will cheer as Park skewers the avatars of corporate speak, hellbent on debasing the language....Park has written what one of his characters calls 'a layoff narrative' for our times. As the economy continues its free fall, Park's book may serve as a handy guide for navigating unemployment and uncertainty. Does anyone who isn't a journalist think there can't be two books on the same subject at the same time? We need as many as we can get right now." —The New York Times Book Review "Never have the minutiae of office life been so lovingly cataloged and collated." —"Three First Novels that Just Might Last," —Time A "comic and creepy début...Park transforms the banal into the eerie, rendering ominous the familiar request "Does anyone want anything from the outside world?" —The New Yorker "The modern corporate office is to Ed Park's debut novel *Personal Days* what World War II was to Joseph Heller's *Catch-22*—a theater of absurdity and injustice so profound as to

defy all reason....Park may be in line to fill the shoes left by Kurt Vonnegut and other satirists par excellence."—Samantha Dunn, Los Angeles Times "In Personal Days Ed Park has crafted a sometimes funny, sometimes heartbreaking, but always adroit novel about office life...Sharp and lovely language." —Newsweek "A warm and winning fiction debut." — Publishers Weekly "I laughed until they put me in a mental hospital. But Personal Days is so much more than satire. Underneath Park's masterly portrait of wasted workaday lives is a pulsating heart, and an odd, buoyant hope." — Gary Shteyngart, author of Absurdistan "The funniest book I've read about the way we work now." —William Poundstone, author of Fortune's Formula "Ed Park joins Andy Warhol and Don DeLillo as a master of the deadpan vernacular." —Helen DeWitt, author of The Last Samurai

Risotto With Nettles Apr 11 2021 *As featured in a BBC documentary* Born in Milan, Anna del Conte grew up in Italy in a gentler time. When war came to Italy everything changed: her family had to abandon their apartment and the city for the countryside, where the peasants still ate well, but life was dangerous... As a teenager, Anna became used to throwing herself into a ditch as the strafing planes flew over, and was imprisoned, twice. Her story is informed and enlivened by the food and memories of her native land - from lemon granita to wartime risotto with nettles, from vitello tonnato to horsemeat roll, from pastas to porcini. Anna arrived in England in 1949 to a culinary wasteland. She married an Englishman and stayed on, and while bringing up her children, she wrote books which inspired a new generation of cooks. This is a memoir of a life seen through food - each chapter rounded off with mouthwatering recipes.

Bastards: A Memoir Apr 23 2022 "Searing . . . explores how identity forms love, and love, identity. Written in engrossing, intimate prose, it makes us rethink how blood's deep connections relate to the attachments of proximity."—Andrew Solomon, author of

Far from the Tree In the early 1980s, Mary Hall is a little girl growing up in poverty in Camden, New Jersey, with her older brother Jacob and parents who, in her words, were "great at making babies, but not so great at holding on to them." After her father leaves the family, she is raised among a commune of mothers in a low-income housing complex. Then, no longer able to care for the only daughter she has left at home, Mary's mother sends Mary away to Oklahoma to live with her maternal grandparents, who have also been raising her younger sister, Rebecca. When Mary is legally adopted by her grandparents, the result is a family story like no other. Because Mary was adopted by her grandparents, Mary's mother, Peggy, is legally her sister, while her brother, Jacob, is legally her nephew. Living in Oklahoma with her maternal grandfather, Mary gets a new name and a new life. But she's haunted by the past: by the baby girls she's sure will come looking for her someday, by the mother she left behind, by the father who left her. Mary is a college student when her sisters start to get back in touch. With each subsequent reunion, her family becomes closer to whole again. Moving, haunting, and at times wickedly funny, Bastards is about finding one's family and oneself.

Time on Rock Oct 25 2019 SHORTLISTED FOR THE WAINWRIGHT PRIZE FOR NATURE WRITING AND THE BOARDMAN TASKER AWARD FOR MOUNTAIN LITERATURE In *Time on Rock* Anna Fleming charts two parallel journeys: learning the craft of traditional rock climbing, and the new developing appreciation of the natural world it brings her. Through the story of her progress from terrified beginner to confident lead climber she shows us how placing hand and foot on rock becomes a profound new way into the landscape. Anna takes us from the gritstone rocks of the Peak District and Yorkshire to the gabbro pinnacles of the Cullin, the slate of North Wales and the high plateau of the Cairngorms. Each landscape, and each type of rock, brings its own challenges and unique pleasures. She also shows us how climbing invites us into the history of a place: geologically, of course, but also culturally. This book is Anna's journey of self-discovery, but it is also a guide to losing oneself in the greater majesty of the natural world. With great lyricism she explores how it feels to climb as a woman, about the pleasures of the physical demands of climbing, about fear and challenge, but more than anything it is about a joyful connection to the mountains.

The Chiffon Trenches Feb 27 2020 NEW YORK TIMES BESTSELLER • From the pages of *Vogue* to the runways of Paris, this “captivating” (Time) memoir by a legendary style icon captures the fashion world from the inside out, in its most glamorous and most cutthroat moments. “The Chiffon Trenches honestly and candidly captures fifty sublime years of fashion.”—Manolo Blahnik NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • Fortune • Garden & Gun • New York Post During André Leon Talley's first magazine job, alongside Andy Warhol at Interview, a fateful meeting with Karl Lagerfeld began a decades-long friendship with the enigmatic, often caustic designer. Propelled into the upper echelons by his knowledge and adoration of fashion, André moved to Paris as bureau chief of John Fairchild's Women's Wear Daily, befriending fashion's most important designers (Halston, Yves Saint Laurent, Oscar de la Renta). But as André made friends, he also made enemies. A racially tinged encounter with a member of the house of Yves Saint Laurent sent him back to New York and into the offices of *Vogue* under Grace Mirabella. There, he eventually became creative director, developing an unlikely but intimate friendship with Anna Wintour. As she rose to the top of *Vogue*'s masthead, André also ascended, and soon became the most influential man in fashion. *The Chiffon Trenches* offers a candid look at the who's who of the last fifty years of fashion. At once ruthless and empathetic, this engaging memoir tells with raw honesty the story of how André not only survived the brutal style landscape but thrived—despite racism, illicit rumors, and all the other challenges of this notoriously cutthroat industry—to become one of the most renowned voices and faces in fashion. Woven throughout the book are also André's own personal struggles that impacted him over the decades, along with intimate stories of those he turned to for inspiration (Diana Vreeland, Diane von Fürstenberg, Lee Radziwill, to name a few), and of course his Southern roots and faith, which guided him since childhood. The result is a highly compelling read that captures

the essence of a world few of us will ever have real access to, but one that we all want to know oh so much more about.

Make Your Mess Your Memoir Dec 07 2020 These days, there's no better business tool than a book. But most people don't know how to write one-or even where to start. Turns out the best place is the messy middle. Anna David knows this more than anyone. When the New York Times bestselling author of seven books got sober and sold a book about her recovery to the biggest publisher in the world, she thought she'd made it. Then she learned the hard way that trying to make a living by selling books to traditional publishers was a cruel joke-and that accepting the unacceptable was no way to live. The publishing industry was ripe for disrupting. But first David had to make a mess and then learn from it. After years of struggle and self-discovery, she ended up not only mentoring and publishing hundreds of bestselling authors but also thriving personally and professionally. Now she's sharing what she's learned-and showing others how to do the same. In this page-turning and useful memoir-meets-manual, David reveals her personal lows (doing cocaine by herself while contemplating suicide), her career lows (a past-his-prime celebrity hurling a phone at her as she wrote his biography) and how her life today wouldn't be possible without those experiences. With deft humor and unique insight, David demonstrates how much early childhood programming can set us up to repeat our own dysfunctional patterns-until we're ready to shift our behavior. The last quarter of the book is a practical guide so that readers can make their own mess into a message-and memoir.

Sexless in the City Mar 10 2021 Anna Broadway's "Sexless in the City" blog has become a popular Internet destination, attracting readers with its amusing tales of romantic misadventures and candid, far-from-prissy reports on the difficulties of trying to reconcile Christian beliefs with the mores and temptations of the modern world. In **SEXLESS IN THE CITY**, Broadway offers a lighthearted, yet unflinching, look at the

realities of life as a twentysomething urbanite. She writes about her youthful ambition of writing or editing bodice-rippers, struggles with debt and loneliness, the pleasures and perils of meeting men in singles bars, and other urban outposts, and about her friendships with women searching, as she is, for a good man to spend the rest of their lives with. Guided by her trust in God and the teachings of the Bible, Broadway navigates romantic entanglements with the Harvard Lickwit, Hippie the Groper, Ad Weasel, 5 Percent Man, and various others who wander in and out her life—but never into her bed. As Broadway discovered, romance novels don't quite prepare you for love in the real world. For Christian women looking for guidance through the land of contemporary romance, **SEXLESS IN THE CITY** is the ideal place to start.

Lots of Candles, Plenty of Cake Nov 18 2021 In *Lots of Candles, Plenty of Cake*, New York Times bestseller and winner of the Pulitzer Prize Anna Quindlen shares the events of her own life to illuminate our own. She acknowledges the passing years, from the generational shrinking of underwear to facing the fact that her knees make 'this noise like Rice Krispies' when she exercises. Despite its downsides, she says, aging brings wisdom, and a perspective that makes life satisfying and even joyful. Honest, witty and moving, this irresistible memoir celebrates all our lives.

Girl in the Dark Jun 25 2022 'An astonishing memoir' Sonali Deraniyagala, author of *Wave* 'Oh, what can I not do, in my dreams. In my dreams I travel on trains and climb mountains, I play concerts and swim rivers, I carry important documents on vital missions, I attend meetings which become song-and-dance routines. My body lies boxed in darkness, but beneath my closed eyelids there is colour, sound and movement, in glorious contrast to the day; mad movies projected nightly in the private theatre of my skull.' Anna Lyndsey was living a normal life. She enjoyed her job; she was ambitious; she was falling in love. Then the unthinkable happened. It began with a burning sensation on her face when she was exposed to computer screens and fluorescent lighting. Then the burning spread and the problematic light sources proliferated. Now her extreme sensitivity to light in all forms means she must spend much of her life in total darkness. During the best times, she can venture cautiously outside at dusk and dawn, avoiding high-strength streetlamps. During the worst, she must spend months in a darkened room, listening to audiobooks, inventing word-games and fighting to keep despair at bay. Told with great beauty, humour and honesty, *Girl in the Dark* is the astonishing and uplifting account of Anna's descent into the depths of her extraordinary illness. It is the story of how, through her determination to make her impossible life possible and with the love of those around her, she has managed to find light in even the darkest of places.

Uncanny Valley Oct 29 2022 A NEW YORK TIMES BESTSELLER. ONE OF THE NEW YORK TIMES'S 10 BEST BOOKS OF 2020. Named one of the Best Books of 2020 by The Washington Post, The Atlantic, NPR, the Los Angeles Times, ELLE, Esquire, Parade, Teen Vogue, The Boston Globe, Forbes, The Times (UK), Fortune, Chicago Tribune, Glamour, The A.V. Club, Vox, Jezebel, Town & Country, OneZero, Apartment Therapy, Good Housekeeping, PopMatters, Electric Literature, Self, The Week (UK) and BookPage. A New York Times Book Review Editors' Choice and a January 2020 IndieNext Pick. "A definitive document of a world in transition: I won't be alone in returning to it for clarity and consolation for many years to come." --Jia Tolentino, author of *Trick Mirror: Reflections on Self-Delusion* The prescient, page-turning account of a journey in Silicon Valley: a defining memoir of our digital age In her mid-twenties, at the height of tech industry idealism, Anna Wiener—stuck, broke, and looking for meaning in her work, like any good millennial—left a job in book publishing for the promise of the new digital economy. She moved from New York to San Francisco, where she landed at a big-data startup in the heart of the Silicon Valley bubble: a world of surreal extravagance, dubious success, and fresh-faced entrepreneurs hell-bent on domination, glory, and, of course, progress. Anna arrived amidst a massive cultural shift, as the tech industry rapidly transformed into a locus of wealth and power rivaling Wall Street. But amid the company ski vacations and in-office speakeasies, boyish camaraderie and ride-or-die corporate fealty, a new Silicon Valley began to emerge: one in far over its head, one that enriched itself at the expense of the idyllic future it claimed to be building. Part coming-of-age-story, part portrait of an already-bygone era, Anna Wiener's memoir is a rare first-person glimpse into high-flying, reckless startup culture at a time of unchecked ambition, unregulated surveillance, wild fortune, and accelerating political power. With wit, candor, and heart, Anna deftly charts the tech industry's shift from self-appointed world savior to democracy-endangering liability, alongside a personal narrative of aspiration, ambivalence, and disillusionment. Unsparing and incisive, *Uncanny Valley* is a cautionary tale, and a revelatory interrogation of a world reckoning with consequences its unwitting designers are only beginning to understand.

Anna and the King of Siam Aug 23 2019 Based on the incredible true story of one woman's journey to the exotic world of nineteenth-century Siam, the riveting novel that inspired *The King and I*. In 1862, recently widowed and with two small children to support, British schoolteacher Anna Leonowens agrees to serve as governess to the children of King Mongkut of Siam (present-day Thailand), unaware that her years in the royal palace will change not only her own life, but also the future of a nation. Her relationship with King Mongkut, famously portrayed by Yul Brynner in the classic film *The King and I*, is complicated from the start, pitting two headstrong personalities against each other: While the king favors tradition, Anna embraces change. As governess, Anna often finds herself at cross-purposes, marveling at the foreign customs, fascinating people, and striking landscape of the kingdom and its harems, while simultaneously trying to influence her pupils—especially young Prince

Chulalongkorn—with her Western ideals and values. Years later, as king, this very influence leads Chulalongkorn to abolish slavery in Siam and introduce democratic reform based on the ideas of freedom and human dignity he first learned from his beloved tutor. This captivating novel brilliantly combines in-depth research—author Margaret Landon drew from Siamese court records and Anna's own writings—with richly imagined details to create a lush portrait of 1860s Siam. As a Rodgers & Hammerstein Broadway musical and an Academy Award-winning film, the story of Anna and the King of Siam has enchanted millions over the years. It is a gripping tale of cultural differences and shared humanity that invites readers into a vivid and sensory world populated by unforgettable characters.

Made in China Sep 28 2022 A young girl forced to work in a Queens sweatshop calls child services on her mother in this powerful debut memoir about labor and self-worth that traces a Chinese immigrant's journey to an American future. As a teen, Anna Qu is sent by her mother to work in her family's garment factory in Queens. At home, she is treated as a maid and suffers punishment for doing her homework at night. Her mother wants to teach her a lesson: she is Chinese, not American, and such is their tough path in their new country. But instead of acquiescing, Qu alerts the Office of Children and Family Services, an act with consequences that impact the rest of her life. Nearly twenty years later, estranged from her mother and working at a Manhattan start-up, Qu requests her OCFS report. When it arrives, key details are wrong. Faced with this false narrative, and on the brink of losing her job as the once-shiny start-up collapses, Qu looks once more at her life's truths, from abandonment to an abusive family to seeking dignity and meaning in work. Traveling from Wenzhou to Xi'an to New York, *Made in China* is a fierce memoir unafraid to ask thorny questions about trauma and survival in immigrant families, the meaning of work, and the costs of immigration.

Plain Anna Jul 26 2022 "Being plain and experiencing pain did not define me, but it did shape me." Anna Schwartz knew fear; it first grabbed her in its clutches on a hard church pew, then tightened its grip through a raging fire. But fear and sadness could not defeat her light. As a young girl, her light shone brightly in her Amish community, catching the attention of Samuel Troyer. Seeing pain in his eyes, Anna was determined to mend it with her kindness. But Anna soon learned that some choose to live in fear and darkness, and their darkness can threaten your light if you let it. Gripped once more in the throes of fear, Anna struggled to find her light. It only came in moments, like the moments when she marveled at the perfect toes and head full of hair in each of her eight children, or the moments of friendship with Amish, Mennonite, and English women. Yet, by this time, Samuel no longer delighted in her light. His darkness often banished all light, with Anna feeling the blame. But God spoke peace and truth to her heart, and she found her strength and her voice. Armed with the knowledge that "all things work together for good" and that God loved her just the way she was, Anna fought back. She once more breathed and walked in the light. Plain Anna shows you just how not-plain and rather remarkable Anna really is. Through her heart-wrenching story, you will discover that peace is worth every encounter with fear and that pain never needs to be the end of your story.

A Taste of the Sweet Apple Jan 28 2020 In this memoir of small-county life, where emphasis is on character essential to the ethics of community, a young girl of robust curiosity keeps company with the spells her people cast. At the center of the book is a poetic and telling bond, and adoring friendship between this small white girl and a black foreman, Joe Collins. There's a tempestuous country-physician father, a beautiful powerful mother in powerless times, and the "wonderfully long-winded" Aunt Tott. We witness the travail of hired laborers as well as the beauties of craft and devotion in Holt Watson's rendering of traditional tobacco culture. A seven-year-old girl may set her buckteeth on fire or bite her pony, but never misses the silent rush of spring water deep within the greenest land, a land from which she, too, springs. Brimming with unsentimental innocence and the sensuality of furs, tobacco, and her mother's lemon lily beds, she draws a tough-minded, tomboy-accomplished portrait of a girlhood.
