Karlology Nov 04 2020 A voyage through the strange yet mesmerising mind of cult author Karl Pilkington, now in ePub format By his own admission Karl Pilkington left formal education behind with only an E in History to his name and not much else. Ever since, his thirst for knowledge has nagged. With this in mind, Karl has embarked on a tour of discovery to make up for the lost years of learning, and to find out more stuff. Karlology is the result. So what exactly has Karl Pilkington learned so far? This is a man, it should be noted, who thinks owning 1,777 acres of the moon is a good idea, and believes that the human testicles should be relocated to the earlobes. Maybe he's right. Perhaps his unique brand of wisdom and insight is what the world has been waiting for? Judge for yourself: observe, enjoy, and become a Karlologist. Illuminated by Karl Pilkington's own cartoons with extra wisdom from Ricky Gervais, Russell Brand, David Baddiel, Noel Fielding and others. Get even more insight into Karl's mind and visit his blog at <http://www.karlpilkington.com/blog/>. Catch Karl taking in the seven wonders of the world on Sky1 in his new TV series An Idiot Abroad, with Ricky Gervais and Stephen Merchant, broadcasting from 23rd September 2010.

Raising Children in Love, Justice and Truth Oct 23 2019 Barry Long's approach to parenting includes not only love for the child, but practical ways of bringing truth and justice into the family. He explains that what children also need from parents is the example of an honest and responsible life. To introduce truth, teach the child to observe the fact of the world. To introduce justice, ask of the child only what you are prepared to do yourself. He also has radical things to say about the development of the personality and the encouragement of imagination. The book is compiled from conversations with parents, so it is possible to understand Barry Long's approach in the actual circumstances of the many families who shared their problems with him. Their experience gives readers a complete picture of the benefit that harmony in the home brings to the next generation.
