King Solomon's Mines & Allan Quatermain Mar 21 2022 Sir Henry Rider Haggard was an English writer of adventure novels set mostly in Africa, and a founder of the Lost World literary genre. King Solomon's Mines tells a story of a search of an unexplored region of Africa by a group of adventurers led by Allan Quatermain. Allan Quatermain is a sequel of King Solomon's Mines based on author's own experience in the African continent. Quatermain has lost his only son and longs to get back into the wilderness. Together with Sir Henry Curtis, Captain John Good, and the Zulu chief Umbopa he survives fierce encounters with Masai warriors, undergoes a terrifying subterranean journey, and discovers a lost civilization before being caught up in a passionate love-triangle.

An Allan Quatermain Adventure Collection Jun 24 2022 A tale of three lions: When famed explorer Allan Quatermain tries to teach his son a few life lessons on safari, he gets much more than he bargained for.

King Solomon's Mines (Allan Quatermain #1) Illustrated Feb 20 2022 King Solomon's Mines (1885) is a popular novel by the Victorian adventure writer and fabulist, Sir H. Rider Haggard. It tells of a quest into an unexplored region of Africa by a group of adventurers led by Allan Quatermain in search of the missing brother of one of the party. It is significant as the first English fictional adventure novel set in Africa, and is considered the genesis of the Lost World literary genre.

King Solomon's Mines, Allan Quatermain, and Allan's Wife Jan 19 2022 King Solomon's Mines, Allan Quatermain, And Allan's Wife By H. Rider Haggard

King Solomon's Mines Sep 22 2019 This premium quality large print volume includes the complete and unabridged text of H. Rider Haggard's classic tale of the adventures of Allan Quatermain and his companions in a freshly edited and newly typeset edition. With a large 7.44"x9.69" page size, this Summit Classic Press large print edition is printed on heavyweight bright white paper with a fully laminated cover featuring an original full color design. Page headers and footers and inclusion and proper placement of all original annotations exemplify the attention to detail given this quality volume. Allan Quatermain, the sequel to King Solomon's Mines, is also available from Summit Classic Press in a handsome large print companion edition (ISBN-13: 978-1501032868; ISBN-10: 1501032860). When King Solomon's Mines was first published in 1885 it quickly became the best selling book of the year with the publisher scrambling to print copies fast enough to meet demand. Ironically the book, which was written in less than four months and perhaps in as little as six weeks, had been rejected by numerous publishers who believed its extreme novelty left it without commercial viability. Indeed, it was both the first example of what became the popular "lost world" literary genre and the first English adventure novel set in Africa. The use of the first person subjective viewpoint and a narrative composed in familiar conversational style were radical departures from the ornate language and omniscient viewpoint of the books of the day, which were for the most part obsessively focused on social class in England. The basic outline of the tale, now a staple of adventure fiction, tells of the search, through an unexplored region of Africa, for the lost brother of Sir Henry Curtis. Curtis and his companion, Captain Good, search out Allan "Hunter" Quatermain, an old hand at African big-game hunting who agrees to lead the expedition despite his belief that they will likely never return. Upon realizing that Curtis' brother was searching for the lost mines of the biblical King Solomon, Quatermain produces a crude map and a letter supposedly written by a Portuguese explorer claiming to have found the fabulous diamond mines. The expedition is joined by the mysterious Umbopa, anxious to go along and willing to work as a bearer. Reaching the fabled destination, they discover a lost civilization and see Umbopa's secret revealed. Sir Henry Rider Haggard (1856-1925) wrote "King Solomon's Mines" on a bet, a five shilling wager with his brother that he could write a story "half as good" as "Treasure Island". Haggard had traveled extensively in Africa as a minor government staff official during the Zulu and Boer Wars, and the Allan Quatermain character was based in large part on the colorful adventurers he encountered there. Other influences on the story included the recent discovery of diamond fields and the ruins of ancient civilizations in Africa. Returning to England, Haggard married and became a member of the bar, but soon took up writing full time. "King Solomon's Mines" was remarkable not only for its originality but for Haggard's attitude toward native Africans. Unusual for writers in the colonial era, Haggard declared that many Africans were more noble and admirable than many of the Europeans who arrived in Africa, and his novels include complex and heroic native characters as well as evil and barbaric natives. "King Solomon's Mines" even includes an interracial romance. Haggard penned several popular novels while traveling to various parts of the Empire in the cause of land reform and, like many Victorians, dabbled in spiritualism and the paranormal. Haggard's most enduring characters, Allan Quatermain and Ayesha, were brought together in "She and Allan", Haggard's last major work.

Allan Quatermain (1887) Aug 02 2020 Allan Quatermain is a novel by H. Rider Haggard. It is the sequel to Haggard's novel King Solomon's Mines. Haggard wrote the book over his summer holiday in 1885 immediately after King Solomon's Mines. It was first serialised in Longman's Magazine before being published. At the beginning of the book, Allan Quatermain's only son has died and he longs to get back into the wilderness. He persuades Sir Henry Curtis, Captain John Good, and the Zulu chief Umslopogaas to accompany him, and they set out from the coast of east Africa into the territory of the Maasai. While staying with a Scottish missionary, Mr. Mackenzie, they run into a group of Maasai who kidnap Mr. Mackenzie's daughter. The Maasai demand the life of Allan Quatermain as ransom, but he instead leads an attack on the Maasai, catching them by surprise and slaughtering them. The group then travel by canoe along an underground river to a lake (which turns out to be the sacred lake of Zu-Vendis) in the kingdom of Zu-Vendis beyond a range of mountains. The Zu-Vendi are a warlike race of white-skinned people isolated from other African races; their capital is called Milosis. At the time of the British party's arrival, they are ruled jointly by two sisters, Nylephtha and Sorais. The priests of the Zu-Vendi religion are hostile to the explorers as they had killed hippopotamuses - animals sacred to the Zu-Vendis - on their arrival, but the queens protect them.

Allan Quatermain #2 Feb 26 2020 After discovering the hidden mines of King Solomon, Allan Quatermain finds that life back in England is too sedate for his liking. With two travel companions he heads back to Africa in search of further adventure. Teaming up with a valiant warrior and a timid French chef, they enter the land of Paradise, Zu-Vendis. But paradise is not without its dangers, and Allan and his band find themselves at odds with the two beautiful sisters who rule Zu-Vendis. A struggle is imminent—who will emerge the victor?

Queen Sheba's Ring (Adventure Classic) Aug 14 2021 This carefully crafted ebook: "Queen Sheba's Ring (Adventure Classic)" is formatted for your eReader with a functional and detailed table of contents. Queen Sheba's Ring is an adventure novel by H. Rider Haggard set in central Africa. The treasure hunt tale about the discovery of a ring given to the Queen of Sheba by King Solomon himself, the battle of two warring tribes and mysterious lost cities... This exciting and exotic story features plotting priests, beautiful women, and daring British adventurers. Sir Henry Rider Haggard (1856-1925) was an English writer of adventure novels and dark fantasy stories set in exotic locations, predominantly Africa, and a pioneer of the Lost World literary genre.

Allan Quatermain #1 Jul 25 2022 Before there was Indiana Jones there was Allan Quatermain: the original explorer, treasure hunter, and adventurer. The Quatermain books have captivated readers for more than a century, spawning more than a dozen movies and a host of imitators. Thrill with Allan as he discovers the mythical King Solomon's Mines and their not-so-mythical curse. These are adventure stories in the grandest tradition.

Quatermain Aug 22 2019 Adventures in Africa H. Rider Haggard's classic hero, Allan Quatermain, returns in three brand new adventures all set on the Dark Continent. Thomas Kent Miller's novella has the big-game hunter traveling to Ethiopia to search for the fabled Library of Alexandria. Erik Franlin pits him against an ancient cult of assassins while Alan J. Porter has the skilled tracker stuck in the middle of the Boer War trying to find the source of a diamond smuggling operation. Three fast-paced, original tales that capture the mystery and adventure of a wild, untamed land and the man who loved it above all else. Journey with him and embrace the magic that was and remains Africa.

Allan Quatermain (1887) . Mar 09 2021 Allan Quatermain is a novel by H. Rider Haggard. It is the sequel to Haggard's novel King Solomon's Mines. Background Haggard wrote the book over his summer holiday in 1885 immediately after King Solomon's Mines. It was first serialised in Longman's Magazine before being published. Plot summary At the beginning of the book, Allan Quatermain's only son has died and he longs to get back into the wilderness. He persuades Sir Henry Curtis, Captain John Good, and the Zulu chief

Umslopogaas to accompany him, and they set out from the coast of east Africa into the territory of the Maasai. While staying with a Scottish missionary, Mr. Mackenzie, they run into a group of Maasai who kidnap Mr. Mackenzie's daughter. The Maasai demand the life of Allan Quatermain as ransom, but he instead leads an attack on the Maasai, catching them by surprise and slaughtering them. The group then travel by canoe along an underground river to a lake (which turns out to be the sacred lake of Zu-Vendis) in the kingdom of Zu-Vendis beyond a range of mountains. King Solomons Mines Jun 12 2021 Sir Rider Haggard was a British Victorian writer known for his adventure novels set in exotic places. His writings are sympathetic to the natives. He often portrayed Africans as heroic in his stories even though the main characters are usually European. King Solomon's Mines is first book in the Allan Quatermain series. Alan Quatermain was the main character in the succeeding novel Marie. He also appears in several sequels. Quatermain was a progressive Victorian. He was a big game hunter in Africa who championed the cause of the natives. King Solomon's Mines tells of a quest into an unexplored region of Africa by Allan Quatermain and a group of adventurers. They are searching for the missing brother of one of the party. The book is significant because it was the first English fictional adventure novel set in Africa. King Solomon's Mines & Allan Quatermain Two Original Classics, Complete & Unabridged Apr 22 2022 This premium quality edition contains the complete and unabridged original classic versions of "King Solomon's Mines" and the sequel, "Allan Quatermain," printed on heavy, bright white paper in a large 6"x9" format, with page headers and a fully laminated full-color cover featuring an original design. Published in 1885 "King Solomon's Mines" became the best selling book of the year after being rejected by numerous publishers who found it too unusual to publish. The first "lost world" novel and the first English adventure novel set in Africa, it was also unconventional for its use of the first person subjective viewpoint and simple conversational style. The storyline, unique at the time, tells of the search for the lost brother of Sir Henry Curtis through an unexplored region of Africa. Curtis and his companion, Captain Good, search out Allan "Hunter" Quatermain, an African big-game hunter who agrees to lead the expedition despite his misgivings. When he realizes that Curtis' brother was searching for the diamond mines of King Solomon, Quatermain produces a crude map and a letter supposedly written by a Portuguese explorer claiming to have found the fabulous diamond mines. The expedition is joined by the mysterious Umbopa, a native who is determined to go along. Encountering a series of adventures along the way they reach their destination, discover a lost civilization and see Umbopa's secret revealed, only to be embroiled in a series of life-and-death adventures. A true sequel, 1887's "Allan Quatermain," begins with "Hunter" Quatermain mourning the death of his only son, who died of smallpox while working in a hospital during an outbreak, and growing bored with the life of a wealthy English gentleman. When Sir Henry Curtis and Captain Good appear unexpectedly and tell him of their desire to return to Africa Quatermain reveals his own intention to search an unexplored region for a fabled lost tribe of white men. Joined by the aging Zulu warrior Umslopogaas, an old comrade of Quatermain's, the party battles native warriors, travels along an underground river, and finds the land of Zu-Vendis. Hidden by forbidding mountains, the land is ruled by two sisters. The sudden appearance of Quatermain's expedition sets off a chain of events leading to war, and Quatermain and his companions play a major role in the ensuing conflict. Haggard's tales of African adventures were remarkable not only for their originality but for Haggard's attitude toward native Africans. Unusual for writers in the colonial era, Haggard openly held that many Africans were more noble and admirable than many of the Europeans who came to Africa. His novels include complex and heroic native characters as well as evil and barbaric natives. "King Solomon's Mines" includes an interracial romance to which the Quatermain character has no objection, but which he tries to discourage because of how it will be received when Captain Good returns to England. Sir Henry Rider Haggard (1856-1925) wrote "King Solomon's Mines" on a bet, a five shilling wager with his brother that he could write a story "half as good" as "Treasure Island". As a young man, Haggard traveled extensively in Africa as a minor government staff official during the Zulu and Boer Wars, and the Allan Quatermain character was based on the colorful adventurers he encountered there. Other elements of the story were influenced by the discoveries of the diamond fields and the ruins of ancient civilizations occurring around that time. Returning to England, Haggard married and became a member of the bar, but soon took up writing full time. Haggard wrote several popular novels while traveling to various parts of the Empire working for land reform. Like many Victorians, he dabbled in spiritualism and the paranormal. His most enduring characters, Allan Quatermain and Ayesha, were brought together in "She and Allan", his last major work.

King Solomon's Mines Sep 03 2020 Many years ago George Curtis set out for South Africa in the wild hope of making a fortune. Since then his brother, Sir Henry Curtis, has not seen or heard of him. Sir Henry and his friend, Captain Good, decide that sitting around waiting is doing no good, and set out to find him. As luck would have it they meet Allan Quatermain, an experienced elephant hunter, who encountered the missing brother many years earlier. He had told Quatermain that he was searching for the mines of King Solomon - diamond mines, which most people believe to be a myth. With a glimmer of hope, and an idea which way he had headed, our heroic trio venture out into the unexplored regions of Africa. Their quest takes them into the very heart of danger. Unbelievable adventures follow involving ancient tribes, terrifying Kings and evil witches. Will our adventurers find George and the treasures rumored to be hidden in King Solomon's Mines? Or will the obstacles they experience prove too much for them?

Allan Quatermain Dec 06 2020 The Zulu wizard Zikali takes revenge on Cetawayo and the Zulu nation through magic and intrigue in three novels narrated by the adventurer Allan Quatermain.

Allan Quatermain, Jul 13 2021 The sequel to King Solomon's Mines; Both novels were adapted into the film King Solomon's Treasure. Allan Quatermain was also adapted into the film Allan Quatermain and the Lost City of Gold. First serialised in Longman's Magazine before being published.

King Solomon's Mines Illustrated Dec 18 2021 King Solomon's Mines (1885) is a popular novel by the English Victorian adventure writer and fabulist Sir H. Rider Haggard. It tells of a search of an unexplored region of Africa by a group of adventurers led by Allan Quatermain for the missing brother of one of the party. It is the first English adventure novel set in Africa, and is considered to be the genesis of the lost world literary genre.

Quatermain Aug 26 2022 Lost treasure, the roar of the lion and high adventure! These are the first two adventures of H. Rider Haggard's famous character-Allan Quatermain. Quatermain is the ultimate white man in Africa the Great White Hunter, adventurer and guide. These are stories brim full of action, romance, big game hunting, hairsbreadth escapes from dangerous animals and the fierce peoples of the Dark Continent, fantastical landscapes and strange hidden cultures with lost cities from a time when vast expanses of this mysterious land remained untrodden by the feet of Western man and it seemed that anything was yet possible. These books will be a joy for all collectors who will relish the opportunity to own all the adventures in a coordinated collection.

King Solomon's Mines (Penguin Classics), by H. Rider Haggard Apr 29 2020 King Solomon's Mines (1885) is a popular novel by the Victorian adventure writer and fabulist Sir H. Rider Haggard. It tells of a search of an unexplored region of Africa by a group of adventurers led by Allan Quatermain for the missing brother of one of the party. It is the first English adventure novel set in Africa, and is considered to be the genesis of the Lost World literary genre. The book was first published in September 1885 amid considerable fanfare, with billboards and posters around London announcing "The Most Amazing Book Ever Written." It became an immediate best seller. By the late 19th century, explorers were uncovering ancient civilisations around the world, such as Egypt's Valley of the Kings, and the empire of Assyria. Inner Africa remained largely unexplored and King Solomon's Mines, the first novel of African adventure published in English, captured the public's imagination. The "King Solomon" of the book's title is the Biblical king renowned both for his wisdom and for his wealth. A number of sites have been suggested as the location of his mines, including the workings at the Timna valley near Eilat. Research published in September 2013 has shown that this site was in use during the 10th century BC as a copper mine possibly by the Edomites, who the Bible reports were rivals of and frequently at war with King Solomon. Haggard knew Africa well, having travelled deep within the continent as a 19-year-old during the Anglo-Zulu War and the First Boer War, where he had been impressed by South Africa's vast mineral wealth and by the ruins of ancient lost cities being uncovered, such as Great Zimbabwe. His original Allan Quatermain character was based in large part on Frederick Courtney Selous, the famous British white hunter and explorer of Colonial Africa. Selous's real-life experiences provided Haggard with the background and inspiration for this and many later stories.

King Solomon's Mines May 11 2021 King Solomon's Mines tells of a search of an unexplored region of Africa by a group of adventurers led by Allan Quatermain for the missing brother of one of the party. It is considered to be the genesis of the Lost World literary genre. * King Solomon's Mines erzählt von der Suche in einer unerforschten Region Afrikas nach dem vermissten Bruder des Teilnehmers einer Gruppe Abenteurer, die von Allan Quatermain geleitet wird. Das Werk wird als der Beginn des literarischen Genres Lost World betrachtet.

King Solomon's Mines Oct 16 2021 Originally published as a World's Classics paperback 1989.

King Solomon's Mines and Allan Quatermain Sep 27 2022 Sir Henry Curtis and Captain Good persuade Allan Quatermain to help them find Sir Henry's brother George, who has gone missing in the unexplored African interior while searching for the legendary treasure trove of a lost kingdom. In the sequel, they return to Africa for more adventures.

Allan Quatermain Apr 10 2021 A spell-binding follow-up to the renowned novel that began the Lost World literary genre, King Solomon's Mines. The genre may seem identical, but the story-line builds up at its own fast pace. The exciting and thrilling tale set in a previously unknown Africa, in some ways, is more intense than King Solomon's Mines. At the beginning, Quatermain has lost his only son and longs to get back into the wilderness. Having persuaded Sir Henry Curtis, Captain John Good, and the Zulu chief Umslopogaas to accompany him, they set out from the coast of east Africa into the territory of the Maasai. While staying with a Scottish missionary, Mr. Mackenzie, they are attacked by a Maasai group, whom they overcome heroically. They travel by canoe along an underground river to a lake (which turns out to be the sacred lake of Zu-Vendis) in the kingdom of Zu-Vendis beyond a range of mountains. The Zu-Vendi are a warlike white race isolated from other African races; their capital is called Milosis. At the time of the British party's arrival, they are ruled jointly by two sisters, Nyleptha and Sorais. The priests of the Zu-Vendi religion are hostile to the explorers as it is apparent they offended against the religion, but the queens protect them.

King Solomons Mines Feb 08 2021 King Solomon's Mines is a story about the adventures of three men-Allan Quatermain, Sir Henry Curtis and Captain John Good-who go on a rescue mission to find Sir Henry Curtis' brother, Neville. Neville is last known to have gone in search of the fabled King Solomon's Mines, which is said to be full of riches and unimaginable valuables. The party retraces the steps of Neville, which takes them through many dangers, adventures and evil intentions. Haggard weaves a tale of fantasy and adventure around the search of a man lost for two years. The exotic land of Africa is coloured as a dangerous and exciting place. There are instances in the story where the superiority of the civilised folk manifests itself. However, the honour and benevolence of the tribal people is highlighted throughout the book. The story teaches one very important lesson, which is to keep trying till you succeed.

The Allan Quatermain Omnibus Volume I, Including the Following Novels King Solomon's Mines, Allan Quatermain, Allan's Wife Nov 17 2021 Allan Quatermain first appears in the novel King Solomon's Mines as one of the greatest hunters of all time - a brilliant marksman and skilled in survival. He is the son of a missionary and grew up in South Africa, going on to discover the continent's hidden secrets. His appeal has not diminished over the years and he has reappeared in many films including in 2003 heading up "The League of Extraordinary Gentlemen". The novels in this omnibus edition cover his life from the age of 18 to 68. They appear in the order in which Haggard wrote them, which was not chronological in terms of Quatermain's age. Allan had two wives, both of whom died soon after they married him and he had a child, Harry Quatermain who was a medical student but also eventually dies of Smallpox. Quatermain also has a companion from his youth, the servant Hans, who has sworn an oath to protect Quatermain, and does so on several occasions, acting with great courage and wisdom. The books often have a supernatural strand, featuring spirits and magic from time to time. Haggard created Quatermain after he had recently read Robert Louis Stephenson's Treasure Island, and was challenged by a friend to do better. So Allan Quatermain emerged, and with him the archetypal hunter, one of the great adventurers. A must read for anyone who loves adventure.

Hunter Quatermain's Story Mar 29 2020 An inspiration for the popular Indiana Jones series, Henry Rider Haggard's Allan Quatermain is one of the most beloved characters to emerge from the action-adventure fiction of the nineteenth century. This early short story focuses on Allan Quatermain's exploits as a big game hunter in Africa, a skill that would prove much of the explorer's income throughout his life.

Terrifier of the Lost Mines Jun 19 2019 While helping Joe, Sam, and David look for an ancient Oakdale secret, Wishbone imagines that he is Allan Quatermain, searching for legendary treasure in an unexplored part of Africa.
