Getting the books **Lost Christianities The Battles For Scripture And Faiths We Never Knew Bart D Ehrman** now is not type of challenging means. You could not by yourself going later book collection or library or borrowing from your associates to read them. This is an very simple means to specifically acquire lead by on-line. This online notice **Lost Christianities The Battles For Scripture And Faiths We Never Knew Bart D Ehrman** can be one of the options to accompany you later than having additional time.

It will not waste your time. take on me, the e-book will utterly flavor you extra concern to read. Just invest little grow old to right to use this on-line message **Lost Christianities The Battles For Scripture And Faiths We Never Knew Bart D Ehrman** as competently as review them wherever you are now.

The Unholy in Holy Scripture Aug 24 2019 German scholar Gerd Ludemann asks the question of how we can continue to be Christians in the light of what he sees as "unholy" elements in Scripture, and in response points to the person of Jesus and his example.

Hail Mary, Holy Bible Oct 07 2020 The rosary has been at the core of Catholic devotional life for centuries. Renewing its place in our spiritual life today can be powerfully assisted by going to Sacred Scripture to focus our minds and hearts on the life and teachings of Jesus Christ, Son of God and Son of Mary. *Hail Mary, Holy Bible* delves deeply into the Bible, bringing both fresh and timeless insights into five or more Scripture passages for each set of mysteries (Joyful, Sorrowful, Luminous, and Glorious).

Scripture and Violence Aug 29 2022 In the public sphere, it is often assumed that acts of violence carried out by Muslims are inspired by their religious commitment and encouraged by the Qur'an. Some people express similar concerns about the scriptures and actions of Christians and Jews. Might they be right? What role do scriptural texts play in motivating and justifying violence in these three traditions? *Scripture and Violence* explores the complex relationship between scriptural texts and real-world acts of violence. A variety of issues are addressed, including the prevalent modern tendency to express more concern about other people's texts and violence than one's own, to treat interpretation and application of scriptural passages as self-evident, and to assume that the actions of religious people are directly motivated by what they read in scriptures. Contributions come from a diverse group of scholars of Islam, Judaism, and Christianity with varying perspectives on the issues. Highlighting the complex relationship between texts and human actions, this is an essential read for students and academics studying religion and violence, Abrahamic religions, or scriptural interpretation. *Scripture and Violence* will also be of interest to researchers working on religion and politics, sociology and anthropology of religion, socio-political approaches to scriptural texts, and issues surrounding religion, secularity, and the public sphere. This volume could also form a basis for discussions in churches, synagogues, mosques, interfaith settings, and government agencies.

Scripture and Sport Psychology Sep 17 2021 "Scripture and Sport Psychology: Mental-Game Techniques for the Christian Athlete is the first book to combine principles from the Holy Bible and sport psychology literature into a straightforward and practical guide for improving mental skills and athletic performance. Without a strong mental-game, athletes limit their ability to perform optimally. Drawing from enlightening parallels from the Bible and sport psychology research, the author provides effective techniques to enhance the mental fortitude necessary for peak performance."--Back cover.

Scripture and Scholarship in Early Modern England Jul 16 2021 The Bible is the single most influential text in Western culture, yet the history of biblical scholarship in early modern England has yet to be written. There have been many publications in the last quarter of a century on heterodoxy, particularly concentrating on the emergence of new sects in the mid-seventeenth century and the perceived onslaught on the clerical establishment by freethinkers and Deists in the late-seventeenth and early-eighteenth century. However, the study of orthodoxy has languished far behind. This volume of complementary essays will be the first to embrace orthodox and heterodox treatments of scripture, and in the process question, challenge and redefine what historians mean when they use these terms. The collection will dispel the myth that a critical engagement with sacred texts was the preserve of radical figures: anti-scripturists, Quakers, Deists and freethinkers. For while the work of these people was significant, it formed only part of a far broader debate incorporating figures from across the theological spectrum engaging in a shared discourse. To explore this discourse, scholars have been drawn together from across the fields of history, theology and literary criticism. Areas of investigation include the inspiration, textual integrity and historicity of scriptural texts, the relative authority of canon and apocrypha, prophecy, the comparative merits of texts in different ancient languages, developing tools of critical scholarship, utopian and moral interpretations of scripture and how scholars read the Bible. Through a study of the interrelated themes of orthodoxy and heterodoxy, print culture and the public sphere, and the theory and practice of textual interpretation, our understanding of the histories of religion, theology, scholarship and reading in seventeenth-century England will be enhanced.

Making Sense of Scripture Jun 02 2020

Remembering Jesus Nov 07 2020 In the wake of the "What Would Jesus Do?" movement, Allen Verhey's *Remembering Jesus* takes a serious look at what Jesus really did and what he might do in the strange world of contemporary ethics. Verhey asserts that following Jesus requires remembering him, and this entails immersing ourselves in Scripture and Christian community, where the memory of Jesus is found. This book, which promises to be Verhey's magnum opus, explores how Christians can practice medical, sexual, economic, and political ethics with integrity. An ideal text for courses in Christian ethics, *Remembering Jesus* is also a valuable resource for pastors and general readers in search of readable, biblically based guidance for living in today's complex world.

'the Real Scriptures' of God - New Testament May 14 2021 Inside the covers of this book you will find the Real Scriptures' of the Christian churches. Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain-washed to believe, that is about the other inferior books: "It isn't in the canon" (of scripture) formed of course by the early Catholic Church at various stages and Councils from the fourth century A.D. therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God. They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate, but they are not affected by the changes they made to the canon of Scripture over many centuries. They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world. So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures? Ethiopia it seems got most books of scripture right even with their translation into an ancient language! The Real

Scriptures', edited by James Platter above, a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas, California in the United States, but now rejects the reduced 1627 A.D. Version of the KJV Bible, and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship, Moss Vale, N. S. W. Australia under the Reverend Alan Catchpole in 1973.

The Way Of Scripture Feb 08 2021 The Way of Scripture Leader's Guide is also available. Join other committed Christians in an 8-week study (includes a preparatory session) designed to help you experience scripture as a place of transforming encounter with God. This Companions in Christ resource promotes the classical practice of lectio divina to develop patterns of being engaged by God in scripture. The following topics are addressed: Scripture: A Place of Transforming Encounter Silentio: Preparing to Be Read by Scripture Lectio: Ingesting the Word Meditatio: Wrestling with God Oratio: Letting God Know How We Feel Contemplatio: Abandoning Ourselves to God in Love Incarnatio: The Word Becoming Flesh in Us

Romans (Catholic Commentary on Sacred Scripture) Dec 29 2019 In this addition to the successful Catholic Commentary on Sacred Scripture (CCSS) series, Scott Hahn, a bestselling author and a leading Catholic interpreter of Scripture, examines Romans from within the living tradition of the Church for pastoral ministers, lay readers, and students alike. The CCSS relates Scripture to Christian life today, is faithfully Catholic, and is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively in teaching, preaching, evangelization, and other forms of ministry. Supported by leading Catholic scholars as well as popular Bible teachers, the series offers a unique level of commentary for Catholic students of the Bible. Its attractive packaging and accessible writing style make it a series to own--and to read! Drawn from the best of contemporary scholarship, series volumes are keyed to the liturgical year and include an index of pastoral subjects.

Jesus in History, Legend, Scripture, and Tradition: A World Encyclopedia [2 volumes] Jun 22 2019 This multifaceted work contextualizes Jesus in religion and culture by bringing together articles on folklore, history, literature, philosophy, popular culture, and theology. • Offers hundreds of alphabetically arranged entries that detail the presence of Jesus in world civilization and creative works over the last 2,000 years, showing how religion informs world history and culture • Includes some 40 primary documents to provide firsthand accounts of the influence of Jesus on world history and culture • Presents an extensive selection of images to help students visualize key topics • Supports the Common Core State Standards by promoting critical thinking skills • Supports National Center for History in Schools (NCHS) content standards for world history, particularly those related to the origins and influence of Christianity: Era 3, Standard 3B; Era 4, Standard 4A; Era 5, Standard 2C; Era 6, Standard 2B

Evidence from Scripture and History of the Second Coming of Christ about the Year 1843, Exhibited in a Course of Lectures Jul 28 2022 Over the centuries, God has revealed to His prophets clues to the upcoming events of the end times. Such prophetic language often differs from other parts of Scripture, employing highly figurative details. God in His wisdom has imparted these clues to various prophets spanning centuries of time, civilizations and social levels, thus providing the modern-day reader a highly complex, yet complete prophetic puzzle pointing us forward to final days in earth's history. Therefore, a complete study is necessary to understanding Bible prophecy as the act of overlooking one prophet or vision will render an incomplete understanding. William Miller was a simple New York farmer when God called him to become one of the cornerstones of the great revival movement that eventually formed the foundation of the Seventh-day Adventist church. A self-proclaimed agnostic, Miller had little to do with God or the bible for much of his adult life. However, as the Holy Spirit worked on his heart, Miller began an extensive study of the Scriptures where he found Christ as his personal friend and Saviour. Evidence From Scripture and History explores into the heart of many Bible prophecies both known and ambiguous. Backing up all claims with Scripture and references, Miller takes the reader on an exhaustive study of Bible prophecy in this modern-day reprint of an early advent study. - INTRODUCTION. LECTURE I. The Interpreting Spirit Aug 17 2021 The Interpreting Spirit is both a consideration of the Spirit's role in the interpretation of Scripture and a celebration of renewal scholarship. It examines those who have focused on the Spirit's role in their hermeneutical considerations, recognizing common, uniting themes amidst the diversity of scholarly approach and opinion. Working on the principle that the Spirit communicates in ways that seek to unify and celebrate the other, Mather works diachronically from 1970, identifying and drawing together these common, uniting hallmarks into a collective understanding. Pivotal to Mather's argument is her emphasis that we do not just interpret Scripture, but that the Spirit through Scripture, and working in our lives in ways that lead us towards Scripture, interprets us. The Interpreting Spirit is the first comprehensive analysis of the conversation surrounding pneumatic interpretation that has been taking place, particularly among renewal scholars, since 1970. It seeks to answer the notoriously difficult question, ""What does the Spirit do in the process of biblical interpretation?""

Knowing Scripture Aug 05 2020 PRACTICAL TOOLS FOR INTERPRETING THE BIBLE The Bible is the written Word of God, and it is treasured in many of our homes. But it is also an ancient book about people and cultures very different from us. Thus, while we know we should read it, many of us don't because we have a hard time understanding the Bible. In this updated edition of Knowing Scripture, R.C. Sproul helps us dig out the meaning of Scripture for ourselves. The author says, "The theme of this book is not how to read the Bible but how to study the Bible." He presents in simple, basic terms a commonsense approach to studying Scripture and gives eleven practical guidelines for biblical interpretation and applying what we learn. With a minimum of technical jargon, Sproul tackles some of the knotty questions regarding differences of interpreting the Bible, including: discovering the meanings of biblical words, understanding Hebrew poetry, proverbs and parables, approaching historical and didactic passages, being careful with predictive prophecy, discerning how culture conditions the Bible, choosing and using Bible translations, commentaries, Bible software and other helps Knowing Scripture is a basic book for both beginning Bible readers and those who have been at it for a long time.

Lost Scriptures Jan 10 2021 A companion volume to Lost Christianities, this remarkable anthology of long-lost Christian writings that were never included in the New Testaments includes fifteen additional gospels, thirteen epistles, five non-canonical Acts of the Apostles, Apocalypes and Secret Books, and brief introductions to each. History Dual Main. (Scripture)

Bible Verses for Every Situation Dec 09 2020 Bible memorization according to some scholars is said to be absolutely fundamental to spiritual formation of every believer in Christ. Considering the fact that God never sent down any book from heaven, but he sent the bible (his words) as guidance for mankind as a whole. This stresses the fact that knowing the words is more important than having a bible. That touches in brief for anyone who can reason in-depth; the reason why the words of the scripture has to be imbibed into our memory as Christians. What make us act the way we do? A good look at this question and an objective answer to it will certainly shed more light on the importance of memorizing the scripture. As Christians, we as expected to live according to the scripture, and putting this in reference of how the human brain works. we cannot afford as Christians to be without our bible even if we aren't carrying anything. As humans, we have a spontaneous brain which works and acts on injected information. The human nature Getting scripture into memory will go a long way in helping us form a Christ like life. The way the human mind work is one factor that has made it needful for the scripture to be memorized if it truly is the way of life we intend to use. The human mind acts on first-hand information it gets from the memory and having the bible as that first-hand information is priceless. The ease of memorizing the scripture is a case of different strokes for different folks; it is majorly subject to the retentive capacity of whoever is in question. Retentive capacity is certainly a very important factor, but other important factors include; commitment towards the course of memorizing the scripture, zeal and required guidance on the best models of memorizing the Scripture are among factors that aid this process. This book offers you OVER 150 bible verses from thousands of the important verses of the scripture to memorize them have been sorted according to their individual or collective message. Enjoy!

Lost Christianities Jun 26 2022 An intriguing look at the early history of the Christian Church provides a study of these ancient forms of Christianity and how they came to be suppressed, reformed, or forgotten, discussing their key texts, theological beliefs, conflict with orthodoxy, historical development, and more. History Dual Main. (Religion--Christianity)

Counter Culture Scripture and Prayer Guide Apr 12 2021 Welcome to the front lines. Everywhere we turn, battle lines are being drawn—traditional marriage vs. gay marriage, pro-life vs. pro-choice, personal freedom vs. governmental protection. Seemingly overnight, culture has shifted to the point where right and wrong are no longer measured by universal truth but by popular opinion. And as difficult conversations about homosexuality, abortion, and religious liberty continue to inject themselves into our workplaces, our churches, our schools, and our homes, Christians everywhere are asking the same question: How are we supposed to respond? Let David Platt, in the Counter Culture Scripture and Prayer Guide, take you on a thirty-one-day tour of the pressing issues of our day and how Christ would have us respond to them. This guide includes instructions on how to lead a month-long group discussion about these issues, as well as thirty individual daily Bible readings. Don't let the winds of this culture push you and your family around. Throughout the next thirty-one days, take time to build your life on the truth of God's Word.

Hymn and Scripture Selection Guide May 02 2020

Scripture and Cosmology Feb 29 2020 Kyle Greenwood introduces readers to ancient Near Eastern cosmology and the ways in which the Bible speaks within that context. He then traces the way the Bible was read through Aristotelian and Copernican cosmologies and discusses how its ancient conceptions should be understood in light of Scripture's authority and contemporary science.

The Books of Nature and Scripture Sep 29 2022 Dick Popkin and James Force have attended a number of recent conferences where it was apparent that much new and important research was being done in the fields of interpreting Newton's and Spinoza's contributions as biblical scholars and of the relationship between their biblical scholarship and other aspects of their particular philosophies. This collection represents the best current research in this area. It stands alone as the only work to bring together the best current work on these topics. Its primary audience is specialised scholars of the thought of Newton and Spinoza as well as historians of the philosophical ideas of the late seventeenth and early eighteenth centuries.

Scripture and Hermeneutics Series Pack: 8-Volume Set May 26 2022 This value priced pack is only \$149.99 (total retail value \$300) and features eight volumes with contributions from over 95 leading scholars including Gerald Bray, James D. G. Dunn, Tremper Longman III, I. Howard Marshall, Kevin J. Vanhoozer, John Webster, Gordon Wenham, N. T. Wright, and many more. The Scripture and Hermeneutics Series Pack includes the following volumes. *Renewing Biblical Interpretation After Pentecost: Language And Biblical Interpretation A Royal Priesthood?: The Use of the Bible Ethically And Politically Behind the Text: History and Biblical Interpretation Out of Egypt: Biblical Theology and Biblical Interpretation Reading Luke: Interpretation, Reflection, Formation Canon and Biblical Interpretation The Bible and the University "*

Reading Scripture with the Church Fathers Jul 04 2020 Christopher Hall shows that studying the writings of the leaders of the early church reveals how the Bible was understood in the centuries closest to its writing. He also lays out how modern Christians can benefit from patristic interpretation of Scripture.

The New American Bible Apr 24 2022

Scripture and Tradition (Acadia Studies in Bible and Theology) Oct 19 2021 In some of the church's history, Scripture has been pitted against tradition and vice versa. Prominent New Testament scholar Edith Humphrey, who understands the issue from both Protestant and Catholic/Orthodox perspectives, revisits this perennial point of tension. She demonstrates that the Bible itself reveals the importance of tradition, exploring how the Gospels, Acts, and the Epistles show Jesus and the apostles claiming the authority of tradition as God's Word, both written and spoken. Arguing that Scripture and tradition are not in opposition but are necessarily and inextricably intertwined, Humphrey defends tradition as God's gift to the church. She also works to dismantle rigid views of sola scriptura while holding a high view of Scripture's authority.

A Monastic Introduction to Sacred Scripture Nov 19 2021 Thomas Merton gave numerous conferences during his decade (1955-1965) as novice master at the Cistercian Abbey of Gethsemani. In *A Monastic Introduction to Sacred Scripture*, Patrick F. O'Connell presents one of these, a wide-ranging introduction to biblical studies. Drawing on church tradition, teaching of recent papal documents, and scholarly resources of the time, Merton reveals the central importance of the Scriptures for the spiritual growth of his listeners. For Merton, at the heart of any meaningful reading of the Scriptures, not only for monks but for all Christians, is the invitation to respond not just intellectually but with the whole self, to recognize the gospel as 'good news', as a saving, liberating, consoling, challenging word, reflecting his fundamental belief that 'the Holy Spirit enlightens us, in our reading, to see how our own lives are part of these great mysteries - how we are one with Jesus in them'. O'Connell's extensive introduction situates this reflection in the context of Merton's evolving engagement with the Bible from his own days as a student monk through the mature reflections from his final years on the biblical renewal in the wake of the Second Vatican Council..

The Character of Christian Scripture Sep 05 2020 An internationally renowned expert in canonical interpretation illuminates the two-testament character of Scripture and its significance for the contemporary church.

Spirit Ethics Dec 21 2021 How can Christians responsibly derive moral guidance from the Bible on pressing issues of personal and social morality today? Jersild's book sets the context for a study of Scripture and the moral life in a postmodern, pluralist society with its impact on biblical studies. The ethical contents and authority of Scripture are addressed, and a "Spirit ethics" is proposed as a way of developing a biblically based Christian ethics. Christians cannot simply adopt a once-and-for-all set of rules nor simply cite Bible verses against the latest sins. "Absolutely essential," says Jersild, "is the ongoing engagement of the church with the moral environment of society and the issues that this raises for the church." Jersild applies his model fruitfully and persuasively to three pressing and perplexing issues: assisted suicide, homosexuality, and genetic programs.

Scripture and Counseling Oct 31 2022 What role does Scripture play in counseling? Today, we face a weakening of confidence in the Bible. This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend. We need to regain our confidence in God's living Word as sufficient to address the real-life issues we face today. Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life. Divided into two sections, Part One develops a robust biblical view of Scripture's sufficiency for "life and godliness" leading to increased confidence in God's Word. Part Two teaches how to use Scripture in the counseling process. This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God's Word to others. Part of the Biblical Counseling Coalition series, Scripture and Counseling brings you the wisdom of twenty ministry leaders who write so you can have confidence that God's Word is sufficient, necessary, and relevant to equip God's people to address the complex issues of life in a broken world. It blends theological wisdom with practical expertise and is accessible to pastors, church leaders, counseling practitioners, and students, equipping them to minister the truth and power of God's word in the context of biblical counseling, soul care, spiritual direction, pastoral care, and small group facilitation.

Reading the Bible in Islamic Context Oct 26 2019 In the current political and social climate, there is increasing demand for a deeper understanding of Muslims, the Qur'an and Islam, as well as a keen demand among Muslim scholars to explore ways of engaging with Christians theologically, culturally, and socially. This book explores the ways in which an awareness of Islam and the Qur'an can change the way in which the Bible is read. The contributors come from both Muslim and Christian backgrounds, bring various levels of commitment to the Qur'an and the Bible as Scripture, and often have significantly different perspectives. The first section of the book contains chapters that compare the report of an event in the Bible with a report of the same event in the Qur'an. The second section addresses Muslim readings of the Bible and biblical tradition and looks at how Muslims might regard the Bible - Can they recognise it as Scripture? If so, what does that mean, and how does it relate to the Qur'an as Scripture? Similarly, how might Christian readers regard the Qur'an? The final section explores different analogies for understanding the Bible in relation to the Qur'an. The book concludes with a reflection upon the particular challenges that await Muslim scholars who seek to respond to Jewish and Christian understandings of the Jewish and Christian scriptures. A pioneering venture into intertextual reading, this book has important implications for relationships between Christians and Muslims. It will be of significant value to scholars of both Biblical and Qur'anic Studies, as well as any Muslim seeking to deepen their understanding of the Bible, and any Christian looking to transform the way in which they read the Bible.

Revelation, Scripture and Church Jun 14 2021 How does God's involvement with the generation of Holy Scripture and its use in the life of the Christian church figure into the human work of Scripture interpretation? This is the central question that this book seeks to address. In critical conversation with the influential hermeneutic programs of James Barr, Paul Ricoeur and Hans Frei, Topping demonstrates how God's agency has been marginalized in the task of Scripture interpretation. Divine involvement with the Bible is bracketed out (Barr), rendered in generic terms (Ricoeur) or left implicit (Frei) in these depictions of the hermeneutic field. The result is that each of these hermeneutic programs is less than a 'realist' interpretative proposal. Talk of God is eclipsed by the terminal consideration of human realities. Topping argues for the centrality of doctrinal description in a lively theological understanding of Scripture interpretation for the life of the church.

Scripture and Strategy Feb 20 2022 David Hesselgrave uses the work of ten influential men to describe what is going on in missions. Each chapter deals with

a different aspect of the use of the Bible in the church and in mission, from the study of the Bible to teaching biblical principles to church leaders on the mission field. As the first title in the new Evangelical Missiological Society series, this textbook is designed for use in addressing: Contemporary Issues in Missions, Mission Strategy, Theology of Mission, Survey of Mission, Mission Principles and Practices, Strategy for World Evangelization, Church Planting, Church Growth, and Contextualization.

Scripture and Its Interpretation Sep 25 2019 Top-notch biblical scholars from around the world and from various Christian traditions offer a fulsome yet readable introduction to the Bible and its interpretation. The book concisely introduces the Old and New Testaments and related topics and examines a wide variety of historical and contemporary interpretive approaches, including African, African-American, Asian, and Latino streams. Contributors include N. T. Wright, M. Daniel Carroll R., Stephen Fowl, Joel Green, Michael Holmes, Edith Humphrey, Christopher Rowland, and K. K. Yeo, among others. Questions for reflection and discussion, an annotated bibliography, and a glossary are included.

The Confession of Faith Jan 28 2020

She Reads Truth Nov 27 2019 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

NKJV, Abide Bible Mar 24 2022 “Abide in Me.” John 15:4 Do you yearn for life-giving, intimate communion with God? The Abide Bible is designed to help you experience the peace, hope, and growth that comes from encountering the voice and presence of God in Scripture. Every feature in Abide is designed to teach and develop Scripture-engagement habits that help you know the power and spiritual nourishment of abiding in Christ. Created in partnership with Bible Gateway and the Taylor University Center for Scripture Engagement, The Abide Bible's features includes book introductions and practical Scripture-engagement prompts based on five ways of engaging deeply with the Bible: Praying Scripture: Pattern your prayers after biblical texts, personalizing the prayer and gaining language for the thoughts and emotions you want to express. Picture It: Place yourself in a biblical narrative as a bystander or participant in important events. Journaling: Focus and reflect on Scripture and its meaning for your life, opening yourself to God's voice as you ponder. Engage Through Art: Consider a classic piece of art—photograph, sculpture, painting—and let it deepen your meditations on scriptural truths. Contemplate: Follow the church's longstanding practice of reading, meditating on, praying, and contemplating a passage of Scripture in order to experience God's presence through the words of the Bible.

Holy Bible Mar 12 2021 A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font.

Closer to God Through Scripture and Prayer Mar 31 2020 Closer to God Through Scripture and Prayer is a compilation of encouraging messages, heartfelt prayers and Bible verses for every occasion, packaged neatly together as a daily devotional. Perfect for the new Christian or the seasoned prayer warrior, this Bible study guide from author Rose M. Vetter is divided by topic and subject matter, and is stocked full of uplifting lessons in truth. Readers can peruse a lesson and Bible verse by topic, or simply use the book for morning or evening devotions. The perfect solution for those days when you're at a loss for words, Closer to God will provide the inspiration and spiritual direction you need.

Dictionary of Scripture and Ethics Jan 22 2022 A reference guide on the relationship between scripture and ethics features up-to-date commentary on hundreds of topics including bioethics, homosexuality, and torture.

Revelation Jul 24 2019 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.
