Me and White Supremacy Aug 22 2021 'An indispensable resource for white people who want to challenge white supremacy but don't know where to begin' Robin DiAngelo, author of WHITE FRAGILITY 'It should be mandatory reading ... Buy the book, do the work and then push more copies into the hands of everyone you know' Emma Gannon 'Confrontational and much-needed' Stylist 'She is no-joke changing the world and, for what it's worth, the way I live my life.' Me and White Supremacy shows readers how to dismantle the privilege within themselves so that they can stop (often unconsciously) inflicting damage on people of colour, and in turn, help other white people do better, too. When Layla Saad began an Instagram challenge called #MeAndWhiteSupremacy, she never predicted it would spread as widely as it did. She encouraged people to own up and share their racist behaviours, big and small. She was looking for truth, and she got it. Thousands of people participated, and over 90,000 people downloaded the book. The updated and expanded Me and White Supremacy takes the work deeper by adding more historical and cultural contexts, sharing moving stories and anecdotes, and including expanded definitions, examples, and further resources. Awareness leads to action, and action leads to change. The numbers show that readers are ready to do this work - let's give it to them.

Layla Jul 29 2019 "Author Jeannie Kerrigan pulled the story of Layla from the marrow of her bones and the structure of her cells. It is the true life story of her journey through physical and sexual abuse, rape, abduction, drug addiction, stripping, prostitution, death and more death, and it is an account of the human journey between dualities - light and dark, broken and whole, hell and heaven, fear and absolute love."--Back cover.

Your Tempting Love Jul 09 2020 The best part about being Christopher Bennett is that no one ever really says no to me. I'm persuasive. I'm witty. And boy, do I know how to turn on the charm. If only I could turn my family's attempts at persuasion off. Their meddling is out of control. No one asked them to matchmake. Certainly not me. And certainly not with an interior decorator raising her younger siblings. Then Victoria Hensley turns out to be more than just a decorator. Her laughter is contagious. Her beautiful lips and curves are beyond tempting. Sparks are flying between us, to my dismay and my family's delight. Next thing I know, I'm training her brother in soccer and reading bedtime stories to her sister. Who am I? Turns out I can't say no to Victoria. And I refuse to let her say no to me. I know I'm a client, that I'm technically off-limits. But doesn't that make it all the more exciting? I'm determined to see this thing through to the end. And I won't settle for anything less than a happily-ever-after.

Your Fierce Love Apr 05 2020 They say Blake Bennett is downright irresistible. They're mostly right. I've never had to work too hard to fill my bed. One smile is usually all it takes. I like it like that. With the men of my family dropping like flies into true love and marriage, it's nice to know one of us can still maintain the famous Bennett bachelor lifestyle. Even if they are starting to pressure me to join them. So how has Clara Abernathy managed to resist all my charms? Her sweetness and sass are a lethal combination, and I'm dying for just one taste. Our family has treated her like one of our own for years. After spending her life in group homes, we've given her a place to belong. And after she needs a place to stay, I offer her a literal home next door to me. Yeah, maybe hooking up with me would be crossing a line. Just a little. I know family friends are off-limits. She has professional conflicts on top of it. But she's filling a hole in me I didn't even know I had. Soon I have this bizarre compulsion to make her this happy too. I've always liked bending the rules, but will this be the one that finally breaks me?

Sabrina Mahfouz Plays: 1 Jul 01 2022 Sabrina Mahfouz has been called 'theatrical dynamite' by The Independent and '[one of] our most interesting playwrights' by Lyn Gardner in The Guardian. As a recent elected Fellow of the Royal Society of Literature, she is a playwright, poet, essayist, children's author and activist whose work explores a variety of mediums in challenging and genre-defying ways. Her first play collection brings together a unique mix of published and previously unpublished works for the stage, including a Off West End Award-winning play for children; a Fringe First award-winner; a BBC Radio & Music Best Drama award-winner and a Sky Arts Academy award-winning play. From the explosive poetic monologue play Chef to the rhythmic drive of With a Little Bit of Luck, this collection fizzles with infectious lyricism that captures Mahfouz's work for the stage in a variety of different forms, proving that contemporary theatre remains boundless in terms of its ability to spark debate and move audiences.

Everything Feb 25 2022 In taut, exquisite prose, Kevin Canty explores the largest themes of life—work, love, death, destruction, rebirth—in the middle of the everyday. On the fifth of July, RL and June go down to the river with a bottle of Johnnie Walker Red to commemorate Taylor's fiftieth and last birthday. Taylor was RL's boyhood friend and June's husband, but after eleven years, June, a childless hospice worker, finally declares she's "nobody's widow anymore." Anxious for a new beginning, June considers selling her beloved house. RL, a divorced empty-nester, faces a major change, too, when he agrees to lodge his college girlfriend, Betsy, while she undergoes chemotherapy. Caught between Betsy's anguish and June's hope, the cynical RL is brought face-to-face with his own sense of futility, and the longing to experience the kind of love that "knocks you down." Set in Montana, reflecting the beauty of its landscape and the independence of its people, Everything is a shimmering novel about unexpected redemption by a writer of deep empathy and prodigious talents. From the Hardcover edition.

COVID-19 and Risk Society across the MENA Region Nov 12 2020 The impact of the COVID-19 pandemic – at the interlocking levels of politics, economy, and society – have been different across regions, states, and societies. In the case of the Middle East and North Africa, which was already in the throes of intense tumult following the onset of the 2011 Arab Spring, COVID's blows have on the one hand followed the trajectory of some global patterns, while at the same time playing out in regionally specific ways. Based on empirical country-level analysis, this volume brings together an international team of contributors seeking to untangle how COVID-19 unfolds across the MENA. The analyses are framed through a contextual adaptation of Ulrich Beck's famous concept of "risk society" that pinpointed the negative consequences of modernity and its unbridled capitalism. The book traces how this has come home in full force in the COVID-19 pandemic. The editors, Larbi Sadiki and Layla Saleh, use the term "Arab risk society". They highlight short-term and long-term repercussions across the MENA. These include socio-economic inequality, a revitalized state of authoritarianism challenged by relentless democratic struggles. But the analyses are attuned to problem-solving research. The "ethnographies of the pandemic" included in this book investigate transformations and coping mechanisms within each country case study. They provide an ethically-informed research praxis that can respond to the manifold crises crashing down upon MENA politics and societies

Your Forever Love Jun 07 2020 I know what people say about me. Eric Callahan, 'The Shark'. I own it. I'm a powerful man. My sharp business sense earned me that nickname. My façade is my armor. Underneath is where I keep the devotion I have for my daughter. Since her mother died, I've devoted my life to her. Expanding my business on the West Coast is one way to ensure I build the legacy she deserves. And that's all I plan to do for our three months in San Francisco. Until I meet Pippa Bennett. I swear, I didn't mean to start flirting with her. It was a complete accident. So was continuing. I can't resist the pull between us any more than I can change the tides in the Bay. We have the same sense of humor, we have chemistry for days, and she's as kind and sweet with my daughter as my family is. This is fast spiraling out of control. She's a divorcee, I'm a widower. Neither of us was prepared to take a chance on love again. Besides, we always had a time limit. But as it grows closer, I can't help but wonder—can I let her go, or could this one be forever?

With Us Oct 04 2022 More than just a dimpled smile and chiseled jaw, Theo Amato's quick-thinking and bold confidence made him successful. Heavy responsibilities left time for close friends and family, but nothing more. It wasn't until he looked into a pair of big green eyes that his focus changed. Full lips, a gorgeous face, and an endearing personality had him hooked from the start. There was nothing Dahlia Kincaid enjoyed more than a good book, a funny movie, and a full night's sleep. Long workdays meant she rarely had time for any of them, but the sacrifice was worth it to live in the city. It wasn't until she met a man with model good looks and sexy veined hands that her life changed in ways she'd never even known to dream of. Wickedly sweet, Theo gently and strategically pulled Dahlia from her rut, handing her the world in the process. But shadows play tricks on the eyes, and life wasn't always what it seemed. With them... It was better.
