Fallen Dec 25 2019 In New York Times bestselling author Linda Castillo's next thriller *Fallen*, a rebellious Amish woman leaves the Plain life, but the secrets she takes with her will lead Chief of Police Kate Burkholder down a dark path to danger and death. When a young woman is found murdered in a Painters Mill motel, Chief of Police Kate Burkholder is shocked to discover she once knew the victim. Rachael Schwartz was a charming but troubled Amish girl who left the fold years ago and fled Painters Mill. Why was she back in town? And who would kill her so brutally? Kate remembers Rachael as the only girl who was as bad at being Amish as Kate was—and those parallels dog her. But the more Kate learns about Rachael's life, the more she's convinced that her dubious reputation was deserved. As a child, Rachael was a rowdy rulebreaker whose decision to leave devastated her parents and best friend. As an adult, she was charismatic and beautiful, a rabble-rouser with a keen eye for opportunity no matter who got in her way. Her no-holds-barred lifestyle earned her a lot of love and enemies aplenty—both English and Amish. As the case heats to a fever pitch and long-buried secrets resurface, a killer haunts Painters Mill. Someone doesn't want Rachael's past—or the mysteries she took with her to the grave—coming to light. As Kate digs deeper, violence strikes again, this time hitting close to home. Will Kate uncover the

truth and bring a murderer to justice? Or will a killer bent on protecting a terrible past stop her once and for all—and let the fallen be forgotten? *Daughters of Rome* Dec 17 2021 This sweeping and powerful epic tells the story of one of the bloodiest years in Rome's history through the eyes of two remarkable women fighting for survival. A.D. 69. The Roman Empire is up for the taking. The Year of Four Emperors will change everything - especially the lives of two sisters with a very personal stake in the outcome. Elegant and ambitious, Cornelia embodies the essence of the perfect Roman wife. She lives to one day see her loyal husband as Emperor. Her sister Marcella is more aloof, content to witness history rather than make it. But when a bloody coup turns their world upside down, both women must manoeuvre carefully just to stay alive. As Cornelia tries to pick up the pieces of her shattered dreams, Marcella discovers a hidden talent for influencing the most powerful men in Rome. In the end, though, there can only be one Emperor...and one Empress. There is so much about friendship we either don't know or don't articulate: why do some friendships last a lifetime, while others are only temporary? How do you break up with a toxic friend? It's killing us, making us miserable and causing a public health crisis. What if meaningful friendships are the solution, not a distraction In *The Friendship Cure*, Kate Leaver's much anticipated manifesto brings to light what modern friendship means, how it can survive, why we need it and what we can do to get the most from it. From behavioural scientists to best mates, Kate finds extraordinary stories and research, drawing on her own experiences to create a fascinating blend of accessible smart thinking, investigative journalism, pop culture and memoir.

Since arriving back into Shadow Grove, I've been stalked, tormented, chased and almost killed. I've been lied to, repeatedly, by people I was growing to trust. Liar. That word haunts me. Someone knows more about my life than I do. Someone is taunting me with answers and teasing me with secrets. Am I desperate enough to fall for more deception? Maybe Baby: On the Mother Side Oct 27 2022 The honest, entertaining and brilliantly relatable Sunday Times bestseller. Kate Lawler has never been maternal. And yet here she is: mother to Noa, after years of going back and forth about having children at all. This is the story of her journey from parentally undecided to early motherhood, via raging hormones, sleepless nights, emergency hospital trips, mum guilt, unspoken regrets and post-natal depression. This book is not a parenting manual. It won't tell you what to pack in your hospital bag, or how to get your baby to sleep. It may not help you with

feeding or dealing with tantrums. But it will show you that you're not alone - and that it's perfectly possible, and maybe even normal, to love your child with all of your heart while also feeling lost, alone and resentful. Whether you're an expectant parent, a new parent, firmly in the thick of it, or still parentally undecided, this book is for you, as Kate writes honestly and hilariously about the ups and downs of pregnancy, birth and early parenting, as well as the impact of a new baby on relationships, your sense of self and everything in between. It's a book that, with Kate's usual candour and wit, will help mums and dads everywhere feel seen - and completely understood. 'Wow what a read! I love it. Kate's honest, open, funny account of motherhood with all its highs and lows is a breath of fresh air and relatable for so many.' Gemma Atkinson 'Honest, brave and relatable mixed with humour. Kate, you've nailed it. Whether you are an expectant parent or simply not sure, Maybe Baby will give you tears and laughter - both in equal measures!' Frankie Bridge 'Maybe Baby is beautifully honest, open and brilliant. Full of humorous anecdotes, Kate has written a book for the EVERY-woman - those wanting children, those not, and those who are indecisively on the fence about the whole thing. Kate sharing her experiences, especially with PND, will help open up important conversations and support so many going through a similar situation.' Giovanna Fletcher 'This isn't just another mum book. Raw, honest, brutally funny, Kate has nailed the highs, lows, peaks and troughs of this rollercoaster of a parental ride.'

Beyond the Olive Grove Sep 21 2019 The place seemed utterly still, the only sound was the wind rustling high in the pines above. Standing there, realizing she didn't even know which house had

belonged to her grandmother, Ava wondered just how crazy and desperate she'd been to come all this way with no hope or plan. When Ava arrives in Greece, it's with a heart that's shattered into a thousand pieces. But as she pulls up in a tiny village nestled on a cliff above the glittering Ionian Sea, and steps out in front of a tumbledown house that once belonged to her grandmother Sophia, everything changes. At first Ava almost wants to laugh at this bizarre inheritance—a home that has been uninhabited since the Second World War—that appears as close to collapse as she herself feels. But with nowhere left to run to, her only choice is to start putting the house together again. What Ava doesn't expect is for pieces of her grandmother's story to emerge, as a local survivor from the war begins to share her secrets. Ava can't help but be drawn to Sophia's hidden past... even though the truth could change her own life forever. Because Sophia's story is one of devastating choices she had to make during the Nazi invasion of her beloved country. It's a story of bravery, betrayal and tragedy. But most of all, it is a story about love... An utterly unforgettable story of two remarkable women who find the strength to persevere against all odds and find hope, courage and light in the darkness. Breaking Silence Jun 30 2020 When Chief of Police, Kate Burkholder, is called to a farm in the Amish community of Painter's Creek, nothing could prepare her for the horror and tragedy she encounters. Solly and Rachel Slabaugh, and his brother Abel, have drowned in the hog pit leaving the four children as orphans. As the investigation progresses, it seems that the Slabaugh deaths were not an accident, and the case suddenly becomes a murder enquiry. Agent John Tomasetti and Kate have worked together before, and now he is called back to Painter's Creek to help seek out the perpetrators of what appear to be serious hate crimes against the Amish. Whether these crimes and the Slabaugh murders are linked is hard to establish because the Amish are very proud and private people who do not enjoy involvement from outside. As the case deepens, Kate develops a bond with the children, particularly the 15-year-old daughter, Solome. Maybe she is reminded of herself at that age, and maybe there's something about this case which stirs up memories for her. The events surrounding the deaths puzzle her - something doesn't feel right. As more information comes to light, a tragic incident turns into something much more shocking.
