The Canon in Southeast Asian Literature Mar 30 2020 The literary canon is one of the most lively areas of debate in contemporary literary studies. This set of essays is both timely and original in its focus on the canon in South-East Asian literatures, covering Burma, Cambodia, Indonesia, Laos, Malaysia, Philippines, Thailand and Vietnam. They vary in focus, from the broad panoramic survey of trends in a national literature to very specific discussions of the role of individuals in shaping a canon or the place of a particular text within a tradition, and from contemporary to traditional literature. They include discussions of the development of prose fiction, censorship and artistic freedom, the role of westerners in codifying indigenous literatures, the writing of literary history, the development of literary criticism and indigenous aesthetics.

A Treacherous Paradise Jun 20 2019 From the internationally acclaimed author of the Wallander crime series, a dramatic new standalone novel set in turn-of-the-century Sweden and Mozambique, whose indomitable female protagonist is awoken from naiveté by her exposure to racism, and by her own unexpected inner strengths. Cold and poverty define Hanna Renström's childhood in remote northern Sweden, and in 1905, at 19, she boards a ship for Australia in hope of a better life. But none of her hopes--or fears--prepares her for the life she will lead. After 2 brief marriages, she finds herself a widow twice over, and the owner of a bordello in Portuguese East Africa, a world where colonialism and white supremacy rule, where she is isolated within society by her profession and her sex, and, among the bordello's black prostitutes, by her colour. As Hanna's story unfurls over the next several years, we watch her in this "treacherous paradise," as she wrestles with a constant, wrenching loneliness and with the racism she's meant to unthinkingly adopt. And as her life becomes increasingly intertwined with the prostitutes, she moves inexorably toward the moment when she will make a decision that defies every expectation society has of her, and, more importantly, those she has of herself.

The Huk Rebellion Nov 18 2021 Newly available with an updated bibliographic essay, this highly acclaimed work explores the Huk rebellion, a momentous peasant revolt in the Philippines. Unlike prevailing top-down analysis, Kerkvliet seeks to understand the movement from the point of view of its participants and sympathizers. He argues that seeing a peasant revolt through the eyes of those who rebelled explains and clarifies the actions of people who otherwise might appear irrational. Drawing on a rich array of documents and in-depth interviews with peasants and rebel leaders, the author provides definitive answers to the causes of the rebellion, the goals of the rebels, and the process of resistance.

The Chinese Question Nov 25 2019 The rising strength of mainland China has spurred a revival of "Chineseness" in the Philippines. Perceived during the Cold War era as economically dominant, political disloyal, and culturally different, the "Chinese" presented themselves as an integral part of the Filipino imagined community. Today, as Filipinos seek associations with China, many of them see the local Chinese community as key players in East Asian regional economic development. With the revaluing of Chineseness has come a repositioning of "Chinese" racial and cultural identity. Philippine mestizos (people of mixed ancestry) form an important sub-group of the Filipino elite, but their Chineseness was occluded as they disappeared into the emergent Filipino nation. In the twentieth century, mestizos defined themselves and based claims to privilege on "white" ancestry, but mestizos are now actively reclaiming their "Chinese" heritage. At the same time, so-called "pure Chinese" are parlaying their connections into cultural, social, symbolic, or economic capital, and leaders of mainland Chinese state companies have entered into politico-business alliances with the Filipino national elite. As the meanings of "Chinese" and "Filipino" evolve, intractable contradictions are appearing in the concepts of citizenship and national belonging. Through an examination of cinematic and literary works, *The Chinese Question* shows how race, class, ideology, nationality, territory, sovereignty, and mobility are shaping the discourses of national integration, regional identification, and global cosmopolitanism.

Bullough, The Guardian From the author of *Crashed* comes a gripping short history of how Covid-19 ravaged the global economy, and where it leaves us now. When the news first began to trickle out of China about a new virus in December 2019, risk-averse financial markets were alert to its potential for disruption. Yet they could never have predicted the total economic collapse that would follow in COVID-19's wake, as stock markets fell faster and harder than at any time since 1929, currencies across the world plunged, investors panicked, and even gold was sold. In a matter of weeks, the world's economy was brought to an abrupt halt by governments trying to contain a spiralling public health catastrophe. Flights were grounded; supply chains broken; industries from tourism to oil to hospitality collapsed overnight, leaving hundreds of millions of people unemployed. Central banks responded with unprecedented interventions, just to keep their economies on life-support. For the first time since the second world war, the entire global economic system contracted. This book tells the story of that shutdown. We do not yet know how this story ends, or what new world we will find on the other side. In this fast-paced, compelling and at times shocking analysis, Adam Tooze surveys the wreckage, and looks at where we might be headed next. *Asian and African Studies* May 12 2021

Villages Jul 26 2022 In this wry novel of sentimental education and sexual pursuit, we follow Owen Mackenzie, a representative man of the author's generation, from cradle to grave, and from bed to bed. His life and relationships are shaped by three villages, warm-lit communities that keep the darkness at bay from within and without. In Willow, Pennsylvania, the young Owen is transfixed by his first glimpses of female beauty. In Middle Falls, Connecticut, he marries, becomes a first-wave computer programmer, and discovers the very grownup pleasures of serial adultery. Finally, married for a second time, he retires with his memories, illusions, and fantasies to the somewhat geriatric community of Haskells Crossing, Massachusetts. John Updike turns Owen's personal odyssey into a radiant, sensual fable of the seasons of a man's life—and of the getting of wisdom in America.

Albina and the Dog-Men Dec 07 2020 From the psychomagical guru who brought you *The Holy Mountain* and *Where the Bird Sings Best* comes a supernatural love-and-horror story in which a beautiful albino giantess unleashes the slavering animal lurking inside the men of a small village. When two women—an amnesiac goddess and her protector, a leather-tough woman called Crabby—arrive in a Chilean desert town, Albina's otherworldly allure and unfettered sensuality turn men into wild beasts. Chased by a clubfooted corrupt cop, evil corporate overlords, giant-hare-riding narcos, and Himalayan cultists, Albina and Crabby must find a magical cactus that will cure Albina and the men's monstrous affliction before the town consumes itself in an orgy of lust and violence. *Albina and the Dog-Men* is Alejandro Jodorowsky's darkly funny, shocking, and surreal hybrid of mystical folktale, road novel, horror story, and social parable, ultimately uniting in a universal story of love against the odds and what makes us human. Praise for *Albina and the Dog-Men* "Deeply psychological and mysterious, the book will stimulate the imagination of the reader's mind to the extreme." —Marina Abramović "In his latest novel, Jodorowsky builds on his multi-decade long assault of the public imagination . . . a fantastical and genre-defying parable of love and friendship. . . . Throughout this dark dream of a novel, Jodorowsky's writing is comic and occasionally mesmerizing. It is also ripe with horror and philosophical questions about what it means to belong, everywhere and nowhere. And while some of the subject matter is disturbing, it often carries the air of something ancient that you read children by a fire. For years Jodorowsky has proven the intensity of his imagination, and how far he is willing to go to present his singular vision to the world. He is a fully realized artist whose tales demand attention. At its core, *Albina and the Dog-Men* is a love story about two people committed to one another's survival and to discovering their potential. And, as with life, it is sometimes only through the weathering of a storm that our true capacities are made clear." —Juan Vidal, NPR Books "[*Albina and the Dog-Men*] may be the ultimate piece of Jodorowsky arcana, a mind-bending adventure story on par with his wildest cinematic visions. . . . A surrealist novel par excellence, *Albina and the Dog-Men* is a dream, a prophecy, a hallucination, and a transfiguration such as only Jodorowsky could induce." —Publishers Weekly "Composed like a feverish fairytale, *Albina and the Dog-Men* is a South American parable of self-acceptance and belonging that is fueled by prurience and colored with vivid, hallucinogenic details. . . . No moment of Jodorowsky's book is at all predictable or familiar, and those who have a taste for the uncanny will be in awe over its undulations into strange, even godly, territory. The sensuality of the prose thickens as Albina's situation becomes more tenuous, resulting in heady and appealing constructions. . . . As *Albina and the Dog-Men* and her followers traipse over barren lands and into forests protected by ancient Incans, the novel winds toward territory both magical and needfully human. The surreal methods of redemption in the novel's final pages prove both glorious and moving. Jodorowsky's is a work of unforgettable weirdness, a work whose movements are directed by sometimes violent mysticism and whose final lessons may speak to all who have ever dreamed of transformation." —Michelle Anne Schingler, *Foreword Reviews*, Five-Star Review

If You Want to Know what We are Jul 22 2019

The Beast Feb 27 2020 ONE OF THE BEST BOOKS OF THE YEAR, *The Economist* and *The Financial Times* "Harrowing" true stories from two years of immersion reporting on the migrant trail from Chiapas to Arizona—an "honorable successor to enduring works like George Orwell's *The Road to Wigan Pier*" (*New York Times*) One day a few years ago, 300 migrants were kidnapped between the remote desert towns of Altar, Mexico, and Sasabe, Arizona. A local priest got 120 released, many with broken ankles and other marks of abuse, but the rest vanished. Óscar Martínez, a young writer from El Salvador, was in Altar soon after the abduction, and his account of the migrant disappearances is only one of the harrowing stories he garnered from two years spent traveling up and down the migrant trail from Central America and across the US border. More than a quarter of a million Central Americans make this increasingly dangerous journey each year, and each year as many as 20,000 of them are kidnapped. Martínez writes in powerful, unforgettable prose about clinging to the tops of freight trains; finding respite, work and hardship in shelters and brothels; and riding shotgun with the border patrol. Illustrated with stunning full-color photographs, *The Beast* is the first book to shed light on the harsh new reality of the migrant trail in the age of the narcotraficantes.

An Apprenticeship or The Book of Pleasures Oct 17 2021 Now in paperback, a romantic love story by the great Brazilian writer Lóri, a primary school teacher, is isolated and nervous, comfortable with children but unable to connect to adults. When she meets Ulisses, a professor of philosophy, an opportunity opens: a chance to escape the shipwreck of introspection and embrace the love, including the sexual love, of a man. Her attempt, as Sheila Heti writes in her afterword, is not only "to love and to be loved," but also "to be worthy of life itself." Published in 1968, *An Apprenticeship* is Clarice Lispector's attempt to reinvent herself following the exhausting effort of her metaphysical masterpiece *The Passion According to G. H.* Here, in this unconventional love story, she explores the ways in which people try to bridge the gaps between them, and the result,

unusual in her work, surprised many readers and became a bestseller. Some appreciated its accessibility; others denounced it as sexist or superficial. To both admirers and critics, the olympian Clarice gave a typically elliptical answer: "I humanized myself," she said. "The book reflects that."

Philippine Studies Jan 20 2022 These essays by Philippine and U.S.-based scholars illustrate the dynamism and complexities of the discursive field of Philippine studies as a critique of vestiges of "universalist" (Western/hegemonic) paradigms; as an affirmation of "traditional" and "emergent" cultural practices; as a site for new readings of "old" texts and "new" popular forms brought into the ambit of serious scholarship; and as a liberative space for new art and literary genres.

Family Papers Mar 10 2021 Named one of the best books of 2019 by The Economist and a New York Times Book Review Editors' Choice. A National Jewish Book Award finalist. "A superb and touching book about the frailty of ties that hold together places and people." --The New York Times Book Review An award-winning historian shares the true story of a frayed and diasporic Sephardic Jewish family preserved in thousands of letters For centuries, the bustling port city of Salonica was home to the sprawling Levy family. As leading publishers and editors, they helped chronicle modernity as it was experienced by Sephardic Jews across the Ottoman Empire. The wars of the twentieth century, however, redrew the borders around them, in the process transforming the Levys from Ottomans to Greeks. Family members soon moved across boundaries and hemispheres, stretching the familial diaspora from Greece to Western Europe, Israel, Brazil, and India. In time, the Holocaust nearly eviscerated the clan, eradicating whole branches of the family tree. In Family Papers, the prizewinning Sephardic historian Sarah Abrevaya Stein uses the family's correspondence to tell the story of their journey across the arc of a century and the breadth of the globe. They wrote to share grief and to reveal secrets, to propose marriage and to plan for divorce, to maintain connection. They wrote because they were family. And years after they frayed, Stein discovers, what remains solid is the fragile tissue that once held them together: neither blood nor belief, but papers. With meticulous research and care, Stein uses the Levys' letters to tell not only their history, but the history of Sephardic Jews in the twentieth century.

Edmond Jabès and the Archaeology of the Book Oct 05 2020 This book offers a fresh reflection on The Book of Questions by the French-Egyptian Jewish writer Edmond Jabès and its readings, and proposes to re-contextualize Jabès' enigmatic prose through the lens of the author's manuscripts. Addressed are the main prisms through which Jabès' oeuvre has been read since its publication in 1963: Jewishness, the Shoah, intertextuality with Midrash and Kabbalah, hermeticism and interpretation. It analyzes their shapes and their becoming in the work-in-progress, reveals the dynamics and the contexts of their evolution from the pre-texts to the text and beyond, and reflects on the relationship between creation, interpretation, and writing as a process. It seeks to rethink our reading of The Book of Questions and the poetics and hermeneutics of enigmatic writing.

Dishonorable: The Complete Trilogy Sep 28 2022 This set contains Dishonorable, Corruptible and Unhinged, the complete stories of the Amado Brothers! Dishonorable Sofia I didn't know Raphael Amado when he turned up on our doorstep demanding restitution for an old debt. My grandfather knew him well, though, and he quickly conceded. That restitution? Me. Six months later, on my eighteenth birthday, Raphael came to claim me. He stole me from my home, taking me to his Tuscan estate, where from the crumbling chapel to the destroyed vineyard to that dark cellar, the past stalked him like a shadow. Even the walls held secrets here and I'd need to uncover them all to survive. Because taking me was only the beginning of his plan. Raphael Sofia was the sacrifice to pay for her grandfather's sins. She accused me of being the devil. And she's right. But the truth was, he betrayed her. And when the time came to promise to love, cherish, and obey she spoke the words that would seal her fate. I do. We have a common enemy, though, my unwilling bride and I. But even the devil protects what's his. And she's mine. She just doesn't yet know how much protecting she needs. Corruptible When I disappeared out of Lina Guardia's life years ago, it was for her own good. She was too young. Too corruptible. Now our paths cross again. But things are different. She's got secrets. Dangerous ones. She thinks she can keep me out of her world, but she's in over her head and needs a protector. I just have to remember I can't be more than that to her. I can't give in to the temptation. Because in six months, I'll be a priest. And she complicates things. *Author's Note: Corruptible was originally published with the title Disgraced. Unhinged Eve Two years ago, I made a deal with the devil. That night, I lost everything. That night, I thought he died. But he's back. Risen, like Lazarus, from the dead. And he thinks I betrayed him. The way he looks at me should terrify me, but I'm drawn to him. I always have been. Even now. Even though I know if I'm not careful, his obsession will destroy us both. Zach I should have died that night two years ago. My mistake cost my men their lives. It should have cost me mine. But I survived. And the day I learned Eve did too, I made it my mission to find her. I sought her out. Found her living her new life. I've been inside her house. Eaten her food. I've stood beside her bed and watched her sleep. She has so many secrets, and I know one of them. It's the one where our paths collide. The one that destroyed me. And it's the reason I've come for her. I never intended to touch her, but I did. And now that I've had a taste, I want more. I want her.

Christmas at Cold Comfort Farm Sep 04 2020 This Christmas indulge in a feel-good collection of stories from the author of Cold Comfort Farm. WITH AN INTRODUCTION BY ALEXANDER MCCALL SMITH The title story tells of a typical Christmas at the farm before the coming of Flora Poste. It is a parody of the worst sort of family Christmas: Adam Lambsbreath dresses up as Father Christmas in two of Judith's red shawls. There are unsuitable presents, unpleasant insertions into the pudding and Aunt Ada Doom orders Amos to carve the turkey, adding: 'Ay, would it were a vulture, 'twere more fitting!' In Praise of Reading and Fiction Jun 25 2022 On December 7, 2010, Mario Vargas Llosa was awarded the Nobel Prize in Literature. His Nobel ILecture is a resounding tribute to fiction's power to inspire readers to greater ambition, to dissent, and to political action. "We would be worse than we are without the good books we have read, more conformist, not as restless, more submissive, and the critical spirit, the engine of progress, would not even exist," Vargas Llosa writes. "Like writing,

reading is a protest against the insufficiencies of life. When we look in fiction for what is missing in life, we are saying, with no need to say it or even to know it, that life as it is does not satisfy our thirst for the absolute—the foundation of the human condition—and should be better." Vargas Llosa's lecture is a powerful argument for the necessity of literature in our lives today. For, as he eloquently writes, "literature not only submerges us in the dream of beauty and happiness but alerts us to every kind of oppression."

The Power of the Herd Aug 03 2020 Linda Kohanov is beloved for her groundbreaking articulation of "the way of the horse," an experiential wisdom known to riders for centuries but little studied or adapted to off-horse use. Now Kohanov takes those horse-inspired insights on the nonverbal elements of exceptional communication and leadership into the realms of our workplaces and relationships. Here we explore the benefits of "nonpredatory power" in developing assertiveness, fostering creativity, dealing with conflict, and heightening mind-body awareness. In "A Brief History of Power," the first part of this far-reaching book, Kohanov profiles cultural innovators who employed extraordinary nonverbal leadership skills to change history, usually on horseback: Winston Churchill, George Washington, Alexander the Great, and Siddhartha Gautama (the Buddha), among others. She also draws on the behavior of mature horse herds, as well as the herding cultures of Africa and Mongolia, to debunk theories of dominance hierarchies, challenge ingrained notions of "survival of the fittest," and demonstrate the power of a consensual leadership in which governing roles are fluid. Kohanov then adapts these lessons into twelve powerful guiding principles we can all incorporate into our work and personal lives. Eloquent and provocative, this is horse sense for everyone who seeks to thrive in the herds we all run in — our communities, careers, families, and friendships.

Birds of Prey Oct 29 2022 *Birds of Prey (Mga Ibong Mandaragit)* is a story of the valiant fight for justice and social change during and after the Japanese occupation of the Philippines in World War II. Originally written in Tagalog by revered Philippine National Artist in Literature Amado V. Hernandez, and translated to English by Estelita Constantino-Pangilinan, this socio-political novel depicts the oppression of the Filipino people by both the brutal occupiers and their own corrupt leaders, while holding out hope for a vision of an egalitarian society. Inspired by Jose Rizal's novels, it is a sequel to *El Filibusterismo*. *Birds of Prey* follows Mando Plaridel, the guerrilla warrior who discovers his strength and greater purpose as he searches for and finds the treasure left behind by Rizal's protagonist Simoun. This historical fiction examines one country's past but its message resonates with the real and present struggles in societies around the world.
