Tiger Mates Shifter Romance Box Set (An Eternal Mates Paranormal Romance Series Bundle) Nov 22 2021 Get three hot tiger shifter romance books in one incredible box set and step into the Eternal Mates world from NY Times and USA Today best-selling paranormal romance author Felicity Heaton. The Tiger Mates bundle features sizzling passion, fated mates, sexy shifters, protective heroes, and strong heroines—an explosive combination sure to have you falling in love with the rich, detailed and addictive world of the Eternal Mates series. Read the tales of three sibling shifters as they find their true mates and battle to win their hearts, and their happily forever after. TURNED BY A TIGER Hunted and on the verge of bleeding out, Talon has no choice but to seek sanctuary at Underworld, a nightclub run by a jaguar shifter liable to kill him on sight. What he finds in the old warehouse isn't the grim shadow of Death though but an angel of mercy, one who offers him salvation and revenge—one who happens to be his fated mate. Tending bar at Underworld is never dull when you're a mortal surrounded by immortals, but when a gorgeous tiger shifter stumbles into the club, Sherry's entire world is in danger of being turned on its head. Something about the mysterious warrior has her stepping in to save him, something that ignites her heart and stirs her soul. When Talon reveals the name of his captors, and his plan to head back in to save his friends, will Sherry be brave enough to embrace her feelings for him and step deeper into the world of immortals? And will Talon be strong enough to resist the lure of Sherry to protect his family's secret or will he risk everything to claim his eternal mate? TAMED BY A TIGER A snow leopard shifter in the prime of his life, the last thing on August's mind is tying himself to one female. He welcomes a different one to his bed each night, or at least he had until five months ago. The pressures of running the pride have his libido dead on arrival—until a trip to London lands him in the path of a bewitching tigress who awakens a passion that flares white hot and a need of her that consumes him. Promised at birth to a male she has never met, Maya has left her pride behind to go to him. A stop in London to say goodbye to her older brother, Talon, turns out far different, and far more dangerous, than how she imagined it when she sets eyes on an alluring crimson-haired stranger who stirs new, unbidden feelings in her, desires that rouse her fiercest and most frightening instincts and demand she stake a claim on him—her fated mate. Will Maya be strong enough to place her pride and her family's safety before the desires of her own heart? And will August unravel his feelings for the black-haired beauty before it's too late and he loses her forever? TREASURED BY A TIGER Despised by his tiger shifter pride as an abomination, Grey has ventured far from home, deep into the bowels of Hell in search of answers about the mortal hunter organisation that held his twin captive. With no knowledge of the realm, and little skill with the local languages, he quickly finds himself at a dead end—until he crosses paths with a beautiful hellcat female who rouses his darkest most dangerous instincts. Lyra has been a fool, falling for the charms of a male whose only desire was to make a fast buck by selling her. Shackled and collared, her strength muted by magic, she awaits her time on the stage at a black-market auction, but before it can come, all hell breaks loose. She seizes a chance to escape—and runs straight into a majestic warrior who steals her breath away and tempts her like no other. When Lyra offers her services as a translator, will Grey be strong enough to resist the needs she awakens in him and spare himself the pain of her inevitable rejection when she discovers the truth about him? And when the powerful male in charge of the slave ring starts a bloody hunt for Lyra, can she escape another collar and find the courage to trust the tiger who is capturing her heart?

[Covington Billionaires](#) Sep 20 2021 Three more steamy unforgettable love stories in one paperback. Contains: The billionaire's Hope, Picked by the Billionaire, Saved by the Billionaire The Billionaire's Hope: I hadn't seen her since the day I broke her brother's nose. We came from different worlds. She was trouble wrapped in temptation, and it would be smart to keep my distance. The last time I'd dared to touch Katie, her brother foolishly took a swing at me. Her family taught me a painful lesson that day about money and power. I gave him a bloody nose. They destroyed my life. Today she desperately needed a ride back to LA. Six hours of her warm body wrapped around mine on the back of my bike was the price she'd have to pay. With her life in flames, the danger was more real than she knew. When she ran from her brother and into my arms, the kiss was meant to scare her off. It didn't work. She's sexual napalm, and I'm the match. Now we're both toast. I'm not giving her up until I have to. Even if it destroys me. Katie: I hadn't seen Nick since high school, the day he broke my brother's nose. I bumped into him while trapped in Las Vegas with no way to get home. Maybe this was my second chance. I didn't accept the ride to LA on the back of his bike just because he'd been the hottest and baddest boy in school. I swear I didn't. My life was all planned out. I left my sensible house every day in my sensible clothes and went to my sensible job. Until, some crazy targeted me, and it all went up in smoke. Now, I'm done being sensible. I know what I want, and he's pure trouble. Nick's all wrong for me, but only he can keep me safe. I'm falling for him. It can't work. It doesn't make sense. I'm walking straight into a broken heart, and I can't stop. Picked by the Billionaire A night I wouldn't forget. An offer I couldn't refuse. Liam: I had dared to love once and lost. The memory haunted me every day. Now, I have rules, three simple rules: I don't do dinner, they never come to my place, and I never stay the night. Until I met the tantalizing Amy and she turned everything upside down. It was just one night. Tomorrow I could get back to normal I told myself. When she

turned up at my next meeting, normal was no longer on the horizon. Now, she is essential to defeating my nemesis. One way or another she may be my undoing. Amy! couldn't get past my failed marriage - I couldn't take the terrifying leap. When the question became his place or mine, I ran back to my computer to pick another. My sister convinced me to try shock therapy - a one-night stand to get over my phobia. One night without inhibitions and never see him again, that was the plan. Simple enough, right? The next day, he walked into my meeting. Suddenly things weren't simple anymore. He held the key to my company's survival; there was just one catch. I had to pretend to be his girlfriend. How hard could that be? Saved by the Billionaire The FBI and the cartel are after her for the same thing: information she doesn't have. Natalie had gone from the Belle of Boston to Witch of the West End. Everybody in town hated her for her ex-husband's crimes. Then the FBI showed up to seize everything she owned. Without a penny to her name, she only survived by taking a job working for the most disagreeable man in town. Billionaire inventor Ryan Westerly had never allowed thoughts of any woman to intrude upon his work. But, from the first day his company hired the beautiful Natalie, he could no longer concentrate. The medicines he was developing were too important to allow her to distract him. For the sake of the children, she had to go. When the cartel comes after Natalie, she trusts him with her safety, but can she trust him with her heart?

The British Knight Dec 12 2020 When I'm offered the chance to leave New York to live in London for three months, I can't pack my suitcase fast enough. As soon as I touch down I'm obsessing over red telephone boxes, palaces and all the black cabs. But my favorite place is the tube. It's wall-to-wall hot British men in suits. When I'm offered a temporary job working for a barrister, I say, sign me up. On my first

commute into work, it's a total accident when I lose my balance and fall against the most handsome Brit alive. He's as charming as James Bond and as suave as Mr. Darcy. I want to lick tea from his hard abs and listen to his accent all night long. Turns out Mr. Handsome is my new boss. And his attitude isn't as hot as his gorgeous face, broad shoulders and tight ass. He's brooding, short-tempered and the most arrogant man I've ever met. As we're fighting, out of nowhere he kisses me. And I'm pretty sure I see fireworks over Big Ben and hear God Save the Queen. Pretty Reckless Mar 27 2022 "A runaway train of revenge, rivalry and angst. This complex and venomous tale takes on a modern-day Cruel Intentions/Mean Girls vibe. Pretty Reckless is unputdownable and absolute Kindle Crack." - Kindle Crack Book Reviews From USA Today and Washington Post bestselling author L.J. Shen comes an intense, high school enemies-to-lovers romance with a twist. Penn They say revenge is a dish best served cold. I'd had four years to stew on what Daria Followhill did to me, and now my heart was completely iced. I took her first kiss. She took the only thing I loved. I was poor. She was rich. The good thing about circumstances? They can change. Fast. Now, I'm her parents' latest shiny project. Her housemate. Her tormentor. The captain of the rival football team she hates so much. Yeah, baby girl, say it. I'm your foster brother. There's a price to pay for ruining the only good thing in my life, and she's about to shell out some serious tears. Daria Followhill thinks she is THE queen. I'm about to prove to her that she's nothing but a spoiled princess. Daria Everyone loves a good old unapologetic punk. But being a bitch? Oh, you get slammed for every snarky comment, cynical eye roll, and foot you put in your adversaries' way. The thing about stiletto heels is that they make a hell of a dent when you walk all over the people who try to hurt you. In Penn Scully's case, I pierced his heart until he bled out, then left it in a trash can on a bright summer day. Four years ago, he asked me to save all my firsts for him. Now he lives across the hall, and I want nothing more than to be his last everything. His parting words when he gave me his heart were that nothing in this world is free. Now? Now he is making me pay.

No one crosses the devil spawn of this town's upper echelon, but I managed. I call one of them out my first day, and no one hears it louder than their blond prince. Evil. Wicked. Twisted. Dorian Prince is as cruel as he is beautiful and once he sets his sights on me, he refuses to let go. Apparently, I bother him by simply existing at my new school and no matter what I do, I can't stay off the radar of him and his boys. He says I make too much noise and stupid me for not caring. Some really messed up stuff brought my brother and me to this town, and I won't bow down to these elitist pricks. Something tells me going to war with the cruel prince of Maywood Heights may level both our foundations, but I won't go down without a fight. I'll do whatever it takes to win Dorian's devious and twisted games. Even if he promises I'll scream for him by the end. Half Truths May 17 2021 You've heard of these groups - the secretive ones that only the crème de la crème are invited into, the ones outsiders speculate about for centuries - I'm the second in my family invited to attend, but to them, I'm fresh meat. New blood. New money, too. They think they'll elbow past me, that I'm here for their amusement, for them to walk all over, they'll find out soon enough that I'm not. I may look like one of them, with my designer bags and clothes straight from the Parisian runways, but I'm not. I'm here for answers, to take revenge for blood spilled on their centuries-old Persian rugs. I transferred here in search for answers about what happened to my older brother, who hightailed out of here, and my friend who seemingly disappeared into thin air. I certainly wasn't here for the attention of the star hockey player, regardless of how much he willed my eyes his way. I wasn't here for his scrutiny or his judgment or to read into his mysterious aura. I was here for the society, because only they held the answers I needed. That was, until I found out that in order to get those answers, I needed to go through him. He's saying if I want in, I have to play by their rules, follow their lead. It's a game I'm willing to play. I may be the second person I know of to be invited into their society, but I'll be the first to make it out intact. *This is a complete standalone novel*

Black Roses Oct 29 2019 Piper Mitchell April 25th was the day I was born. It was also the day I died. Blood was still rushing through my veins. Oxygen was still saturating my cells. But for all intents and purposes, I ceased to be among the living. Going back to New York for my sister's wedding was a mistake, but I made her a promise. It would be a quick trip. Show up, say the right words, then I'd be gone. This time for good. I didn't think anyone could understand what was taken from me that fateful day. Not until I met him. Mason Lawrence. I threw a football in front of eighty thousand people. Mingling with the rich and famous was just another part of my job. Nothing made me nervous. Not until she walked off that plane and into my life. She was broken. Shattered by some event she kept hidden under lock and key. The clues on her body failed to reveal her secrets - unlike the clues on my body that clearly publicized mine. The clock was ticking, giving me only a few short months to uncover the true meaning of the flower branded into her flesh. Because if she got back on that plane, I knew it would be forever.

Part of Your World Nov 03 2022 A refreshingly modern fairy tale and instant New York Times bestseller that Love Hypothesis author Ali Hazelwood hails as "an uplifting, feel-good, romantic read." After a wild bet, gourmet grilled-cheese sandwich, and cuddle with a baby goat, Alexis Montgomery has had her world turned upside down. The cause: Daniel Grant, a ridiculously hot carpenter who's ten years younger than her and as casual as they come—the complete opposite of sophisticated city-girl Alexis. And yet their chemistry is undeniable. While her ultra-wealthy parents want her to carry on the family legacy of world-renowned surgeons, Alexis doesn't need glory or fame. She's fine with being a "mere" ER doctor. And every minute she spends with Daniel and the tight-knit town where he lives, she's discovering just what's really important. Yet letting their relationship become anything more than a short-term fling would mean turning her back on her family and giving up the opportunity to help thousands of people. Bringing Daniel into her world is impossible, and yet she can't just give up the joy she's found with him either. With so many differences between them, how can Alexis possibly choose between her world and his? "Abby Jimenez's words are like fairy dust... they sprinkled humor and warmth all over my life. Pick up Part of Your World if you're looking for an uplifting, feel-good, romantic read—and for a beautiful reminder that we should always try to live the life that makes us the happiest."

How We Fall Sep 01 2022 It's not always about how we fall- it's about where we end up once we land. I remember the very first time I laid eyes on Cole Lincoln. It still feels like yesterday when he stumbled into my life with his messy brown hair and dark eyes. Even though I was only ten years old at the time, I knew right then and there that he was going to change everything. From that point on Cole and I were always together-inseparable-and I naively believed we'd be best friends forever. But forever didn't last nearly as long as I expected. We grew up and grew apart, life driving the distance between us, but my love for Cole never faltered. Even long after he moved away, leaving me and our little town behind, I still carried a piece of him with me every single day. Because Cole wasn't just my childhood best friend- the boy who knew me better than anyone else in the whole world. He was also my first love- a part of my very core. When a tragic death brings us face to face again after six years, every single memory comes rushing to the surface. Only this is not the boy I fell in love with all those years ago. The man before me is hardened, intimidating, and so damn sexy I practically melt when those dark eyes meet mine for the first time in six years. And like the first time he walked into my life, I know with complete certainty that everything is about to change. How We Fall is a STANDALONE Romance Novel.
