[Yesterday Crumb and the Storm in a Teacup](#) Feb 20 2022 The first in a new fantasy series for readers aged 8-12, about a girl with fox ears who has never fitted in. With adventure and magic in every teacup, this is perfect for fans of The Strangeworlds Travel Agency and Starfell. Yesterday Crumb is no ordinary girl. She was born with fox ears that have cursed her to a lonely life working in the circus and her origins are a complete mystery. But she is about to escape

into the adventure of a lifetime when she learns that she's a strangeling who's lost her magic. Taken in by Miss Dumpling the flamboyant Tea Witch, Yesterday is introduced to a magical, walking teashop filled with fantastical customers, a flying teapot turtle called Pascal and powerful spells in every teacup! Yesterday starts to rediscover her magic and to feel a sense of belonging. But a mysterious figure of darkness is working hard to ensure her new life comes crashing down - and it all starts with a deadly shard of ice in Yesterday's heart... But there's nothing that can't be solved with a pot of tea, a slice of cake and a BIG dash of magic!

Business Plan Template For Kids Jan 22 2022 This business book is different. Unlike every other book you'll read with titles like "How To Craft The Perfect Business Plan in 89 Incredibly Simple Steps", this book is different. It's a simple "How To" guide for creating a Business Plan that's right for you and your business and also an easy to follow workbook. The workbook will guide you through the process you need to follow. It tells you the questions that you need to consider, the numbers you need (and how to get them), and supporting documents you need to gather. The main purpose of a business plan is to aid YOU in running YOUR business. So the workbook has been designed for you to write the information in and refer back to as needed. If you need to supply your Business Plan to another party, such as a bank if you're looking for finance, then it's simple to type up the various sections for a professional document. Running your own business is both a challenging and daunting prospect. With a well-thought-out business plan in place (anticipating the challenges you'll face AND the solutions) it will be much less daunting and much more exciting. Good luck! Molly

Children's wear fashion illustration resource book May 02 2020 Illustrate your children's wear project with ease, style, and accuracy! This book shows how to draw children's wear without having to learn figure drawing. The book includes all you need to get your project done. Use figure templates and sketching examples from the book to complete your project. Let's get started: - select a template from a variety of age groups and movements - place a paper over it and - sketch your children's wear idea. It is the most efficient way to have your project done! The book shows how to sketch on a figure and how to turn a sketch into a completed illustration. Choose a figure for your project from the selection of age groups and body movements. There are sets of ready-to-use figures for 0- 1, 1-3, 4-6, and 7-10 years old children. The templates in the book are designed to show apparel from any side with various poses and movements. The book combines visuals of garment details with basic terminology as written captions. Such a "visual dictionary" component enhances the book's usefulness as a designer's reference resource. All drawings in the book were illustrated with a simple pencil. Sketch illustrations show original roughness and spontaneity. This "sketchbook" style is instructive and visual. In every illustration, you can see traces of the creative process. Some "step by step process" tutorials are included reinforcing the instructional value of the book. Fashion sketching with the book is less stressful and creates a smooth designer's workflow. Drawing children's fashion illustrations becomes fun and accurate when using the Children's Wear Fashion Illustration resource book by Irina V. Ivanova

Cross-Section of a Human Heart Oct 31 2022 "The first thing I'm going to do with my winnings, ' he said, 'is pay for laser hair removal in your armpits.' He even gestured to my cleanly shaven pits, because if referencing a woman's body hair on a date doesn't awaken her inner vixen, pointing to its location is sure to do the trick."An introverted Midwesterner with big feelings and a shameful people-pleasing streak, Abi Wurdeman hoped her twenties would transform her into one of those fierce, take-charge broads quoted on sassy refrigerator magnets. But somewhere between facing her own demons at a soul-sucking casino job and making the occasional ill-timed confession of love, Abi learned you can't reinvent who you fundamentally are . . . and that the secret to adult tenacity lies not in changing yourself, but in knowing yourself.Ninety percent memoir and ten percent unsolicited advice, Cross-Section of a Human Heart is the story of a floundering journey from mousey young adult to proper grown-ass.

Raising Kids Who Care Oct 07 2020 How do we encourage kids to talk with us about even the trickiest issues? Talking about the stuff that matters with your kids is not easy, but communication is the best tool we have for life and love. This book will guide you through 40 practical conversations using the structure of a family trip. It'll be meaningful fun. When you start having the conversations in this book, your kids will start changing their world!Inside, you'll discover: ?Stories, tips and research to inform the conversations?Relationship skills to build (like listening and conflict resolution)?How to combat the influences of our culture (like consumerism and tech devices)?How to build resilience, values, character and purpose?How our kids can play a part in solving problems, rather than being brought down by them?Advice from caring young adults about what worked for them!As parents, we want our kids to have happy, loving lives. As a society, we need kids who are capable of thinking and acting beyond themselves to help others have happy, loving lives too."There is a huge secret to life which most families - and most parenting books - completely miss. That we humans are happiest when we are living for each other, and discovering the fun

that brings. In a society that is all about 'me' we have never been more stressed or miserable. Caring is a word that holds the key to life going well, and is the real heart of being human. This book shows you how to foster it. "Susy Lee's book is one of those rare ones you want to have at hand long term, as even dipping in seems to spark you with ideas and clues for really engaging with your children. What to ask, what to challenge them with, what to provoke them with. "Brightly and clearly written, with real personality, this book turns on its head our focus on making kids happy, and instead shows how to make them generators of happiness." - Steve Biddulph AM

Kids' Slips Oct 26 2019 The study of speech errors, or "slips of the tongue," is a time-honored methodology which serves as a window to the representation and processing of language and has proven to be the most reliable source of data for building theories of speech production planning. However, until Kids' Slips, there has never been a corpus of such errors from children with which to work. This is the first developmental linguistics research volume to document how online processing is revealed in young children, ages 18 months through 5 years, through their slips of the tongue. Thus, this text provides a new methodology and data source, which will greatly expand our ability to uncover the details of early language development. Professor Jaeger's groundbreaking book incorporates both details of her methodology and findings with implications for different aspects of language development, including phonetics and phonology, the lexicon, semantics, morphology, and syntax. While all the child data is included in the book, a Web site hosted by the author provides readers with the adult data as well. Kids' Slips targets those who study language development in linguistics, developmental psychology, and speech and hearing, as well as those who study language representation and processing more generally in the same disciplines.

Me . . . Jane May 26 2022 Patrick McDonnell-beloved, bestselling author-artist and creator of the Mutts syndicated comic strip--shares the inspiring story of young Jane Goodall, the legendary and inspiring conservationist featured in the hit documentary film Jane. In his characteristic heartwarming style, Patrick McDonnell tells the story of the young Jane Goodall and her special childhood toy chimpanzee named Jubilee. As the young Jane observes the natural world around her with wonder, she dreams of "a life living with and helping all animals," until one day she finds that her dream has come true. With anecdotes taken directly from Jane Goodall's autobiography, McDonnell makes this very true story accessible for the very young--and young at heart. One of the world's most inspiring women, Dr. Jane Goodall is a renowned humanitarian, conservationist, animal activist, environmentalist, and United Nations Messenger of Peace. In 1977 she founded the Jane Goodall Institute (JGI), a global nonprofit organization that empowers people to make a difference for all living things.
