[Radical Candor](#) Apr 04 2020 Featuring a new preface, afterword and Radically Candid Performance Review Bonus Chapter, the fully revised & updated edition of [Radical Candor](#) is packed with even more guidance to help you improve your relationships at work. 'Reading [Radical Candor](#) will help you build, lead, and inspire teams to do the best work of their lives.' — Sheryl Sandberg, author of [Lean In](#). If you don't have anything nice to say then don't say anything at all . . . right? While this advice may work for home life, as Kim Scott has seen first hand, it is a disaster when adopted by managers in the work place. Scott earned her stripes as a highly successful manager at Google before moving to Apple where she developed a class on optimal management. [Radical Candor](#) draws directly on her experiences at these cutting edge companies to reveal a new approach to effective management that delivers huge success by inspiring teams to work better together by embracing fierce conversations. [Radical Candor](#) is the sweet spot between managers who are obnoxiously aggressive on the one side and ruinously empathetic on the other. It is about providing guidance, which involves a mix of praise as well as criticism — delivered to produce better results and help your employees develop their skills and increase success. Great bosses have a strong relationship with their employees, and Scott has identified three simple principles for building better relationships with your employees: make it personal, get stuff done, and understand why it matters. [Radical Candor](#) offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Drawing on years of first-hand experience, and distilled clearly to give practical advice to the reader, [Radical Candor](#) shows you how to be successful while retaining your integrity and humanity. [Radical Candor](#) is the perfect handbook for those who are looking to find meaning in their job and create an environment where people love both their work and their colleagues, and are motivated to strive to ever greater success.

[The Hidden Brain](#) Feb 12 2021 The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively

readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

**Glastonbury 50** Dec 13 2020 THE SUNDAY TIMES BESTSELLER A BOOK OF THE YEAR PICK IN THE TIMES: 'Captivating' A ROUGH TRADE BOOK OF THE YEAR: 'In-depth and inspiring' 'Beautifully compiled ... the perfect festival experience' SUNDAY TIMES Glastonbury 50 is the authorised, behind-the-scenes, inside story of the music festival that has become a true global phenomenon. The story begins in 1970. The day after Jimi Hendrix's death... dairy farmer Michael Eavis invites revellers to his field in Somerset to attend a 'Pop, Folk & Blues' festival. Tickets are £1 each, enticing more than a thousand customers with the promise of music, dance, poetry, theatre, lights and spontaneous entertainment - as well as free milk from his own Worthy Farm cows. Fast forward through five tumultuous decades and the Eavis's vision now encompasses a gigantic 'city in the fields', with a total annual population nearing a quarter of a million. Tickets sell out within minutes, the show is beamed live to more than 40 countries around the globe, and over 3 million people are registered to attend. Meanwhile, the bill has expanded to include big name performers, artists and designers from every branch of the creative arts. Glastonbury Festival is now the largest outdoor green fields event in the world. In their own words, Michael and Emily Eavis reveal the stories behind the headlines, and celebrate 50 years of history in the Vale of Avalon. They're joined by a host of big-name contributors from the world of music - among them Adele, JAY-Z, Dolly Parton, Chris Martin, Noel Gallagher, Lars Ulrich and Guy Garvey. They're joined by artists - Stanley Donwood, Kurt Jackson and many more. Writers - Caitlin Moran, Lauren Laverne, Billy Bragg - and by a host of photographers, from Seventies icon Brian Walker to rock and roll legends Jill Furmanovsky and Greg Williams. Together they bring you the magic that makes Glastonbury, Glastonbury.
