**The Professor Is In** Mar 28 2022 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

**Agency** Nov 23 2021 AN INSTANT NEW YORK TIMES BESTSELLER "ONE OF THE MOST VISIONARY, ORIGINAL, AND QUIETLY INFLUENTIAL WRITERS CURRENTLY WORKING" returns with a sharply imagined follow-up to the New York Times bestselling *The Peripheral*. William Gibson has trained his eye on the future for decades, ever since coining the term "cyberspace" and then popularizing it in his classic speculative novel *Neuromancer* in the early 1980s. Cory Doctorow raved that *The Peripheral* is "spectacular, a piece of trenchant, far-future speculation that features all the eyeball kicks of *Neuromancer*." Now Gibson is back with *Agency*—a science fiction thriller heavily influenced by our most current events. Verity Jane, gifted app whisperer, takes a job as the beta tester for a new product: a digital assistant, accessed through a pair of ordinary-looking glasses. "Eunice," the disarmingly human AI in the glasses, manifests a face, a fragmentary past, and a canny grasp of combat strategy. Realizing that her cryptic new employers don't yet know how powerful and valuable Eunice is, Verity instinctively decides that it's best they don't. Meanwhile, a century ahead in London, in a different time line entirely, Wilf Netherton works amid plutocrats and plunderers, survivors of the slow and steady apocalypse known as the jackpot. His boss, the enigmatic Ainsley Lowbeer, can look into alternate pasts and nudge their ultimate directions. Verity and Eunice are her current project. Wilf can see what Verity and Eunice can't: their own version of the jackpot, just around the corner, and the roles they both may play in it. \*The Boston Globe

**Life, the Universe and Everything** Apr 04 2020 In *Life, the Universe and Everything*, the third title in Douglas Adams' blockbusting sci-fi comedy series, *The Hitchhiker's Guide to the Galaxy*, Arthur Dent finds himself enlisted to prevent a galactic war. This edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by Simon Brett, producer of the original radio broadcast. Following a number of stunning catastrophes, which have involved him being alternately blown up and insulted in ever stranger regions of the Galaxy, Arthur Dent is surprised to find himself living in a cave on prehistoric Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lord's, just two days before the world is due to be destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown. . . . Follow Arthur Dent's galactic (mis)adventures in the rest of the trilogy with five parts: *So Long*, and *Thanks for All the Fish*, and *Mostly Harmless*.

**Cover Letters in a Week: Teach Yourself** May 18 2021 Sunday: Understand the importance of first impressions and the common mistakes people make Monday: Ensure your application is taken seriously with a cover letter that is concise, complements your CV and is targeted to the job you have applied for Tuesday: Discover how to style and structure your cover letter with advice on forms of address, etiquette, fonts, margins and the importance of 'white space' Wednesday: Design your cover letter to engage your audience and overcome the competition for advertised jobs Thursday: Design a speculative cover letter to approach the invisible job market Friday: Learn how to address cover letters to agencies and recruitment consultants Saturday: Learn from your applications, whether successful or not, and develop your writing style for the future At the end there are questions to ensure you have taken it all in and cartoons, diagrams and visual aids throughout help make *Successful Cover Letters In A Week* an enjoyable and effective learning experience.

Have you mastered your professional elevator pitch so that every time you meet someone, they remember and are impressed by you? If you answered "no" to any of these questions, you need Great on the Job. In 2008, Jodi Glickman launched Great on the Job, a communications consulting firm whose distinguished client list includes Harvard Business School, Wharton, The Stern School of Business, Merrill Lynch, and Citigroup. Now, Glickman's three-step training program is available in book form for the first time. With case studies, micro strategies, and example language, readers will learn communication skills that can be practiced and implemented immediately. In today's economy, it's not typically the smartest, hardest working or most technically savvy who succeed. Instead, the ability to communicate well is often the most important precursor to success in the workplace. So whether you're a star performer or a struggling novice, Great on the Job will give you the building blocks you need for every conversation you'll have at work.

**Ultimate Cover Letters** Feb 24 2022 In the competitive world of job-hunting everything depends on first impressions, so it is important to know how to write a compelling letter. **Falling into Place** Oct 11 2020 One cold fall day, high school junior Liz Emerson steers her car into a tree. This haunting and heartbreaking story is told by a surprising and unexpected narrator and unfolds in nonlinear flashbacks even as Liz's friends, foes, and family gather at the hospital and Liz clings to life. This riveting debut will appeal to fans of Before I Fall, by Lauren Oliver, and 13 Reasons Why, by Jay Asher. "On the day Liz Emerson tries to die, they had reviewed Newton's laws of motion in physics class. Then, after school, she put them into practice by running her Mercedes off the road." Why did Liz Emerson decide that the world would be better off without her? Why did she give up? The nonlinear novel pieces together the short and devastating life of Meridian High's most popular junior girl. Mass, acceleration, momentum, force—Liz didn't understand it in physics, and even as her Mercedes hurtles toward the tree, she doesn't understand it now. How do we impact one another? How do our actions reverberate? What does it mean to be a friend? To love someone? To be a daughter? Or a mother? Is life truly more than cause and effect? Amy Zhang's haunting and universal story will appeal to fans of Lauren Oliver, Gayle Forman, and Jay Asher.

**Spa Bodywork** May 06 2020 This textbook guides massage therapists through each step of delivering a spa treatment—from consideration of the indications and contraindications to scope of practice issues, supplies, room set-up, specific procedure steps, and ideas for integrating massage techniques, spa products, and enhancing accents. While wet-room treatments are discussed, the focus is on dry-room treatments, which can be delivered in a wider variety of settings. More than 250 full-color photographs illustrate each technique and treatment. Treatment Snapshot boxes provide a quick overview of the treatment before the detailed step-by-step procedures section. Sanitation Boxes offer clean-up and sanitation tips. Sample Treatments include promotional descriptions, product recommendations, and recipes for creating inviting smell-scapes.
