Mirror Image Apr 24 2022 After the death of her mom and graduating from nursing school, Jayla Stewart saw no reason to stay in North Carolina. The quiet and simple life she had enjoyed for so many years came to an abrupt halt after relocating to Atlanta, Georgia. She finally had a support system again, and it felt wonderful. Niecy, her friend of four years, was like a sister to her and encouraged her to relocate to Atlanta. She found a job at Riverside General and a house all in a matter of days. Picking up the U-Haul, Jayla sold the house she and her mother called home and headed for Atlanta. Just when she thought things couldn't get any better, she met the man of her dreams, and life was incredibly good. Almost overnight, things took a turn for the worse and Jayla's fighting to stay alive. Being strong, smart, and independent only went so far... when danger of the unknown enemy alerted, none of those things mattered. Book Comment: WOW!!!!!! You have done it again. Your first book was wonderful and you seem to add a different spirit to your writing with each book. It has been so wonderful watching you grow. I can't wait to read your next novel. -Cynthia Upcoming Book Signings DAY: Mon-Tues DATE: May 12th and 13th LOCATION: Post Exchange on Ft. Genuine Existence Aug 17 2021 *Genuine Existence* is a thought provoking memoir by Austin C. Bonds. Drawing from numerous stories and personal experiences, he poignantly outlines his perception of spiritual growth. Austin focuses on numerous subjects; from truth to pain, contentment to anger, terrorism to retirement, he is bold and yet reluctant to live in complete transparency. Bonds also studies the meditation and practice of spiritual disciplines through a series of journal entries. He examines, among others, solitude, confession, simplicity, and submission. The Evolution of Conceptual Modeling Sep 17 2021 Conceptual modeling represents a recent approach to creating knowledge. It has emerged in response to the computer revolution, which started in the middle of the 20th century. Computers, in the meantime, have become a major knowledge media. Conceptual modeling provides an answer to the difficulties experienced throughout the development of computer applications and aims at creating effective, reasonably priced, and sharable knowledge about using computers in business. Moreover, it has become evident that conceptual modeling has the potential to exceed the boundaries of business and computer usage. This state-of-the-art survey originates from the International Seminar on the Evolution of Conceptual Modeling, held in Dagstuhl Castle, Germany, in April 2008. The major objective of this seminar was to look into conceptual modeling from a historical perspective with a view towards the future of conceptual modeling and to achieve a better understanding of conceptual modeling issues in several different domains of discourse, going beyond individual (modeling) projects. The book contains 14 chapters. These were carefully selected during two rounds of reviewing and improvement from 26 presentations at the seminar and are preceded by a detailed preface providing general insights into the field of conceptual modeling that are not necessarily discussed in any of the chapters but nevertheless aid in conceptualizing the inner structure and coherence of the field. The chapters are grouped into the following three thematic sections: the evolution of conceptual modeling techniques; the extension of conceptual modeling to a service-oriented, peer-to-peer, or Web context; and new directions for conceptual modeling.

Being, Relation, and the Re-worlding of Intentionality Jun 26 2022 In this book, Jim Ruddy has proceeded deep into the hub-center of Husserl's transcendental subjectivity and unearthed an utterly new phenomenological method. A vast, originary a priori science emerges for the reader. Ruddy presents a unique and powerful eidetic science wherein the object consciousness of Husserl is suddenly shown to point beyond itself to the ultimate theme of the pure subject consciousness of God as He is in Himself. Thus, the book opens up an endlessly new, unrestricted realm of objective material for phenomenology to explicate and describe. This is an important work for both general phenomenologists and for scholars of Husserl, Aquinas, and Edith Stein.

Crashproof Your Kids Mar 24 2022 BEFORE YOU EVEN THINK ABOUT HANDING YOUR TEENS THE CAR KEYS, DO EVERYONE A BIG FAVOR: CRASHPROOF THEM! Every year, six million sons and daughters will become first-time drivers. Fifty-eight percent of them will be involved in a car accident within a year of getting their license, and a significant portion of these crashes will be fatal. But here's the good news: research has shown that car crashes can be reduced by up to 30 percent when you, the parent, are actively involved in your teen's instruction and set certain limits. In *Crashproof Your Kids*, certified driving instructor and dad Timothy Smith has combined the collective wisdom of numerous experts to develop the *Crashproof Plan*: a series of behind-the-wheel exercises designed to improve your teen's driving awareness, behavior, and skill in a way that fits your schedule. Written in a highly accessible, informal, and often humorous style, this comprehensive plan begins where drivers' education programs end, and includes: • A step-by-step plan to develop your teen's braking, car control, and defensive driving skills • How to handle road emergencies and basic car maintenance • Tips on helping your teen deal with dangerous distractions, including peer pressure and the use of alcohol and drugs • The *Crashproof Contract*, which outlines the expectations, responsibilities, and rules of the road for both the teen and the parent You'll get plenty of help on how to communicate vital driving concepts to your teen, and you'll laugh, learn, and sympathize with stories from parents who have already been there. *Crashproof Your Kids* is an essential resource for any parents wanting to help their teenagers successfully navigate the single most dangerous activity they'll ever undertake.

Lies, Love, and Life! Nov 19 2021 This is the story of my life that was once filled with lies and love. Life has its ways of making you turn to God even when the devil has done so much to make you try to forget about God. This book takes you to when I was a child and how things happened to me that I thought happened because I didn't have a mother or father present in my life, but as I got older I realized that my life has purpose. Just like any other person, I went out experienced things in life but through all the hardship, heartache, pains, and sorrows God has kept me. From being adopted by my grandmother to not knowing my biological father, to being in a same sex relationship, to God bringing me through the storm into the sunlight. Through the storms of life, I still had to trust God to guide me to the pot of gold, because I realized behind every rain shower there's a rainbow to bring color and sunshine. My life has not been all bad or all good. I had to run through the rain in order to find comfort in God, but through everything I've been through I did give up because I realized that there's purpose behind pain. I now use my misery as my ministry to help others. Who would have thought my past would make my present successful? I'm a mother of a beautiful baby girl, furthering my education, has the title to my vehicle, but most of all God has saved my soul! Read on inside to see how life lies turns into love and happiness

Debt-Free U Mar 12 2021 This book can save you more than \$100,000. These days, most people assume you need to pay a boatload of money for a quality college education. As a result, students and their parents are willing to go into years of debt and potentially sabotage their entire financial futures just to get a fancy name on their diploma. But Zac Bissonnette is walking proof that this assumption is not only false, but dangerous-a class on game designed to rip you off and doom your student to a post-graduation life of near poverty. From his unique double perspective-he's a personal finance expert (at Daily Finance) AND a current senior at the University of Massachusetts-Zac figured out how to get an outstanding education at a public college, without bankrupting his parents or taking on massive loans. Armed with his personal knowledge, the latest data, and smart analysis, Zac takes on the sacred cows of the higher education establishment. He reveals why a lot of the conventional wisdom about choosing and financing college is not only wrong but hazardous to you and your child's financial future. You'll discover, for instance, that: * Student loans are NOT a necessary evil. Ordinary middle class families can- and must-find ways to avoid them, even without scholarships. * College "rankings"

are useless-designed to sell magazines and generate hype. If you trust one of the major guides when picking a college, you face a potential financial disaster. * The elite graduate programs accept lots of people with non-elite bachelors degrees. So do America's most selective employers. The name on a diploma ultimately won't help your child have a more successful career or earn more money. Zac can prove every one of those bold assertions - and more. No matter what your current financial situation, he has a simple message for parents: "RELAX! Your kid will be able to get a champagne education on a beer budget!"

ProfitBrand Feb 08 2021 Nick Wreden passionately believes that it is time for brand managers, CEOs and CFOs to speak the same language. Brand managers need to lift their heads above the buzz of marketing and advertising jargon and understand the strategic imperatives of business: profitability, accountability and sustainability. As a result of the increasing ineffectiveness of mass-media marketing, CEOs and CFOs are demanding greater accountability and more sustainable results for their marketing investments. ProfitBrand offers a comprehensive metrics-based approach to branding that allows companies to directly link b.

Morning Neurosis Jan 22 2022 Is there life after music? Juliette Miranda isn't quite sure. While living out her dreams in Los Angeles, she is forced to make an unexpected return to her hometown where she must struggle to save her relationships, and sanity, from the long shadows of her rock 'n' roll past. Despite her best efforts, some issues refuse to stay locked in her closet. By recounting tales of her past - like the rock star boyfriend who sang more romantic songs to his dog than to her, or being abandoned in Jamaica by a drugged-out Jim Morrison wanna-be - Juliette hopes to understand her present. Her chronicle reveals an open, passionately honest look at a girl whose life isn't turning out exactly as she hoped. Her morning neuroses become the vanguard to a broader story that incorporates her loving yet crazy family, indelible friendships, and career mishaps. Lightly fictionalized to protect the identities of the not-so-innocent, Morning Neurosis is more than a kiss and tell. It's an intimate look into Miranda's real life experiences as she strives to find love, music ... and herself.
