No Small Hope Sep 17 2021 "No Small Hope calls for a rethinking of global policy, advocating for a basic goods approach focused on the provision of nutritious food, clean water, sanitation, health services, education services, housing, electricity, and human security services. The book offers a practical agenda based on the real determinants of human development" -- Prové de l'editor.

After Nationalism May 14 2021 Nationalism is on the rise across the Western world, serving as a rallying cry for voters angry at the unacknowledged failures of globalization that has dominated politics and economics since the end of the Cold War. In *After Nationalism*, Samuel Goldman trains a sympathetic but skeptical eye on the trend, highlighting the deep challenges that face any contemporary effort to revive social cohesion at the national level. Noting the obstacles standing

in the way of basing any unifying political project on a singular vision of national identity, Goldman highlights three pillars of mid-twentieth-century nationalism, all of which are absent today: the social dominance of Protestant Christianity, the absorption of European immigrants in a broader white identity, and the defense of democracy abroad. Most of today's nationalists fail to recognize these necessary underpinnings of any renewed nationalism, or the potentially troubling consequences that they would engender. To secure the general welfare in a new century, the future of American unity lies not in monolithic nationalism. Rather, Goldman suggests we move in the opposite direction: go small, embrace difference as the driving characteristic of American society, and support political projects grounded in local communities.

The Lifters Feb 20 2022 Journey to an underground world where adventure awaits and heroes are made in this middle grade novel from

the bestselling, Pulitzer-nominated author of *The Monk of Mokha* and *Her Right Foot*. When Gran and his family move to Carousal, he has no idea that the town is built atop a secret. Little does he suspect, as he walks his sister to school or casually eats a banana, that mysterious forces lurk mere inches beneath his feet, tearing up the earth like mini-hurricanes and causing the town to slowly but surely sink. When Gran's friend, the difficult-to-impress Catalina Catalan, presses a silver handle into a hillside and opens a doorway to underground, he knows that she is extraordinary and brave, and that he will have no choice but to follow wherever she leads. With luck on their side, and some discarded hockey sticks for good measure, Gran and Catalina might just find a way to lift their town--and the known world--out of danger. In *The Lifters*, critically acclaimed author Dave Eggers establishes himself as a storyteller who can entertain and inspire readers of any age. "This book is a ripper, full of all the good stuff: adventure, mystery, and lots of great jokes." - Mac Barnett, Caldecott Honor-winning author of *Extra Yarn* "Full of surprises, magic, and heart." - Rebecca Stead, Newbery Award-winning author of *When You Reach Me* "[A] cozy contemporary novel about lifting spirits and rebuilding community through teamwork and imagination." -- Publishers Weekly "A heart-gladdening work of allegorical genius." --The Guardian "A warm and rewarding read . . . Eggers skillfully handles the trope of the kids who save the town, with plenty of humorous adult cluelessness but an equal measure of compassion." --The Bulletin of the Center for Children's Books "Original . . . and always intriguing. . . . Eggers's story moves along briskly thanks to mounting suspense and bite-size chapters." --Booklist A Junior Library Guild selection

The Little Book of Restorative Justice in Education Oct 07 2020 A fully revised & updated handbook for teachers and administrators on creating just and equitable learning environments for students; building and maintaining healthy relationships; healing harm and transforming conflict. Much more than a response to harm, restorative justice nurtures relational, interconnected school cultures. The wisdom embedded within its principles and practices is being welcomed at a time when exclusionary discipline and zero tolerance policies are recognized as

perpetuating student apathy, disproportionality, and the school-to-prison pipeline. Relying on the wisdom of early proponents of restorative justice, the daily experiences of educators, and the authors' extensive experience as classroom teachers and researchers, this Little Book guides the growth of restorative justice in education (RJE) into the future. Incorporating activities, stories, and examples throughout the book, three major interconnected and equally important aspects of restorative justice in education are explained and applied: creating just and equitable learning environments; building and maintaining healthy relationships; healing harm and transforming conflict. Chapters include: *The Way We Do Things* *A Brief History of Restorative Justice in Education* *Beliefs and Values in Restorative Justice in Education* *Creating just and Equitable Learning Environments* *Nurturing Healthy relationships* *Repairing Harm and Transforming Conflict* *A Tale of Two Schools: Thoughts and Sustainability* *The Little Book of Restorative Justice in Education* is a reference that practitioners can turn to repeatedly for clarity and consistency as they implement restorative justice in educational settings.

A Little Life Aug 05 2020 NATIONAL BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE *A Little Life* follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's new novel, *To Paradise*, coming in January 2022.

Little Hopes May 26 2022 "for everything that hurts,heals". "Little

Hopes" is a poetry collection that takes you through the rawest emotions of love, heartbreak, healing and self-love. The book is a beautiful journey of self discovery. It illuminates the concept of hope, the divine light at the end of the tunnel of darkness. Ishita's poetry reflect everything that a teenager feels through and also assures that healing follows .

Shroud of Innocence May 02 2020 When a Grand Jury indicts Leroy Lewis for the first degree murder of an FBI agent, and a wealthy drug lord promises him the best in legal representation, Leroy gets a rude awakening when he finds his lawyer is not what he expected. Appearing before a hanging judge and an ambitious Federal Prosecutor with a Defense Attorney who is young and unproven, Leroy seems destined to spend the rest of his life in a federal penitentiary

A Little Hope Oct 31 2022 "How do you hold onto hope in a difficult time? In the small city of Wharton, Connecticut, lives are beginning to unravel. A woman loses the love of her life. A son struggles with addiction. A widow misses her late spouse. A husband betrays his wife. At the heart of these interlinking stories is one couple: Freddie and Greg Tyler. Greg has just been diagnosed with multiple myeloma, a brutal form of cancer. He has never been dependent or weak, and wants to overcome this the way he has succeeded at everything else: through grit and determination. But can Greg fight his illness? How will Freddie and their daughter cope if he doesn't? How do the other residents of Wharton learn to live with loss and to find happiness again? A debut that pulls at the heartstrings and immerses readers in a community, A Little Hope broadcasts the joy and hope to be found in the everyday acts of loving, forgiving, and surviving"--

The Coffins of Little Hope Sep 29 2022 Eighty-three-year-old obituary writer Essie finds her life in small town Nebraska turned upside-down when a young country girl is reported missing and the long-awaited final book in an infamous series of young adult gothic novels is being secretly printed on her newspaper's presses. Reprint.

Biological invaders in inland waters: Profiles, distribution, and threats
Feb 29 2020 Invasive species have come to dominate 3% of the Earth's ice-free surface, constituting one of the most serious ecological and

economic threats of the new millennium, and freshwater systems are particularly vulnerable. This book examines the identity, distribution, and impact of freshwater non-indigenous species and the dynamics of their invasion. It focuses on old and new invaders and provides a starting point for further research.

Gerald's Game Feb 08 2021 Now a Netflix movie directed by Mike Flanagan (Oculus, Hush) and starring Carla Gugino and Bruce Greenwood. Master storyteller Stephen King presents this classic, terrifying #1 New York Times bestseller. When a game of seduction between a husband and wife ends in death, the nightmare has only begun... "And now the voice which spoke belonged to no one but herself. Oh my God, it said. Oh my God, I am all alone out here. I am all alone." Once again, Jessie Burlingame has been talked into submitting to her husband Gerald's kinky sex games—something that she's frankly had enough of, and they never held much charm for her to begin with. So much for a "romantic getaway" at their secluded summer home. After Jessie is handcuffed to the bedposts—and Gerald crosses a line with his wife—the day ends with deadly consequences. Now Jessie is utterly trapped in an isolated lakeside house that has become her prison—and comes face-to-face with her deepest, darkest fears and memories. Her only company is that of the various voices filling her mind...as well as the shadows of nightfall that may conceal an imagined or very real threat right there with her...

Glass House Oct 26 2019 For readers of Hillbilly Elegy and Strangers in Their Own Land WINNER OF THE OHIOANA BOOK AWARDS AND FINALIST FOR THE 87TH CALIFORNIA BOOK AWARDS | NAMED A BEST/MOST ANTICIPATED BOOK OF 2017 BY: New York Post • Newsweek • The Week • Bustle • Books by the Banks Book Festival • Bookauthority.com The Wall Street Journal: "A devastating portrait...For anyone wondering why swing-state America voted against the establishment in 2016, Mr. Alexander supplies plenty of answers." Laura Miller, Slate: "This book hunts bigger game. Reads like an odd?and oddly satisfying?fusion of George Packer's The Unwinding and one of Michael Lewis' real-life financial thrillers." The New Yorker : "Does a remarkable

job." Beth Macy, author of *Factory Man*: "This book should be required reading for people trying to understand Trumpism, inequality, and the sad state of a needlessly wrecked rural America. I wish I had written it." In 1947, *Forbes* magazine declared Lancaster, Ohio the epitome of the all-American town. Today it is damaged, discouraged, and fighting for its future. In *Glass House*, journalist Brian Alexander uses the story of one town to show how seeds sown 35 years ago have sprouted to give us Trumpism, inequality, and an eroding national cohesion. The Anchor Hocking Glass Company, once the world's largest maker of glass tableware, was the base on which Lancaster's society was built. As *Glass House* unfolds, bankruptcy looms. With access to the company and its leaders, and Lancaster's citizens, Alexander shows how financial engineering took hold in the 1980s, accelerated in the 21st Century, and wrecked the company. We follow CEO Sam Solomon, an African-American leading the nearly all-white town's biggest private employer, as he tries to rescue the company from the New York private equity firm that hired him. Meanwhile, Alexander goes behind the scenes, entwined with the lives of residents as they wrestle with heroin, politics, high-interest lenders, low wage jobs, technology, and the new demands of American life: people like Brian Gossett, the fourth generation to work at Anchor Hocking; Joe Piccolo, first-time director of the annual music festival who discovers the town relies on him, and it, for salvation; Jason Roach, who police believed may have been Lancaster's biggest drug dealer; and Eric Brown, a local football hero-turned-cop who comes to realize that he can never arrest Lancaster's real problems.

Hope and Help for the Single Mom Jul 24 2019

The Little City of Hope (Musaicum Christmas Specials) Aug 17 2021
Musaicum Books presents the *Musaicum Christmas Specials*. We have selected the greatest Christmas novels, short stories and fairy tales for all those who want to keep the spirit of Christmas alive with a heartwarming tale. John Henry Overholt is an eccentric inventor desperate to see his Air Motor a success. Unfortunately there are no funds left to finish his project and he is running out of money, time and hope. John's wife had taken a job as a governess in Germany, and he lives

alone with his son. His young son is worried too as they'll soon be even without money to buy food. To cast aside their negative thoughts they begin to work on a miniature reproduction of the city of Hope, and while they do so they realize that their hope for the future still lives.

The Little Book of Restorative Justice for Sexual Abuse Nov 27 2019
Restorative justice is gaining acceptance for addressing harm and crime. Interventions have been developed for a wide range of wrongdoing. This book considers the use of restorative justice in response to sexual abuse. Rather than a blueprint or detailing a specific set of programs, it is more about mapping possibilities. It allows people to carefully consider its use in responding to violent crimes such as sexual abuse. Criminal justice approaches tend to sideline and re-traumatize victims, and punish offenders to the detriment of accountability. Alternatively, restorative justice centers on healing for victims, while holding offenders meaningfully accountable. Criminal justice responses tend to individualize the problem, and catch marginalized communities, such as ethnic minorities, within its net. Restorative justice recognizes that sexual abuse is a form of gender-based violence. Community-based practices are needed, sometimes in conjunction with, and sometimes to counteract, traditional criminal justice responses. This book describes impacts of sexual abuse, and explanations for sexual offending, demonstrating how restorative justice can create hope through trauma.

Fear: Critical Geopolitics and Everyday Life Jun 14 2021
'Fear' in the twenty-first century has greater currency in western societies than ever before. Through scares ranging from cot death, juvenile crime, internet porn, asylum seekers, dirty bombs and avian flu, we are bombarded with messages about emerging risks. This book takes stock of a range of issues of 'fear' and presents new theoretical arguments and research findings that cover topics as diverse as the war on terror, the immigration crisis, stranger danger, global disease epidemics and sectarian violence. This book charts the association of fear discourses with particular spaces, times, social identities and sets of geopolitical relations. It examines the ways in which fear may be manufactured and

manipulated for political purposes, sometimes becoming a tool of repression, and relates fear to political, economic and social marginalization at different scales. Furthermore, it highlights the importance and sometimes unpredictability of everyday lived experiences of fear - the many ways in which people recognize, make sense of and manage fear; the extent of resistance to fear; the relation of fear and hope in everyday life; and the role of emotions in galvanizing political and social action and change.

A Happy Book of Little Gifts to Make Apr 24 2022 It's time to play! A Happy Book of Little Gifts to Make shows artists and crafters who like to work with their hands how to create fun, whimsical art.

Breaker Jun 22 2019 Kyle Henry has a new name, a new school, and a new life -- one without the shadow of the Bonebreaker hanging over him. It's been a year since his serial killer father's execution, and it finally looks like things are turning around for Kyle. Until he recognizes the girl sitting in the back row in homeroom. Naomi Steadman is immediately intrigued by Killdeer Academy's newcomer. She does not know he is the son of the man who murdered her mother. What she does know is she and Kyle have a connection with each other -- and a spark that Kyle continues to back away from. Soon after Kyle's arrival, the death count on campus starts to rise. Someone is set on finishing what the Bonebreaker started, and murdering ghosts from the past may be the only thing that can stop the spree. Told in alternating viewpoints, Kat Ellis's tale of mystery and horror is full of broken bonds and new beginnings.

Little Astronaut Mar 31 2020 A poetry collection about the beautiful and disorienting period of new motherhood, exploring an experience both otherworldly and very, very human. *little astronaut* is a fully revised and updated edition of the limited-release poetry collection by critically acclaimed poet J. Hope Stein. Featuring over 50 pages of new poems and illustrations this book brings to vivid life the deeply personal--and also incredibly relatable--challenging and magical early days of new motherhood.

The Brain That Changes Itself Jan 10 2021 OVER ONE MILLION COPIES

SOLD 'A remarkable and hopeful portrait of the endless adaptability of the human brain' Oliver Sacks 'Utterly wonderful . . . without question one of the most important books about the brain you will ever read; yet it is beautifully written, immensely approachable, and full of humanity' Iain McGilchrist MA, author of *The Master and His Emissary* Meet the ninety-year-old doctor who is still practicing medicine, the stroke victim who learned to move and talk again and the woman with half a brain that rewired itself to work as a whole. All these people had their lives transformed by the remarkable discovery that our brains can repair themselves through the power of positive thinking. Here bestselling author, psychiatrist and psychoanalyst Norman Doidge reveals the secrets of the cutting-edge science of 'neuroplasticity'. He introduces incredible case histories - blind people helped to see, IQs raised and memories sharpened - and tells the stories of the maverick scientists who are overturning centuries of assumptions about the brain. This inspiring book will leave you with a sense of wonder at the capabilities of the mind, and the self-healing power that lies within all of us.

The Road Sep 05 2020 The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador's 50th Anniversary year.

Little Pieces of Hope Mar 24 2022 One of The Washington Post's Best

You might not realize it at this very moment or at the time when the pain or failure occurs, but that pain and failure is there to help pour a solid foundation for a better life. In this inspirational book on hope, here's exactly what you'll uncover: Discover the meaning of hope in your life by putting things into perspective Find out where hope comes from and how to have more of it in your life 5 steps to altering your beliefs and renewing your sense of hope for the future Hope versus optimism and how to spark a hope revolution to fuel you towards your dreams How to let go of the past by learning from it and moving on to a bigger and brighter future 5 tips for laying the groundwork for more hope in your life right now Ready to Learn More? If you're ready to have more hope in your life today, download this celebrated volume from the Inspirational Books Series, right now. Scroll up and hit the buy now button above **All the Little Hopes** Jul 28 2022 A Southern story of friendship forged by books and bees, when the timeless troubles of growing up meet the murky shadows of World War II. Deep in the tobacco land of North Carolina, nothing's been the same since the boys shipped off to war and worry took their place. Thirteen-year-old Lucy Brown is precocious and itching for adventure. Then Allie Bert Tucker wanders into town, an outcast with a puzzling past, and Lucy figures the two of them can solve any curious crime they find—just like her hero, Nancy Drew. Their chance comes when a man goes missing, a woman stops speaking, and an eccentric gives the girls a mystery to solve that takes them beyond the ordinary. Their quiet town, seasoned with honeybees and sweet tea, becomes home to a Nazi prisoner-of-war camp. More men go missing. And together, the girls embark on a journey to discover if we ever really know who the enemy is. Lush with Southern atmosphere, All The Little Hopes is the story of two girls growing up as war creeps closer, blurring

the difference between what's right, what's wrong, and what we know to be true.

Hope in Hell Nov 07 2020 'Brave and unflinching in setting out the reality of the hell towards which we're headed, but even more urgent, passionate and compelling about the grounds for hope if we change course fast enough, *Hope in Hell* is a powerful call to arms from one of Britain's most eloquent and trusted campaigners.' Caroline Lucas, MP 'Extraordinarily powerful, deeply troubling, scathing but ultimately purposeful and hopeful. This book is a clarion call to action, and action now. After reading this, we know for sure that nothing, not even a pandemic, must divert us from the most serious problem facing every living creature on the planet. In plain language, Jonathon Porritt is spelling it out. This is our last chance. Read, mark, learn, and inwardly digest. Then act.' Michael Morpurgo Climate change is the defining issue of our time - we know, beyond reasonable doubt, what that science now tells us. Just as climate change is accelerating, so too must we - summoning up a greater sense of urgency, courage and shared endeavour than humankind has ever seen before. The Age of Climate Change is an age of superlatives: most extreme this, biggest that, most costly ever. The impacts worsen every year, played out in people's backyards and communities, and more and more people around the world now realise this is going to be a massive challenge for the rest of their lives. In *Hope in Hell*, Porritt confronts that dilemma head on. He believes we have time to do what needs to be done, but only if we move now - and move together. In this ultimately optimistic book, he explores all these reasons to be hopeful: new technology; the power of innovation; the mobilisation of young people - and a sense of intergenerational solidarity as older generations come to understand their own obligation to secure a safer world for their children and grandchildren.

Rain Brings Frogs Oct 19 2021 Behind every cloud there is sun. Nate always sees the bright side of life. While others complain about rain, Nate is happy about the frogs that it brings. When you might think there is nothing to do, Nate is just happy to enjoy the view. Instead of wanting more, Nate is grateful for what he's got. Smile along with Nate as he

enjoys all the good things life has to offer.

Big Panda and Tiny Dragon Apr 12 2021 Discover the most beautiful book of the year as seen on ITV News and in the Guardian THE SUNDAY TIMES BESTSELLER 'James has a way to speak to your soul. This book is nothing short of comforting and heartwarming' VEX KING 'While the drawings have the charm of Winnie-the-Pooh, the captions have the depth of ancient proverbs' GUARDIAN _____ A guiding light in the darker months, *Big Panda and Tiny Dragon* is the beautifully illustrated and mindful journey of two friends through the seasons, inspired by Buddhist philosophy 'Which is more important,' asked Big Panda, 'the journey or the destination?' 'The company,' said Tiny Dragon. Friends Big Panda and Tiny Dragon journey through the seasons of the year together, day and night, in rain and in sun. Travelling through nature, they find hope and inspiration in the world around them, realising that even in the darkest of days, Spring will always return. Feel the calming influence of Big Panda, who reminds us of the bigger picture while appreciating the simplicity of small moments. Explore your surroundings with the inquisitive eye of Tiny Dragon, our friend who is big in heart if not in stature. And on their journey through the ever-changing seasons, join these two friends as they learn how to live in the moment, be at peace with uncertainty, and find the strength to overcome life's obstacles, together. Inspired by Buddhist philosophy and spirituality, James Norbury has captured in these whimsical characters the ideas that have helped him through his most difficult times. _____ 'The two friends often find themselves lost but discover beautiful sights they never would have found if they had gone the right way. While the drawings have the charm of Winnie-the-Pooh, the captions have the depth of ancient proverbs' GUARDIAN

Packed with live, filled with intelligence, and an honest expression of wit, this book will enrich and bring out the best in anyone. Readers will find this book not only comforting and full of knowledge, hut also life-changing.

A Drop of Hope Jul 04 2020 Introducing an extraordinary new voice who shows us how powerful an act of kindness, a hint of magic, and a little hope can be. "A book that reminds us of the kindness we are all capable of." -- Gary D. Schmidt, Newbery Honor winner and author of *Okay For Now* A well. A wish. And a little drop of hope. Times are tough. Jobs are scarce and miracles are in short supply. But something strange is happening in Cliffs Donnelly, Ohio. An old well has suddenly, impossibly, begun to grant wishes. And three sixth graders are the only ones who know why. Ernest Wilmette believes a good deed makes magic happen. Ryan Hardy thinks they should just mind their own business. Lizzy MacComber believes in facts, not fairy tales. Of course, you don't have to believe in wishes to make one. As more wishes are made, the well's true secret gets harder and harder to keep. Ernest, Ryan, and Lizzy know they can't fix the world. But in their own little corner of it, they can give everyone a little hope... one wish at a time.

Then Mar 12 2021 Felix and Zelda have escaped the train to the death camp, but where do they go now? They're two runaway kids in Nazi-occupied Poland. Danger lies at every turn of the road. With the help of a woman named Genia and their active imaginations, Felix and Zelda find a new home and begin to heal, forming a new family together. But can it last? Morris Gleitzman's winning characters will tug at readers' hearts as they struggle to survive in the harsh political climate of Poland in 1942. Their lives are difficult, but they always remember what matters: family,

love, and hope.

The Book of Hopes Dec 21 2021 In difficult times, what children really need is hope. This collection, packed with short stories, poems, essays and pictures from the very best children's authors and illustrators, aims to provide just that. Within its pages you'll find animal friends from insects to elephants, high-flying grandmas, a homesick sprite, the tooth fairy, and even extra-terrestrial life. This new edition has 133 contributions from children's authors and illustrators, including Lauren Child, Anthony Horowitz, Catherine Johnson, Michael Morpurgo, Onjali Q. Raúf, Axel Scheffler and Jacqueline Wilson. A donation from every sale will go to NHS Charities Together, in gratitude for the incredible efforts of all those who worked in hospitals over the quarantine period. The following proceeds from this ebook will be donated to NHS Charities Together: 35% of publisher's net receipts or at least £1.00 per copy. NHS Charities Together is a charity registered in England and Wales (registered charity no. 1186569)

Wisp Aug 24 2019 Idris is a child refugee, born into a world of tents and fences. He has known no other life than this. He has no memories of the world outside. Then the Wisp arrives, floating in on the evening breeze. Everyone who holds it finds their memories reawakened, their hopes of freedom reborn. But what about Idris, who has no memories? What will happen when he holds the magical Wisp? Storytelling and imagination have the power to offer hope in this extraordinary picture book from the Amnesty CILIP Honour-winning author of *The Bone Sparrow*, Zana Fraillon, and Kate Greenaway Medal-winning illustrator Grahame Baker Smith. 'Grahame Baker Smith's haunting and immersive illustration is perfect for this story of hope in the darkest of places' BookTrust

The Art of Losing It Dec 29 2019 When her brother dies of AIDS and her husband dies of cancer in the same year, Rosemary is left on her own with two young daughters and antsy addiction demons dancing in her head. This is the nucleus of *The Art of Losing It* a young mother jerking from emergency to emergency as the men in her life drop dead around her; a high-functioning radio show host waging war with her addictions while trying to raise her two little girls who just lost their daddy; and

finally, a stint in rehab and sobriety that ushers in a fresh brand of chaos instead of the tranquility her family so desperately needs. Heartrending but ultimately hopeful, *The Art of Losing It* is the story of a struggling mother who finds her way—slowly, painfully—from one side of grief and addiction to the other.

The Comfort Book Jan 22 2022 THE INSTANT NUMBER ONE SUNDAY TIMES BESTSELLER 'Profound, witty and uplifting' Observer 'Full of eloquent, cogent and positive reminders of the beauty of life' Independent The Comfort Book is a collection of consolations learned in hard times and suggestions for making the bad days better. Drawing on maxims, memoir and the inspirational lives of others, these meditations offer new ways of seeing ourselves and the world. This is the book to pick up when you need the wisdom of a friend, the comfort of a hug or a reminder that hope comes from unexpected places.

The Mike File Jan 28 2020 In *The Mike File*, Stephen Trimble grapples with his long-gone brother's life and death and looks behind doors he's barricaded in himself. His tender narrative grows from his quest to choose empathy and his refusal to let their mother's lifelong disinclination to talk about her grief and guilt render Mike's life invisible. Mike was a sweet kid but challenged in school. And then, in 1957, when "Stevie" was six and Mike 14, rage and psychosis overwhelmed Mike. His new diagnosis: paranoid schizophrenia, capable of violence. Their parents had no choice but to commit Mike to the Colorado State Hospital. He never lived at home again. Mike's heartrending life mirrored the history of our treatment of mental illness in America. He spent nine years in overcrowded Colorado mental institutions. When mainstreamed back to Denver, he rejected his family. Ten years later, he died alone in a boarding home, undiscovered for three days. The Denver media used his lonely death to expose these "ratholes" warehousing people with mental illness. Trimble closes by imagining a more hopeful vision of community care that could have eased Mike's life and granted the author a lifelong relationship with his big brother. Equal parts detective story, social history, journey of self-discovery, and compassionate and unsparing memorial to a family and a forgotten life,

The Mike File will move every reader with a relative or friend touched by psychiatric illness or disability—a bond that embraces nearly everyone. *Lost on Hope Island* Jun 02 2020 *Lost on Hope Island: The Amazing Tale of the Little Goat Midwives* is an adventure story without villains, zombies or fire-breathing dragons. The book is for all ages, but especially children 7-12, and asks the real question, "What if I were shipwrecked. Could I survive?" A page-turner for young readers or a family read-a-loud-book, *Lost on Hope Island* will give fans of Harman's previous USA Today bestselling books an opportunity to discuss, with their children, the issues surrounding birth, death, racial diversity, climate change, loneliness, courage, family, and hope.

Book Wars Dec 09 2020 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time. From the surge of ebooks to the self-publishing explosion and the growing popularity of audiobooks, *Book Wars* provides a comprehensive and fine-grained account of technological disruption in one of our most important and successful creative industries. Like other sectors, publishing has been thrown into disarray by the digital revolution. The foundation on which this industry had been based for 500 years - the packaging and sale of words and images in the form of printed books - was called into question by a technological revolution that enabled symbolic content to be stored, manipulated and transmitted quickly and cheaply. Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs. The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants, including powerful new tech giants who saw the world in very different ways. The book wars had begun. While ebooks were at the heart of many of these conflicts, Thompson argues that the most fundamental consequences lie elsewhere. The print-on-paper book has proven to be a remarkably resilient cultural form, but the digital revolution has transformed the industry in other ways, spawning new players which now wield unprecedented power and giving rise to an array of new publishing

forms. Most important of all, it has transformed the broader information and communication environment, creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age. This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future.

Little Hope Big Hope Jun 26 2022 Ready? The expedition to find hope begins now! Little ones, big ones, boys, girls, everyone all 'round the world, join us as we travel through the pages of Little Hope Big Hope, inspiring children of all ages and stages, bursting with joy. It is hope in a book, teaching children they can dream. It is hope in a book, teaching children they can believe. Belief improves well-being.

[The Biggest Little Book about Hope](#) Nov 19 2021

[Sing for Your Life](#) Sep 25 2019 The New York Times bestseller about a young black man's journey from violence and despair to the threshold of stardom: "A beautiful tribute to the power of good teachers" (Terry Gross, Fresh Air). "One of the most inspiring stories I've come across in a

long time."-Pamela Paul, New York Times Book Review Ryan Speedo Green had a tough upbringing in southeastern Virginia: his family lived in a trailer park and later a bullet-riddled house across the street from drug dealers. His father was absent; his mother was volatile and abusive. At the age of twelve, Ryan was sent to Virginia's juvenile facility of last resort. He was placed in solitary confinement. He was uncontrollable, uncontainable, with little hope for the future. In 2011, at the age of twenty-four, Ryan won a nationwide competition hosted by New York's Metropolitan Opera, beating out 1,200 other talented singers. Today, he is a rising star performing major roles at the Met and Europe's most prestigious opera houses. *Sing for Your Life* chronicles Ryan's suspenseful, racially charged and artistically intricate journey from solitary confinement to stardom. Daniel Bergner takes readers on Ryan's path toward redemption, introducing us to a cast of memorable characters -- including the two teachers from his childhood who redirect his rage into music, and his long-lost father who finally reappears to hear Ryan sing. Bergner illuminates all that it takes -- technically, creatively -- to find and foster the beauty of the human voice. And *Sing for Your Life* sheds unique light on the enduring and complex realities of race in America.
