The Writings of Henry David Thoreau Nov 25 2019

**Understanding Thoreau's "Civil Disobedience"** Oct 25 2019 Provides background information on the circumstances that led to the writing of Thoreau's noteworthy work, and discusses its style and literary merit, its effectiveness at the time, and its subsequent influence.

Thoreau's Religion Aug 03 2020 Boldly reconfigures Walden for contemporary ethics and politics by recovering Thoreau's theological vision of environmental justice.

**Walden** Jan 28 2020 First published in 1854, Walden recounts American philosopher and naturalist Henry David Thoreau's experiences over the course of two years, two months, and two days in a cabin he built near Walden Pond, amidst woodland owned by his friend and mentor Ralph Waldo Emerson, near Concord, Massachusetts. The book is part personal declaration of independence, social experiment, voyage of spiritual

discovery, satire, and, ultimately, manual for self-reliance. *Walden* enjoyed some success upon its release, but still took five years to sell 2,000 copies, and then went out of print until Thoreau's death in 1862. Despite its slow beginnings, later critics have praised it as an American classic that explores natural simplicity, harmony, and beauty. The poet Robert Frost wrote of Thoreau, ""In one book ... he surpasses everything we have had in America.""

*Walden and Other Writings* May 12 2021 With their call for "simplicity, simplicity, simplicity!", for self-honesty, and for harmony with nature, the writings of Henry David Thoreau are perhaps the most influential philosophical works in all American literature. The selections in this volume represent Thoreau at his best. Included in their entirety are *Walden*, his indisputable masterpiece, and his two great arguments for nonconformity, *Civil Disobedience* and *Life Without Principle*. A lifetime of brilliant observation of nature--and of himself--is recorded in selections from *A Week On The Concord And Merrimack Rivers*, *Cape Cod*, *The Maine Woods* and *The Journal*.

**Wild Fruits** Feb 09 2021 A collection of musings by one of America's premier philosophers, previously kept from publication due the difficulty of the composition, includes illustrations of the wild fruit Thoreau describes. Reprint. 25,000 first printing.

On the Duty of Civil Disobedience Jan 20 2022 *On the Duty of Civil Disobedience*, called *Civil Disobedience* for short, is an essay by American transcendentalist Henry David Thoreau that was first published in 1849. In it, Thoreau argues that individuals should not permit governments to overrule or atrophy their consciences, and that they have a duty to avoid allowing such acquiescence to enable the government to make them the agents of injustice. Thoreau was motivated in part by his disgust with slavery and the Mexican–American War (1846–1848). Famous essay of the author Henry David Thoreau: "The Service", "A Walk to Wachusett", "Paradise (to be) Regained", "Sir Walter Raleigh", "Herald of Freedom", "Wendell Phillips Before the Concord Lyceum", "Reform and the Reformers", Thomas Carlyle and His

Works, Resistance to Civil Government (Civil Disobedience), "Slavery in Massachusetts", A Plea for Captain John Brown, The Last Days of John Brown, "Walking", "Life Without Principle", Excursions anthology.

**Henry David Thoreau** Mar 10 2021 Presents a biography of Henry David Thoreau along with critical views of his work.

The Writings of Henry David Thoreau: The Maine woods Dec 27 2019

*Performing Arts Curricula in the California State University and Colleges, March 1972* Nov 18 2021

*Teaching Secondary English* Aug 15 2021 English teachers, readings and applications. Reading literature, teaching writing, teaching about language. Joining the profession.

*Henry David Thoreau for Kids* Apr 30 2020 Hands-on nature activities for the budding transcendentalist Author and naturalist Henry David Thoreau is best known for living two years along the shores of Walden Pond in Concord, Massachusetts. He is also known for spending a night in jail for nonpayment of taxes, which he discussed in the influential essay "Civil Disobedience." More than 150 years later, people are still inspired by his thoughtful words about individual rights, social justice, and nature. His detailed plant observations have even proven to be a useful record for 21st-century botanists. Henry David Thoreau for Kids chronicles the short but influential life of this remarkable thinker. In addition to learning about Thoreau's contributions to our culture, young readers will participate in engaging, hands-on projects that bring his ideas to life. Activities include building a model of the Walden cabin, keeping a daily journal, planting a garden, baking trail-bread cakes, going on a half-day hike, and starting a rock collection. The book also includes a time line and list of resources—books, websites, and places to visit—which offer even more opportunities to connect with this fascinating man.

**Walden** May 24 2022

*I Begin with Spring: The Life and Seasons of Henry David Thoreau* Oct 17 2021 One of Kirkus' Most Anticipated Children's Book of 2022 "A must read." - Elizabeth Bird, A Fuse 8 Production Kirkus starred review: A marvelous life survey of a perennially relevant historical figure. Formatted like a nature notebook, this exploration of seasonal changes in Thoreau's day is also a visual story of his life and times and a gentle introduction to climate change. *I Begin with Spring* weaves natural history around Thoreau's life and times in a richly illustrated field notebook format that can be opened anywhere and invites browsing on every page. Beginning each season with quotes from Thoreau's schoolboy essay about the changing seasons, Early Bloomer follows him through the fields and woods of Concord, the joys and challenges of growing up, his experiment with simple living on Walden Pond, and his participation in the abolition movement, self-reliance, science, and literature. The book's two organizing themes—the chronology of Thoreau's life and the seasonal cycle beginning with spring—interact seamlessly on every spread, suggesting the correspondence of human seasons with nature's. Thoreau's annual records of blooms, bird migrations, and other natural events scroll in a timeline across the page bottoms, and the backmatter includes a summary of how those dates have changed from his day to ours and what that tells us about the science of phenology and climate change. Megan Baratta's watercolors are augmented with historical images and reproductions of Thoreau's own sketches to create a high-interest visual experience. The book includes a foreword from Thoreau scholar Jeffrey Cramer, Curator of Collections for the Walden Woods Project.

Henry Thoreau Nov 06 2020 This biography of Henry Thoreau offers insight into his social activism, his interest in fine arts, William Gilpin and John Ruskin's influence on his nature writing, and his involvement in, and influence by, the Agassiz-Darwin debate over "The Origin of Species."

**Cape Cod** Jun 13 2021

*A Week on the Concord and Merrimack Rivers* Aug 23 2019

**Autumnal Tints** Apr 11 2021 Two institutions of New England, our fall colors and Henry David Thoreau,

are brought together in this posthumously published rumination on Nature. Autumnal Tints was originally published in the October 1862 Atlantic Monthly. "October is the month for painted leaves. Their rich glow now flashes round the world. As fruits and leaves and the day itself acquire a bright tint just before they fall, so the year near its setting. October is its sunset sky; November the later twilight."

**Stand Still Like the Hummingbird** Jul 22 2019 Many of them have appeared only in foreign magazines while others were printed in limited editions which have gone out of print.

**Henry David Thoreau** Apr 23 2022 "Walden. Yesterday I came here to live." That entry from the journal of Henry David Thoreau, and the intellectual journey it began, would by themselves be enough to place Thoreau in the American pantheon. His attempt to "live deliberately" in a small woods at the edge of his hometown of Concord has been a touchstone for individualists and seekers since the publication of Walden in 1854. But there was much more to Thoreau than his brief experiment in living at Walden Pond. A member of the vibrant intellectual circle centered on his neighbor Ralph Waldo Emerson, he was also an ardent naturalist, a manual laborer and inventor, a radical political activist, and more. Many books have taken up various aspects of Thoreau's character and achievements, but, as Laura Dassow Walls writes, "Thoreau has never been captured between covers; he was too quixotic, mischievous, many-sided." Two hundred years after his birth, and two generations after the last full-scale biography, Walls renews Henry David Thoreau for us in all his profound, inspiring complexity. Drawing on Thoreau's copious writings, published and unpublished, Walls presents a Thoreau vigorously alive, full of quirks and contradictions: the young man shattered by the sudden death of his brother; the ambitious Harvard College student; the ecstatic visionary who closed Walden with an account of the regenerative power of the Cosmos. We meet the man whose belief in human freedom and the value of labor made him an uncompromising abolitionist; the solitary walker who found society in nature, but also found his own nature in the society of which he was a deeply interwoven part. And, running through it all, Thoreau the passionate naturalist, who, long before the age of environmentalism, saw tragedy for future

generations in the human heedlessness around him. "The Thoreau I sought was not in any book, so I wrote this one," says Walls. The result is a Thoreau unlike any seen since he walked the streets of Concord, a Thoreau for our time and all time.--Dust jacket.

**The Night Thoreau Spent in Jail** Oct 29 2022 A play dramatizing the philosopher, Henry David Thoreau, and his stand concerning civil disobedience. He refused to pay taxes owing to his disapproval of the Mexican War. For his act of protest he was sent to jail.

**A Plea for Captain John Brown** Jul 02 2020 The present book 'A Plea for Captain John Brown' was written by famous American essayist, poet, philosopher, abolitionist, naturalist, tax resister, development critic, surveyor, and historian - Henry David Thoreau. It is an essay which is based on a speech Thoreau first delivered to an audience at Concord, Massachusetts on October 30, 1859, two weeks after John Brown's raid on Harper's Ferry, and repeated several times before Brown's execution on December 2, 1859. It was first published in the year 1859.

Henry David Thoreau Jun 01 2020 In 1849, Henry David Thoreau's essay "Civil Disobedience" was published. The ideas he set forth in the essay and in his other writings were so groundbreaking that they influenced towering figures such as Martin Luther King Jr. and Mahatma Gandhi. Thoreau's ideas continue to influence peaceful activists today. This book explores the life of Thoreau, his beliefs, his strategies for protest, and the legacy he left behind.

**Solid Seasons** Oct 05 2020 A thoughtfully researched, movingly presented dual-biography of two iconic American writers, each trying to find the ideal friend with whom they could share their journey through our imperfect world. Any biography that concentrates on either Henry David Thoreau or Ralph Waldo Emerson tends to diminish the other figure, but in *Solid Seasons* both men remain central and equal. Through several decades of writing, friendship remained a primary theme for them both. Collecting extracts from the letters and journals of both men, as well as words written about them by their contemporaries, Jeffrey S. Cramer

beautifully illustrates the full nature of their twenty-five-year dialogue. Biographers like to point at the crisis in their friendship, focusing particularly on Thoreau's disappointment in Emerson—rarely on Emerson's own disappointment in Thoreau—and leaving it there, a friendship ruptured. But the solid seasons remained, as is evident when, in 1878, Anne Burrows Gilchrist, the English writer and friend of Whitman, visited Emerson. She wrote that his memory was failing "as to recent names and topics but as is usual in such cases all the mental impressions that were made when he was in full vigour remain clear and strong." As they chatted, Emerson called to his wife, Lidian, in the next room, "What was the name of my best friend?" "Henry Thoreau," she answered. "Oh, yes," Emerson repeated. "Henry Thoreau."

The Night Thoreau Spent in Jail Sep 28 2022 After refusing to pay taxes to the American government, which was engaged in what he saw as an unjust war, Henry David Thoreau is thrown in prison.

**Live Deep and Suck all the Marrow of Life: H.D. Thoreau's Literary Legacy** Mar 30 2020 Considered to be one of America's great intellectuals, Thoreau was deeply engaged in some of the most important social debates of his day including slavery, the emergence of consumerism, the American Dream, living on the frontier, the role of the government and the ecological mind. As testimony to Thoreau's remarkable intellectual heritage, his autobiography, essays and poetry still continue to inspire and attract readers from across the globe. As a celebration of H.D. Thoreau's Bicentenary (1817-1862), this edited volume offers a re-reading of his works and reconsiders the influence that his transcendentalist philosophy has had on American culture and literature. Taking an intertextual perspective, the contributors to this volume seek to reveal Thoreau's influence on American Literature and Arts from the 19th century onwards and his fundamental contribution to the development of 20th century American Literature. In particular, this work presents previously unconsidered intertextual analyses of authors that have been influenced by Thoreau's writings. This volume also reveals how Thoreau's influence can be read across literary genres and even seen in visual manifestations such as cinema.

The Transcendentalists and Their World Feb 27 2020 One of The Wall Street Journal's 10 best books of 2021 One of Air Mail's 10 best books of 2021 Winner of the Peter J. Gomes Memorial Book Prize In the year of the nation's bicentennial, Robert A. Gross published *The Minutemen and Their World*, a paradigm-shaping study of Concord, Massachusetts, during the American Revolution. It won the prestigious Bancroft Prize and became a perennial bestseller. Forty years later, in this highly anticipated work, Gross returns to Concord and explores the meaning of an equally crucial moment in the American story: the rise of Transcendentalism. *The Transcendentalists and Their World* offers a fresh view of the thinkers whose outsize impact on philosophy and literature would spread from tiny Concord to all corners of the earth. Ralph Waldo Emerson, Henry David Thoreau, Nathaniel Hawthorne, and the Alcotts called this New England town home, and Thoreau drew on its life extensively in his classic *Walden*. But Concord from the 1820s through the 1840s was no pastoral place fit for poets and philosophers. The Transcendentalists and their neighbors lived through a transformative epoch of American life. A place of two thousand-plus souls in the antebellum era, Concord was a community in ferment, whose small, ordered society founded by Puritans and defended by Minutemen was dramatically unsettled through the expansive forces of capitalism and democracy and tightly integrated into the wider world. These changes challenged a world of inherited institutions and involuntary associations with a new premium on autonomy and choice. They exposed people to cosmopolitan currents of thought and endowed them with unparalleled opportunities. They fostered uncertainties, raised new hopes, stirred dreams of perfection, and created an audience for new ideas of individual freedom and democratic equality deeply resonant today. *The Transcendentalists and Their World* is both an intimate journey into the life of a community and a searching cultural study of major American writers as they plumbed the depths of the universe for spiritual truths and surveyed the rapidly changing contours of their own neighborhoods. It shows us familiar figures in American literature alongside their neighbors at every level of the social order, and it reveals how this common life in Concord entered powerfully into their works. No American community of

the nineteenth century has been recovered so richly and with so acute an awareness of its place in the larger American story.

*Walden and On the Duty of Civil Disobedience* Sep 16 2021 Reproduction of the original.

**American Writers** Sep 23 2019 "American Writers focuses on the rich diversity of American novelists

The Routledge Guidebook to Thoreau's Civil Disobedience Sep 04 2020 Since its publication in 1849, Henry David Thoreau's *Civil Disobedience* has influenced protestors, activists and political thinkers all over the world. Including the full text of Thoreau's essay, *The Routledge Guidebook to Thoreau's Civil Disobedience* explores the context of his writing, analyses different interpretations of the text and considers how posthumous edits to *Civil Disobedience* have altered its intended meaning. It introduces the reader to: the context of Thoreau's work and the background to his writing the significance of the references and allusions the contemporary reception of Thoreau's essay the ongoing relevance of the work and a discussion of different perspectives on the work. Providing a detailed analysis which closely examines Thoreau's original work, this is an essential introduction for students of politics, philosophy and history, and all those seeking a full appreciation of this classic work.

**Henry Builds a Cabin** Jun 20 2019 How big does a home really need to be? When Henry decides to build a cabin for himself in the woods, he gets some help and a lot of advice from his friends. But Henry, being Henry, has his own ideas, and he sets about building his house as a bird builds its nest. As he adds everything he thinks his cabin needs, Henry's new home ends up being a lot bigger than it looks! Inspired by the life of Henry David Thoreau, and illustrated with nature-filled paintings by author and artist D. B. Johnson, *Henry Builds a Cabin* is a thoughtful and beautiful meditation on what a home can be.

*Civil Disobedience* Feb 21 2022 A Book that Transformed America "Friendship is first, Friendship last. But it is equally impossible to forget our Friends, and to make them answer to our ideal."- *Civil Disobedience*, Henry David Thoreau *Civil Disobedience* was Thoreau's first published book and continues to transform

American discourse. It is unusual for its symbolism and structure, its criticism of Christian institutions, and its many-layered storytelling. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes.

**A Study Guide for Jerome Lawrence's "The Night Thoreau Spent in Jail"** Jul 26 2022 A Study Guide for Jerome Lawrence's "The Night Thoreau Spent in Jail," excerpted from Gale's acclaimed Drama For Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Drama For Students for all of your research needs.

Picturing Thoreau Dec 07 2020 This book examines, in detail, about 30 portraits of Henry David Thoreau that were done by American artists between 1854 and the present day. It becomes clear from this study that although Thoreau's features have been "used" in a bewildering variety of ways to convey a host of messages (some of which would have dismayed him), there is a remarkable consistency, and relevance for us today, in what he was trying to convey to his fellow Americans.

**If You Spent a Day with Thoreau at Walden Pond** Jun 25 2022 In 1845 in Concord, Massachusetts, Henry David Thoreau began a radical experiment: he built a cabin in the woods and lived there, alone, examining the world around him. He spent his days walking the shores of Walden Pond, growing beans, observing plants and animals, and recording his reflections in his notebook. These reflections eventually became his seminal work *Walden*. In this lovely picture book, Robert Burleigh and Wendell Minor imagine a special day spent with the celebrated writer and naturalist through the eyes of a child. Together Thoreau and the young

boy watch small but significant wonders such as swimming fish, fighting ants, and clouds in the sky. It is a day full of splendor and appreciation of the outdoor world.

Where I Lived, and What I Lived For Dec 19 2021 Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are. Thoreau's account of his solitary and self-sufficient home in the New England woods remains an inspiration to the environmental movement - a call to his fellow men to abandon their striving, materialistic existences of 'quiet desperation' for a simple life within their means, finding spiritual truth through awareness of the sheer beauty of their surroundings.

Henry Thoreau Jul 14 2021 The two years Thoreau spent at Walden Pond and the night he spent in the Concord jail are among the most familiar features of the American intellectual landscape. In this new biography, based on a reexamination of Thoreau's manuscripts and on a retracing of his trips, Robert Richardson offers a view of Thoreau's life and achievement in their full nineteenth century context.
