Tantric Sex and Menopause Aug 01 2020 A tantric guide to discovering the hidden gifts of menopause • Explains why Tantra works for menopausal women and how their bodies are naturally entering a more tantric phase focused on creative, spiritual energy • Details tantric practices and tools to connect with the body's inner intuitive wisdom, remove the "performance pressure" of conventional sex, and set the stage for passion and pleasure to thrive both in the bedroom and beyond • Explores what to expect physically, emotionally, and spiritually, and in relationships As women, we live so closely to the body--through menstruation, pregnancy, birthing, motherhood, and then menopause. Each of these transitions changes a woman in a multitude of ways, most of which are celebrated. Yet menopause often causes women to feel despondent, as if our bodies are broken or deficient, especially when it comes to sex and intimacy. However, as tantric teachers Diana Richardson and Janet McGeever show,

menopause has many hidden gifts to offer if we learn to embrace rather than suppress the changes this natural transition brings. Shining the light of tantric intelligence on menopause, the authors reveal how to explore and experience menopause in a radically positive fashion, suffused with a sense of vital awakening and "re-wilding" of a woman's sexuality, creativity, and spirituality. Explaining what to expect physically, emotionally, and spiritually, as well as what it means for relationships, they detail tantric practices and tools to connect with the body's inner intuitive wisdom and heart energies, remove the "performance pressure" of conventional sex, and set the stage for passion and pleasure to thrive both in the bedroom and beyond. They explain why Tantra works for menopausal women and how their bodies are naturally entering a more tantric phase focused on creative, spiritual energy. They explore how, in Tantra, sex is practiced not for the sake of sex itself but as an instrument for going "beyond" sex, for better health, improved relationships,

enhanced self-control and emotional balance, and even higher states of consciousness. They also offer many self-help practices, exercises, and meditations to reinforce a positive attitude toward menopause and overcome many of the physical and sexual problems, such as pain, dryness, loss of interest, and loss of libido. Providing a guide for women who are approaching, experiencing, or have gone through menopause, the authors show how a more informed, tantric approach to menopause allows each woman to deepen her trust in the perfect functioning of the female body, embrace her natural sexual response, and reconnect with her inner self.

The Complete Idiot's Guide to Tantric Sex

Nov 23 2019 In this updated, fully illustrated second edition, the author uncovers every aspect of this ancient practice, and introduces the principles, techniques, and rituals of Tantra.

Tantra Yoga Secrets Jul 12 2021 The practice of Tantra Yoga is considered to be the highest and most rapid path to enlightenment. Master teacher Mukunda Stiles offers 18 lessons in Tantra Yoga, a practice of transformational self-healing in which we can deepen awareness of our bodies, their energy forces, and the connections to the natural world around you and those you love. While many movements today describe tantra as a sexual practice promising longer and better orgasms, increased stamina, and ecstasy, the real Tantra aims to awaken Kundalini, the dormant potential force in the human personality. The Tantra tradition includes a vast range of practical teachings leading to the expansion of human consciousness and the liberation of primal energy. By heightening their awareness to this connective energy, readers will learn to embrace and develop a higher level of intimacy, the heart of tantra. Stiles explains this intimate and life-changing practice with grace, structure, and clarity--an easy-to-follow Tantra Yoga workshop in book form. Tantra Yoga Secrets will empower readers to overcome emotions, gain new knowledge, and live a more fulfilling spiritual lifestyle.

Genesis and Development of Tantra Oct 23 2019

Tantra Apr 09 2021 The message of Tantra endorses Osho's understanding that only through total acceptance of ourselves can we grow. Osho speaks on Tantra meditation techniques (let go and surrender), and tantric love and spirituality in sex. Here the Tantra message — don't live a repressed life, otherwise you don't live at all — is made accessible and understandable to modern readers, who will learn to live a life of expression, creativity, and joy.

Divine Sex Jan 06 2021 This highly illustrated guide to Tantric and Taoist practices shows how to heighten awareness, increase sexual intensity and bring about spiritual enrichment. Adding a new dimension to sex and sexuality as currently perceived in the West, it demonstrates how to use the vital energy resources within us to achieve undreamed levels of ecstasy. It reveals the mental preparation, individual exercises, love-making rituals, healing positions and appropriate occasions previously known only to a few, and makes all this information accessible to the widest possible audience.

Tantra in Practice Jan 26 2020 Tantra in Practice is the eight volume of Princeton Readings in Religions and the first substantial anthology of Tantric works ever to appear in English. The thirty-nine contributors, drawn from around the world, are leading scholars of Tantra. Each contributor has provided a translation of a key work, in most cases translated here for the first time. Each chapter in the volume begins with an introduction in which the translator discusses the history and influence of the work, identifying points of particular difficulty or interest. David White has provided a general introduction to the volume that serves as an ideal guide to the

riches contained between the covers of this book. He has organized the volume thematically, providing fascinating juxtapositions of works from different regions, periods, and traditions. Two additional tables of contents are provided, organizing the works by tradition and by country of origin. The range of works represented here is remarkable, spanning the continent of Asia and the traditions of Hinduism, Buddhism, Jainism and Islam over more than a millennium. With the publication this volume, the long disparaged and neglected Tantric traditions of Asia receive the attention they so rightly deserve. This is a groundbreaking work.

Adam's Fall Dec 17 2021 For the past few years, Lilah Mason has watched her sister find love, get married, and have children, while she's been more than content to channel her energies into her career. A physical therapist with an unsinkable spirit and unwavering compassion, she's one of the best in the field. But when Lilah takes on a demanding new case, her patient's life isn't the only one transformed. Her new patient, Adam, challenges her methods and authority at every turn. Yet Lilah is determined to help him recover the life he's lost. What she can't see, until it's much too late, is that while she's winning Adam's battle, she's losing her heart... And as professional duty and her passionate yearnings clash, she must choose the course right for them both.

Transformations and Transfer of Tantra in Asia and Beyond Nov 04 2020 The essays in this volume, written by specialists working in the field of tantric studies, attempt to trace processes of transformation and transfer that occurred in the history of tantra from around the seventh century and up to the present. The volume gathers contributions on South Asia, Tibet, China, Mongolia, Japan, North America, and Western Europe. The chapters cover a wide thematic area, which includes modern Bengali tantric practitioners, tantric ritual in medieval China, the South Asian cults of the mother goddesses, the way of Buddhism into Mongolia, and countercultural echoes of contemporary tantric studies.

Love and Rage Aug 21 2019 In the face of systemic racism and state-sanctioned violence, how can we metabolize our anger into a force for liberation? White supremacy in the United

States has long necessitated that Black rage be suppressed, repressed, or denied, often as a means of survival, a literal matter of life and death. In *Love and Rage*, Lama Rod Owens, coauthor of *Radical Dharma*, shows how this unmetabolized anger--and the grief, hurt, and transhistorical trauma beneath it--needs to be explored, respected, and fully embodied to heal from heartbreak and walk the path of liberation. This is not a book about bypassing anger to focus on happiness, or a road map for using spirituality to transform the nature of rage into something else. Instead, it is one that offers a potent vision of anger that acknowledges and honors its power as a vehicle for radical social change and enduring spiritual transformation. *Love and Rage* weaves the inimitable wisdom and lived experience of Lama Rod Owens with Buddhist philosophy, practical meditation exercises, mindfulness, tantra, pranayama, ancestor practices, energy work, and classical yoga. The result is a book that serves as both a balm and a blueprint for those seeking justice who can feel overwhelmed with anger--and yet who refuse to relent. It is a necessary text for these times.

Principles of Tantra Mar 08 2021 The present work is a defense of the Tantra, of which Sastra the author is an adherent and a polemic, undertaken in the interests of Hindu orthodoxy in its Sakta and Tantrika form against secularism on the one hand, and on the other the religious eclecticism and various reforming movements, of which, when the book was first written, the Brahmasamaj was a leading type. In fact, in parts the book reads like an orthodox Catholic protest against modernism and is thus interesting as showing how many fundamental principles are common to all orthodox forms of belief, whether of West or of East. The author of the *Tantratattva* (on which this translation is based) is a well-known Tantrik Pandit, preacher, and secretary of the Sarvamgalasabha of Benares, who knew no English. His work, which is written in Bengali, may therefore be taken to be an accurate popular statement of modern orthodox views on the subject treated by him. The word *Tattva* is a very comprehensive one, which is by no means always easy to translate. The author has rendered the title of the book as *Principles of Tantra*, though, may be, it should

be Subjects of Tantra. The work deals with chosen topics of Tantra. This, however, also involves a statement of certain fundamental principles which govern Sastrik teaching on the subjects dealt with, and this as well as the contents of possible future volumes must be the justification for giving the book ambitious title.

Strange Little Girls Sep 21 2019 Strange Little Girls are made of sugar and spice, and something not quite as nice... The strange little girls are orphans and changelings, suburban princesses, housewives, nuns and monsters. They are quirky and sweet, terrifying and heartbreaking. All of them a little lost, brimming with their own uniqueness. In this strange little book of nineteen tales, Lotte goes swimming with her new fishy friends, Rin is freshly dug up, D'arcy strikes a bargain with the midnight mailman and Adelaide enters the mysterious House of Infinite Diversions. Our girls must fasten their bonnets and straighten their skirts to battle otherworldly dangers and challenging circumstances, internal struggles and doubts - and maybe find out who they really are. Tantra Jul 20 2019 "Tantra is freedom; freedom from all mind-constructs, from all mind-games; freedom from all structures; freedom from the other. Tantra is space to be. Tantra is liberation, a total orgasm of the whole being." —Osho The tradition of Tantra or Tantric Buddhism is known to have existed in India as early as the 5th century AD. In this all-time bestseller, using the contemporary idiom and his own unique blend of

wisdom and humor, Osho talks about the mystical insights found in the ancient Tantric writings. He also explores many significant Tantric meditation techniques, demonstrating how they are as relevant to the modern-day seeker as they were to those in earlier times. No matter how complex, obscure, or mystical the subject, Osho always brings his uniquely refreshing perspective—introducing the most difficult concepts to the widest possible audience with irreverent wit and thought-provoking inspiration.

The Pursuit of Passion Feb 07 2021 The PURSUIT Series will stir your heart and get your blood pumping, as you follow the romantic adventures of Adam Garnett. Adam Garnett has been known for his utterly good looks, brilliance at closing multimillion-dollar business deals, and failed attempts at seducing his boss, Taylor Doheny: The beautiful widow of Adam's best friend. Three years after her husband's death, Taylor Doheny is still determined to keep her heart locked away from men, particularly the ultimate flirt and notorious womanizer Adam Garnett. She had better take care; his ravishing words, sweet promises, and provocative gestures are threatening to break through her defenses and irrevocably get under her skin. When Adam risks his life to rescue her during a vicious assault, Taylor can't find it in her to ignore his broiling desire and obsessive lust for her. Will she be able to leave the past behind and open up her heart to Adam, despite the real danger of having her already fragile emotions crushed?

The Origins of Yoga and Tantra Jun 11 2021 Yoga, tantra and other forms of Asian meditation are practised in modernized forms throughout the world today, but most introductions to Hinduism or Buddhism tell only part of the story of how they developed. This book is an interpretation of the history of Indic religions up to around 1200 CE, with particular focus on the development of yogic and tantric traditions. It assesses how much we really know about this period, and asks what sense we can make of the evolution of yogic and tantric practices, which were to become such central and important features of the Indic religious scene. Its originality lies in seeking to understand these traditions in terms of the total social and religious context of South Asian society during

this period, including the religious practices of the general population with their close engagement with family, gender, economic life and other pragmatic concerns.

The Tantra Experience Jun 23 2022 This life is a gift from existence, to be lived and enjoyed. But with the seemingly impossible and conflicting demands of society, morality and culture, people struggle with feelings of unfulfilled potential, frustration and guilt, rather than living full lives. The world of Tantra has no division between higher and lower. The simple, ordinary, things of life are transformed into great things when we enter into them totally – be it car fixing, floor cleaning or lovemaking. Osho shows how, living this vision, new heights of consciousness and freedom are realized. "The days of tantra are coming. Sooner or later tantra will explode for the first time in the masses, because for the first time the time is ripe -- ripe to take sex naturally. One thing to be remembered always: if you are not very alert you may go on believing that you are moving into tantra, and you may be simply rationalizing your sexuality -- it may be nothing but sex, rationalized in the terminology of tantra. If you move into sex with awareness, it can turn into tantra. If you move into tantra with unawareness, it can fall and become ordinary sex."

Bossy Nights Mar 20 2022 A forbidden and sexy office romance from USA Today bestseller Liv Morris. I've landed in New York City with my resume in one hand and my V-card in the other. The resume? "Bossy Nights delivers all of the feels." - USA Today HEA Full length novel at 68,000 words.

[Eros Ascending](#) Nov 16 2021 ***FINALIST, USA Best Books 2010 Awards – Spirituality & Self-Help: Relationships The quest for lasting love is one of life's essential pursuits, in some ways the most essential. But it's also a quest that's impossible to separate from spiritual and sexual needs. In *Eros Ascending*, author John Maxwell Taylor offers a wide-ranging study of sexual dysfunction in society and explains how healthy sexuality can be an entryway to universal love and higher consciousness. Based on Taylor's twenty-three-year experience with Taoist practices, the book presents an engaging analysis of love, relationships, and sexuality from spiritual, romantic, and sexual perspectives. Taylor melds essential ideas by Jung, Gurdjieff, and Taoist Master Mantak Chia with science, biology, spiritual tradition, and current popular culture to shed new light on this eternal yet misunderstood subject. Not just for couples, the book is equally useful for single people who want to understand the methods for "learning to love yourself" in preparation for a fulfilling, long-term relationship. Taylor draws on his eclectic background as a successful playwright, composer, actor, and musician in this persuasive plan for converting ordinary sexual energy into food for the soul.

Tantra for the West Sep 26 2022 A Direct Path to Living the Life of Your Dreams What does tantra have to do with your relationships, work, money, creativity, sex, food and drink, being alone, meditation and yoga, aging and healing, politics, freedom, and enlightenment? Everything! Tantra is usually thought of as sex with some kind of mysticism thrown in. Marc Allen goes back to the original meaning of tantra and shows how it can be applied to every moment of your life, excluding nothing. *Tantra for the West* is filled with ancient and modern principles and practices that help you use all your experiences as part of your mental, emotional, and spiritual growth. Within your way of life — whatever it may be — within your everyday thoughts and feelings, within your fantasies and dreams are the keys to love, freedom, and fulfillment. As soon as you can see this, you'll find yourself on a direct path to realizing the life of your dreams. This highly acclaimed book has inspired readers all over the world for over thirty years, and is now

completely revised, with new material added. It gives you simple keys and practical tools that can be wildly, creatively adapted to your individual needs. If you spend even a brief amount of time with this book, you will discover for yourself the transformative power of tantra. *Living Tantra* Jul 24 2022 Tantra originated in India many centuries ago but it's uniquely placed to help people use real life as grist to the mill for spiritual transformation. The purpose of the book is to articulate what Tantra can be in our modern times and how it can be applied to all aspects of our everyday life. Traditionally Tantra was a path that brought spirituality out of the caves and monasteries and into the life of householders. It didn't seek to separate sexuality and spirituality and to force people to make a choice but rather to integrate the life of family and relationship with spirituality. This includes sexuality but it's not all about sexuality, and this is a rare book that applies Tantra to every aspect of life. *Living Tantra* is a body of work that aims to bring the essence and core message of tantra into relevance for our contemporary life and society as a path of spiritual growth and human development. It's based on her legendary workshops which book up via word of mouth and attracts attendees from across Europe and North America, especially Sweden, Austria, USA, Germany, Spain and the Czech Republic. The exercises here come out of these workshops and mean that we can benefit from this work in our own homes. The principles of *Living Tantra* are to use all life, all experience to learn and become more conscious of ourselves and the world around us, to care more for ourselves, each other and the world and to develop greater compassion. Tantra includes everything. It is the weaving together of all that is.

The Art of Everyday Ecstasy May 30 2020 "Ecstasy is about waking up and finding that you are in love with life." Most people think of ecstasy in terms of sexual ecstasy, which Tantric

sex expert Margot Anand wrote about in her bestselling *The Art of Sexual Ecstasy*. Now, in *The Art of Everyday Ecstasy*, Anand expands our definition of ecstasy and shows how we can harness its energy to help us live, work, and love more passionately, joyfully, and with true spiritual focus. Our modern, work-obsessed, stress-filled culture—what Anand calls the "anti-ecstatic conspiracy"—has dulled our spirits, thrown us off balance, and alienated us from meaningful everyday experiences. In this inspirational journey toward finding the healing nature of ecstasy, Anand explains how the two types of ecstatic experiences—the moments of epiphany called *Ecstatic Awakenings*, and *Everyday Ecstasy*, or the *Ecstasy of Flow*, a connection to our power and inner wisdom—can help us move beyond pain and doubt to reach our highest potential. Based on the spiritual path of Tantra, Anand shows how to use the natural energy system of our bodies—the seven chakras—as a map to ecstasy. As she guides us through the chakras, she explains how each one plays an important role in transforming energy into erotic passion, healing, empowerment, compassion, creativity, insight, and gratitude. Blocked chakras manifest themselves in surprising ways; wholeness can be achieved only when all of the chakras are open with energy flowing freely. By transforming negative behavioral patterns into positive ones and strengthening ourselves physically, emotionally, and spiritually, we can improve our health, sex life, career, relationships, and find profound meaning in everyday moments. With personal anecdotes, exercises, meditations, and rituals, *The Art of Everyday Ecstasy* shows us how to bring ecstatic energy into the body, mind, heart, and spirit—"to embrace every moment in our totality, to respond bodily, feel from the heart, perceive with clarity, and be fully present to others and to life."

Adam's Apple Aug 25 2022 "Adam Kingsley reigns as the young prince of Manhattan. Everything he touches turns to gold, making him the envy of Wall Street. Women swoon at his feet, money falls out of his pockets, and his killer good looks are as wicked as sin. A dangerous trifecta. What more could a thirty-two-year-old man wish for? Maybe that his life never changes and his murky past stays far away. Sounds reasonable, but life seldom is. Kathryn Delcour is an alluring socialite with unique erotic tastes. When she suddenly appears on the New York City social scene, Adam finds her too tempting to resist. He has to have her, but she is warned to stay away from him and his player ways. She tries her hardest to keep him at arm's length, but Kathryn's arms may not be strong enough to hold Adam at bay"--Page 4 of cover.

Preparing for Tantra Dec 25 2019 The preliminary practices of Tantra aren't a hurdle to be gotten through in order to get somewhere else; they're an extraordinarily rich collection of practices which have much to offer as a means of cultivating and maturing the practitioner's psychological ground. They can enable experiences to unfold, and they can clear the way when there seem to be problems or hindrances practitioners are struggling with. In Preparing for Tantra, Preece draws on his experience as a Tantric Buddhist practitioner, meditation teacher, and psychotherapist to

explain how to make the preliminary practices psychologically meaningful and spiritually transformative. He examines each of the practices with an eye to revealing how they may be used to heal and transform psychological trauma and offers practical suggestions for integrating them into daily life—as well as ensuring that practitioners are prepared psychologically, emotionally, and energetically to start out safely on the tantric path. Preparing for Tantra is an accessible guidebook for engaging in ngondro, the preliminary practices that are done before engaging in a long tantric retreat. These practices are also powerful tools for purifying negativities and alleviating guilt, healing difficult experiences, and enriching our minds with goodness so that we will be able to progress in our Dharma practice and gain realizations of the path.

Liberation into Orgasm is an invitation to go through pleasure beyond pleasure. This book is not just a bunch of nice ideas that are only good for the mind, it is an invitation to experience Life totally, and live fully, unapologetically, shamelessly as You. This book is for those who are either intrigued by sex but feel a little shy and perhaps have never experienced an orgasm, and for those who are very open yet have the intuition that there must be more to sexuality. And forgive me for running ahead, but yes, there is always more to sexuality. This book is for those who have endless spiritual thirst and those who wish to feel more connected to their true Self in every moment of their life. In the modern day world, we tend to think that sex and spirit are separate from each other. Or, that in order to access the spirit, we need to transcend sex. With this book, I want to serve the healing of the split that we have created between sex and spirit. This split is what causes disconnection, shame, guilt and judgment around something that is the most powerful creative force that moves through human beings - our sexual energy. With this book, I want to reveal the tantric perspective of what is really possible for each human being in this Life. With this book I want to invite you on a journey that will take us through pleasure beyond pleasure. Tantra teaches us to live fully. When someone chooses the path of Tantra, it means they choose to go all

the way. To live Tantra means not to shy away from any of the aspects of our life. To find out about the book tour and a free event exclusive for my Readers please visit

Touch of Tantra Oct 27 2022 An Amazon bestselling series told in Adam's point of view. "I take cocky, rich boys like you and teach them how to make love to women until they're barely able to mutter a word. Completely and utterly blissed. That's really what separates the men from the boys, Mr. Kingsley. Sex as an art form versus f**king for a release." - Kathryn. NYC playboy Adam Kingsley is a man who lives for himself until he meets Kathryn Delcour a beautiful socialite he can't live without. Adam tells their love story in his own words. The lure of ancient sexual practices and a former business partner seeking a deadly revenge mix with Adam's dark past in this page-turning erotic romance. "Kathryn's mesmerized me with some kind of tantric magic. I'm bewitched without an ounce of fight left within me. She knows my dilemma, my hesitancy to surrender and loosen the grip I have on my past, and she's won." Adam Kingsley (Recommended for mature readers)

The Tantra Jun 30 2020 Bibliography Index The Tantra Is A Body Of Theories, Techniques And Rituals Developed In India In Antiquity, Which Has Two Fundamental Aspects. The First Aspect Of The Tantra Is The Theory Of Creation, Which Posits That The Universe Has No Beginning And No End, And That All Its Manifestations Are Merely The Projections Of Divine Energy Of Its Creator. The Second Aspect Of The Tantra Is The Belief That The Performance Of Tantrik Techniques And Rituals Facilitates Access To This Divine Energy, Enabling Their Practitioners To Empower Themselves, As Well As Empower Others Associated With Them In The Guru-Disciple Relationship. Thus The Knowledge And

Proper Application Of Tantrik Techniques And Rituals Is Believed To Harness The Creator'S Cosmic Energies To The Promotion Of The Mundane As Well As Spiritual Goals Of Their Practitioners. Between The Vii And The Xii Centuries A.D. These Theories, Rituals And Practices Spread To Other Parts Of Asia. In These Parts Their Interaction With Indigenous Traditions Of Shamanism And Other Magical Cults Resulted In Potent Hybrids. These Not Only Served The Personal Needs Of Their Practitioners, But Were Used By The Kings To Summon The Cosmic Forces To Legitimize Their Right And Power To Rule The Ancient Monarchies. Elaborate And Artistically Beautiful Icons Were Developed In Sculpture, Painting, Bronze And Bas-Relief To Portray The Basic Concept Of Tantrik Theories And Various Deities Of The Hindu And Buddhist Pantheons. Tantric Sex for Men Dec 05 2020 Using the tantric guidelines they have practiced for more than 25 years, the authors show men how to move beyond preconceptions of sex as a goal-oriented--and often stressful--event so they can relax into sex as a meditative union of complementary energies.

The Essence of Tantric Sexuality Jan 18 2022 In 1976, Dr. Jonn Mumford gave a series of groundbreaking lectures on sexual Tantra at the annual Gnosticon conference. Thirty years later, his teachings still resonate. Based on Dr. Mumford's pioneering work, The Essence of Tantric Sexuality introduces Tantric theory and practice-revealing powerful techniques that, until now, have been kept secret. From autoerotic mysticism to sex magic, this book reveals how internal energies can be used to reach altered states of consciousness and transcendence. Much more than an erotic sex manual, this book also carefully explains the Tantric philosophy and the principles of this Indian tradition, effectively demystifying Tantra and making it accessible to beginners. Erogenic zones, perfume magic, secret Tantric symbols, Tantric massage, the Tantric mass, and Tantric terminology are all explored in this comprehensive guide to sexual Tantra.
