*Culture and Values Jan 06 2021* CULTURE AND VALUES: A SURVEY OF THE HUMANITIES, NINTH EDITION, takes you on a tour of some of the world's most interesting and significant examples of art, music, philosophy, and literature, from the beginnings of civilization to today. Chapter previews, timelines, glossaries of key terms, Compare + Contrast, new Connections and Culture & Society features, and "Big Picture" reviews all help make it easy for you to learn the material and study more effectively. Links to full readings and playlists of the music selections discussed in your text are available online in MindTap, where you will also find study resources and such tools as image flashcards, guides to research and writing, practice quizzes and exercises, and more.

*Human Sexuality in a World of Diversity May 30 2020* For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version - allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! The perfect balance between science and pedagogy. "Human Sexuality in a World of Diversity," 7e examines the rich diversity found in human sexuality and helps students develop their own opinions by promoting critical thinking skills, personal sexual health awareness, and responsible decision-making. Firmly rooted in science, the text systematically encourages students to apply the research to their own lives.

*Understanding Art Oct 27 2022* With balanced coverage of art across the chronological and geographical spectrum, UNDERSTANDING ART, 11th Edition, will guide you through beautifully reproduced images, and transport you to museums and monuments all over the world. Observe the artist's creative process from start to finish in a feature called Theory & Practice; learn to think critically about works of art in relation to one another and the context in which they were created with the Compare + Contrast feature; and gain a new understanding and appreciation of art and society by becoming familiar with art ranging from iconic works to that which surrounds you in everyday life. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*Culture and Values: A Survey of the Humanities, Volume I Nov 23 2019* CULTURE AND VALUES: A SURVEY OF THE HUMANITIES takes you on a fascinating tour of some of the world's most significant examples of art, music, philosophy, and literature, from the beginnings of civilization to today. New features in this edition are designed to make it easy for you to understand the influence of historical events and values on the works produced by each culture--guided discussions of all of the readings, chapter previews, timelines, Compare and Contrast sections, Big Picture reviews at the end of each chapter, expanded coverage of Asia and Africa, and high-quality images with clear captions. *Art That Changed the World Jan 26 2020* Experience the uplifting power of art on this breathtaking visual tour of 2,500 paintings and sculptures created by more than 700 artists from Michelangelo to Damien Hirst. This beautiful book brings you the very best of world art from cave paintings to Neoexpressionism. Enjoy iconic must-see works, such as Leonardo da Vinci's Last Supper and Monet's Waterlilies and discover less familiar artists and genres from all parts of the globe. Art That Changed the World covers the full sweep of world art, including the Ming era in China, and Japanese, Hindu, and Indigenous Australian art. It analyses recurring themes such as love and religion, explaining key genres from Romanesque to Conceptual art. Art That Changed the World explores each artist's key works and vision, showing details of their technique, such as Leonardo's use of light and shade. It tells the story of avant-garde works like Manet's Le Dejeuner sur l'herbe (Lunch on the Grass), which scandalized society, and traces how one genre informed another - showing how the Impressionists were inspired by Gustave Courbet, for example, and how Van Gogh was influenced by Japanese prints. Lavishly illustrated throughout, look no further for your essential guide to the pantheon of world art.

*Line Color Form Sep 21 2019* Design students today are more visually literate than ever before, and their learning style naturally favors the visual over the textual. So why should they learn art and design theory from a traditional textbook? The only guide of its kind, Line Color Form offers a thorough introduction to design theory and terminology in a visually appealing and accessible format. With hundreds of illustrations and minimal text, this primer was created with visual learners in mind, making it ideal for art students as well as those for whom English is a second language. Each chapter focuses on a single aspect of visual composition, such as line, color, or material. After an illustrated discussion of fundamental vocabulary, the chapters move on to applications of the concepts covered. These applications are again demonstrated through images, including photographs, color wheels, significant works of art, and other visual aids. Each image is accompanied by a descriptive paragraph offering an example of how the vocabulary can be applied in visual analysis. The book culminates with a section on formal analysis, aimed at teaching readers how to express their observations in formal writing and critical discourse. With its emphasis on the visual, this unique guide is a highly effective learning tool, allowing readers to gain an ownership and mastery of terms that will benefit them academically and professionally. Whether you are a design educator, student, or professional, native or non-native English speaker, this bright and concise reference is a must.

*Arts in Health Dec 17 2021* Over the past few decades, the use of the arts in health has burgeoned. What, for many centuries, was seen as a fringe activity is now being recognised as a field that has enormous potential for impacting positively on both individuals and societies. However, despite this surge in interest and activity, there is still limited support available for people working in the field. Although the number of practical training courses for artists is growing and more universities are establishing research groups, most training activity occurs in either practice or research; there are relatively few opportunities to gain parallel

experience in both. **Arts in Health: Designing and Researching Interventions** provides a complete overview of how to go about undertaking research and practice in the field of arts in health. It starts by exploring the context for arts in health interventions, including the history of the use of arts in health and the theoretical and political developments that have laid the foundations for its flourishing. It also considers what 'arts in health' encompasses and the range of disciplines involved. Part II examines how to design an arts in health intervention, develop partnerships and find funding and considers the sensitivities around working in healthcare. Part III considers the value of research for the field of arts in health and how to design and undertake a research project. Finally, part IV provides a fact file of arts in health research and practice, showing how the arts can be applied and the benefits they can bring across a range of medical disciplines. The book will be valuable for researchers, practitioners, healthcare professionals and those interested in learning more about the field.

**Human Sexuality in a World of Diversity Feb 25 2020** Engaging students and cultivating understanding in a world of diversity. **Human Sexuality in a World of Diversity, 9/e** examines the rich diversity found in human sexuality. More significantly, the text places an emphasis on cultivating understanding in a world of increasing diversity through personal engagement. Students are encouraged to reflect upon their own beliefs and experiences throughout the text in order to foster a more personal and impactful learning experience. The text also helps students develop their own opinions by promoting critical thinking skills, personal sexual health awareness, and responsible decision-making. MyDevelopmentLab is an integral part of the Rathus / Nevid / Fichner-Rathus program. Key learning applications include Video Series for Human Sexuality, "My Life, My Sexuality," Assessment, and Personalized Study Plan. Teaching & Learning Experience Personalize Learning -- MyDevelopmentLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Improve Critical Thinking -- Critical Thinking boxes are integrated into the margins. Boxes ask students to delve deeper into the material and reconsider their own opinions and ideas. Engage Students -- The newly updated "Real Students Real Questions" feature increases students' critical thinking skills by incorporating real questions from actual college students, as posed to instructors. Explore Research -- Throughout the text, "A Closer Look" boxes provide in-depth discussions of scientific techniques and skill-building exercises such as "Breast Self-Examination," "Self-Examination of the Testes," and "What to Do If You Suspect You Have Contracted an STD." Understand Sexuality -- Through new and updated features like "My Life, My Sexuality," and "A World of Diversity" the authors strengthen comprehension of the material while fostering greater reflection and understanding. Support Instructors -- The 9th edition is accompanied by a rich instructor support package, including new video embedded PowerPoints, a heavily updated Instructor's Manual and Test Bank that are organized according to in-text Learning Objectives for ease of use, and MyDevelopmentLab with the new Human Sexuality Video Series. NOTE: This is the standalone book, if you want the Book with Access Card order the ISBN below; 0205961398 / 9780205961399 Human Sexuality in a World of Diversity (Case) Plus NEW MyDevelopmentLab with eText -- Access Card Package consists of 0205206522 / 9780205206520 NEW MyDevelopmentLab with Pearson eText -- Valuepack Access Card 0205909469 / 9780205909469 Human Sexuality in a World of Diversity (hardcover)

**Understanding Art Feb 19 2022**

**Culture and Values: A Survey of the Humanities, Volume II Jun 30 2020** The ninth edition of CULTURE AND VALUES: A SURVEY OF THE HUMANITIES introduces students to the history of humankind through the lens of the humanities -- language and literature, art and architecture, music, philosophy, and religion -- from the dawn of civilization to the contemporary world. CULTURE AND VALUES encourages students to place their own backgrounds and beliefs in context and consider how understanding both their own and other heritages contributes to becoming a citizen of the world in the 21st century. Coauthor Lois Fichner-Rathus continues to bring her pedagogical expertise, clear conversational style, and love of teaching to this beautifully written and illustrated book. New and revised features encourage students to draw comparisons and connections as well as engage their critical thinking skills. Chapter previews, timelines, glossaries, and "Big Picture" reviews provide consistent pedagogical support throughout the text to help students master the material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Art Fundamentals; Theory and Practice Nov 04 2020**

**The Joy of Art Mar 08 2021** An Artist's Insights on Art Appreciation Written by a practicing artist, this book decodes and maps the basic elements of visual art, leading the reader to a greater understanding and appreciation. Not an art history lesson per se, this illustrated guide is rather a tool kit to make the study of art and a visit to the museum truly rewarding. An entertaining and informative read, The Joy of Art offers the reader: A working art vocabulary to help you identify and explain what you're looking at Answers to many of the questions you may have about visual art in general A summary of the basic criteria to consider when looking at art Highlights of the primary art genres and an introduction to the artists who pursued them Many visual examples of aesthetic considerations and practices Interesting facts about your favorite artists and clues to why they made the choices they did A few games to test your new skills The Joy of Art contains 150 color photographs and many interesting insights from an artist-author who takes readers behind the curtain and into the studio to uncover what actually goes into making a work of art. If you love art, this book will take your appreciation to a new level. Not only will your enjoyment of art increase, you'll be able to clearly communicate your understanding to others.

**Understanding Art Apr 09 2021** This very concise global art history text provides an accessible writing style and an affordable text for your students. Moreover, student access to the premium website, which features a study guide, flashcards, and more, comes with each new copy of the text at no extra charge.
