Maradona Mar 29 2022 MARADONA is the definitive new biography of a true global icon, from world-renowned football writer and journalist Guillem Balagué. Diego Armando Maradona was widely acclaimed as a genius. One of the greatest footballers of all time, he was also one of the most controversial. In an international career with Argentina he earned 91 caps and scored 34 goals and played in four FIFA World Cups. With his unforgettable 'hand of God' goal and unsurpassed second one in the 1986 quarter-final against England, he captained his nation and led them to victory over West Germany in the final in Mexico. His vision, passing, ball control and dribbling skills, and his presence and leadership on the field, often electrified his own team's overall performance. Maradona's club career included dazzling spells in his own country at Argentinos Juniors, Boca Juniors and Newell's Old Boys, and in Europe with Barcelona, Napoli and Sevilla. Yet his life was one of relentless media attention, including tales of drug abuse and constant health issues. Based on in-depth interviews and first-hand stories, Guillem Balagué's masterly biography represents a psychological and sociological approach to the legend. This journey of exploration takes Guillem to Argentina, Spain, Italy and Dubai. Along the way, he asks what fosters such adulation, and how this adoration engendered a self-destructive personality. Even after his untimely death in 2020, Maradona continues to fascinate: his divine status seemingly preserved for ever.

The Unaccompanied Mar 17 2021 'The most popular English poet since Larkin.' Sunday Times After more than a decade and following his celebrated adventures in drama, translation, travel writing and prose poetry, Simon Armitage's eleventh collection of poems heralds a return to his trademark contemporary lyricism. The pieces in this multi-textured and moving volume are set against a backdrop of economic recession and social division, where mass media, the mass market and globalisation have made alienation a commonplace experience and where the solitary imagination drifts and conjures. The Unaccompanied documents a world on the brink, a world of unreliable seasons and unstable coordinates, where Odysseus stalks the aisles of cut-price supermarkets in search of direction, where the star of Bethlehem rises over industrial Yorkshire, and where alarm bells for ailing communities go unheeded or unheard. Looking for certainty the mind gravitates to recollections of upbringing and family, only to encounter more unrecoverable worlds, shaped as ever through Armitage's gifts for clarity and detail as well as his characteristic dead-pan wit. Insightful, relevant and empathetic, these poems confirm The Unaccompanied as a bold new statement of intent by one of our most respected and recognised living poets. 'A writer who has had a game-changing influence on his contemporaries.' Guardian 'Armitage is that rare beast: a poet whose work is ambitious, accomplished and complex as well as popular.' Sunday Telegraph 'The best poet of his generation.' Craig Raine, Observer

My Life Story of a Grateful Immigrant Who Lived the American Dream Sep 03 2022 Despite growing up amid the horrors of World War II as a boy in the Republic of San Marino, Olimpio Guidi considers himself lucky. He grew up with great parents, great siblings, and great friends and neighbors. Although everyone he knew was poor, they all stuck together—a lesson he'd carry with him throughout his life in the U.S. Navy and over a career spanning almost forty years as a civil servant. In recalling his life story, he shares an unlikely tale of survival that included immigrating with his family to his adopted home country of the United States of America. He shares his appreciation for everyone who has assisted him on his journey, including U.S. Navy Cmdr. Toby Haynsworth, who was instrumental in helping him become a lifelong civil servant, culminating with an assignment to the U.S. Embassy in Rome, Italy, where he represented the U.S. Department of Defense. Join the author as he celebrates his love of family, his passion for service, and his love for his adopted country.

Whistleblowing for Change Feb 02 2020 The courageous acts of whistleblowing that inspired the world over the past few years have changed our perception of surveillance and control in today's information society. But what are the wider effects of whistleblowing as an act of dissent on politics, society, and the arts? How does it contribute to new courses of action, digital tools, and contents? This urgent intervention based on the work of Berlin's Disruption Network Lab examines this growing phenomenon, offering interdisciplinary pathways to empower the public by investigating whistleblowing as a developing political practice that has the ability to provoke change from within.

Domestique Feb 25 2022 **Winner - Sweetspot Cycling Book of the Year** For 11 years I was a professional cyclist, competing in the hardest and greatest races on Earth. I was in demand from the world's best teams, a well-paid elite athlete. But I never won a race. I was the hired help. When my mum dropped me off in a small French town aged 17, I was full of determination to be a professional cyclist, but I was completely green. I went from mowing the team manager's lawn to winning every amateur race I entered. Then I turned pro and realised I hated the responsibility and pressure of chasing victory. And that's when I became a domestique. I learned to take that hurt and give it everything I had to give, all for someone else's win. When the order came in to ride I pushed out with the hardest rhythm I could, dragging the group faster and faster, until my whole body screamed with pain. There were times I rode myself to a standstill, clutching the barrier metres from the line, as the lead group shot past. But that's what made me a so good at my job. As my career took off, I started looking at the fans lining the route, cheering us like heroes. The passion for cycling oozed off them, but they couldn't know what it was really like. They didn't see the terrible hotels, the crazy egos or all the shit that goes with great expectations. Well, this is how it is...

One of Us Apr 17 2021 A harrowing and thorough account of the massacre that upended Norway, and the trial that helped put the country back together On July 22, 2011, Anders Behring Breivik detonated a bomb outside government buildings in central Oslo, killing eight people. He then proceeded to a youth camp on the island of Utøya, where he killed sixty-nine more, most of them teenage members of Norway's governing Labour Party. In One of Us, the journalist Åsne Seierstad tells the story of this terrible day and what led up to it. What made Breivik, a gifted child from an affluent neighborhood in Oslo, become a terrorist? As in her bestseller The Bookseller of Kabul, Seierstad

excels at the vivid portraiture of lives under stress. She delves deep into Breivik's troubled childhood, showing how a hip-hop and graffiti aficionado became a right-wing activist and Internet game addict, and then an entrepreneur, Freemason, and self-styled master warrior who sought to "save Norway" from the threat of Islam and multiculturalism. She writes with equal intimacy about Breivik's victims, tracing their political awakenings, aspirations to improve their country, and ill-fated journeys to the island. By the time Seierstad reaches Utøya, we know both the killer and those he will kill. We have also gotten to know an entire country—famously peaceful and prosperous, and utterly incapable of protecting its youth.

The Camper Van Bible Jun 07 2020 The Camper Van Bible is THE definitive glovebox bible for anyone who owns or 'would die for' a camper van. In this book Martin Dorey, acknowledged camper van expert and presenter of BBC2's 'One Man and His Campervan', delves headfirst into the nitty gritty of camping and camper vans. The book covers all aspects of the camper van life, including: - Owning and living day to day with a camper van (LIVE) - Cooking and eating in your camper (EAT) - Sleeping in your camper (SLEEP) - Keeping you and your van going (REPEAT) Packed with stunning photography, and oodles of vital, definitive and authoritative information, plus some tasty recipes too, this book will be essential for both dreamers and do-ers alike. It will appeal to all areas of the market, from the Classic VW owners and the owners of modern VWs to owners of all makes of camper vans, smaller motorhomes, and the tented camper markets too. Heed the advice, drool over the pictures. Then go and do it.

An Astrological Guide for Broken Hearts Aug 02 2022 NOW A NETFLIX ORIGINAL SERIES Frustrated at the path her life has taken, Alice decides to take control of her personal life using astrology as her guide in this quirky, steamy, and hilarious romantic comedy. Alice Bassi is (a little) over thirty, single (not by choice), and she can't help but feel that she is failing at this whole adulthood thing. She's stuck in a dead-end job, just found out her ex-boyfriend is engaged to his pregnant girlfriend, and Richard Gere hasn't shown up with flowers and a limo to save her from it all. On one particularly disastrous morning—when Alice would much rather have stayed home, curled up with her favorite rom-coms—she meets Davide Nardi. Handsome yet indecipherable, Davide would be the leading man of Alice's dreams—if only he weren't the "hatchet man" brought in to help streamline production and personnel at the small television network she works for. In the midst of all this, Alice runs into Tio—an actor and astrology expert who is convinced he can turn her life around with a little help from the stars. Skeptical but willing, Alice decides to take Tio's advice and only date men whose Zodiac signs are compatible with hers. Unfortunately, it turns out that astrological affinity doesn't always guarantee a perfect match, nor prevent a series of terrible dates, disappointments, and awkward surprises. It also doesn't keep Davide from becoming more attractive every day. Perfect for fans of Bridget Jones's Diary and Star-Crossed, *An Astrological Guide for Broken Hearts* is a witty, sexy, and relatable portrait of a modern woman's search for love and a dream job, only to discover that your destiny isn't always written in the stars.

A Practical Guide to Delivering Personalisation Oct 04 2022 Personalisation means people, their families and carers having choice and control over their support on a day-to-day basis. To deliver personalised services, professionals and carers need to do more than just hand over financial control: they need to know what is important to a person, the best way to support them, how they communicate and how they make decisions. This book will show how to deliver personalisation through simple, effective and evidence-based person-centred practice that changes people's lives and helps them achieve the outcomes they want. It covers why person-centred practice is relevant to the personalisation agenda and what person-centred thinking and person-centred reviews are, introducing the tools that can help you carry them out. It also explores the relationship between person-centred plans and support plans, and how person-centred practice can be used in the journey of support through adulthood – from prevention or the management of long-term health conditions to reablement, recovery, support in old age and at the end of life. There is also a chapter on taking a person-centred approach to risk. This is an essential guide for all staff in health and social care including service providers, managers, practitioners and students.

Resurgence Jun 19 2021 A raid on a sex slave depot on the U.S. eastern seaboard is the launching pad of an international firestorm for Mack Bolan. His target—the Albanian mafia—is rapidly expanding its American network with help from the resurrected Kosovar terrorist group, the KLA. After mopping up the mob's stateside end of the pipeline, Bolan and a beautiful Russian agent track the long reach of drugs, human trafficking and black-market arms sales across the Atlantic to the port city of Marseille, France. Bolan blazes a trail of incendiary retribution through corrupt officials, Corsican drug lords and terrorist infrastructure. At the top of his death game, he plays to his enemy's weaknesses, inciting betrayal and panic. But the main event lies across the Adriatic, where the godfather of the Albanian mob is about to get a visit from the Executioner—and a one-way ticket to his own personal hell.

Wiganosophy Nov 05 2022 Wiganosophy is a social commentary. It blends philosophical discourse with rugby league, and Wigan – and you don't see a lot of that. Socrates would've liked rugby league. He was reputedly an argumentative, awkward and belligerent little man who enjoyed nothing better than poking at authority with a pointy stick. He'd have fitted right in. He would probably even have made a decent hooker. But we'll never know, because they poisoned him. The philosophers of old have long since gone and, of course, we must posthumously thank them for enlightening us in regard to the true nature of life, the universe and everything. Unfortunately, though, their combined philosophical musings reveal a glaringly obvious omission. They didn't talk anywhere near enough about rugby league. Or even Wigan. Wiganosophy is a long overdue attempt to redress the balance and fill the gap. It is a philosophical exploration of what it means to be a devoted follower of the Wigan Warriors. Over the course of eight chapters it unravels the complexity of fanaticism one layer at a time until the true nature of the Wigan Warriors fan is laid bare. It's a bit like playing a game of Pass The Parcel with a cherry and white hooped Egyptian mummy. At the end of the game you are left with a lot of mess on the floor and hopefully some worthy answers. Wiganosophy does not shy away from the difficult questions regarding the nature of the town itself, the club's reputation or even the status of rugby league as a national sport. Wiganosophy is a philosophical discourse and an honest examination of the nature of the sport, the town and the customs.

Secret Nation Jan 27 2022 It has long been assumed that no Armenian presence remained in eastern Turkey after the 1915 massacres. As a result of what has come to be called the Armenian Genocide, those who survived in Anatolia were assimilated as Muslims, with most losing all traces of their Christian identity. In fact, some did survive and together with their children managed during the last century to conceal their origins. Many of these survivors were orphans, adopted by Turks, only discovering their 'true' identity late into their adult lives. Outwardly, they are Turks or Kurds and while some are practising Muslims, others continue to uphold Christian and Armenian traditions behind closed doors. In recent years, a growing number of 'secret Armenians' have begun to emerge from the shadows. Spurred by the bold voices of journalists like Hrnt Dink, the Armenian newspaper editor murdered in Istanbul in 2007, the pull towards freedom of speech and soul-searching are taking hold across the region. Avedis Hadjian has travelled to the towns and villages once densely populated by Armenians, recording stories of survival and discovery from those who remain in a region that is deemed unsafe for the people who once lived there. This book takes the reader to the heart of these hidden communities for the first time, unearthing their unique heritage and identity. Revealing the lives of a peoples that have been trapped in a history of denial for more than a century, Secret Nation is essential reading for anyone with an interest in the aftermath of the Armenian Genocide in the very places where the events occurred.

Chassis Handbook Oct 31 2019 In spite of all the assistance offered by electronic control systems, the latest generation of passenger car chassis still relies on conventional chassis elements. With a view towards driving dynamics, this book examines these conventional elements and their interaction with mechatronic systems. First, it describes the fundamentals and design of the chassis and goes on to examine driving dynamics with a particularly practical focus. This is followed by a detailed description and explanation of the modern components. A separate section is devoted to the axles and processes for axle development. With its revised illustrations and several updates in the text and list of references, this new edition already includes a number of improvements over the first edition.

Car-tastrophes Apr 29 2022 Automakers are as prone to turn out clunkers as politicians are to lie. Their cars may be ugly, misconceived, badly built, diabolical to drive, ridiculously thirsty, or just plain unreliable. So which were the worst of the past 20 years?

Tale of Darkness Dec 26 2021 Azerbaijan--this is a little country known for energy resources and human rights violations in the border of Europe and Asia. But it is in a very important geopolitical position. For this reason, in most cases, the democratic world remains silent on human rights abuses. Well, what are the realities of this country? Second North Korea or last secular Muslim country with beautiful buildings and great lights? A witness of what happens here, political prisoner, which is serving a sentence in the country's most severe prisons, writes the number one best-seller book in the recent years in his own country.

Arthur's Call Jul 21 2021 In this long awaited book, key themes from Frances Young's earlier work - motherhood, suffering, disability, meaning and love - re-emerge in a richer and deeper melody. The cries of anguish and why are taken up into a new-found trust and joy. She draws us into the beauty and strength of a love which faces all the challenges and yet celebrates the wonder of Arthur's life and vocation. If you are someone grappling with the hard questions about God, life and things going wrong, this book is for you.' Deborah Ford, Hospital Chaplain at Cambridge University Hospitals

I WANT A CAMPERVAN Oct 24 2021 So, you want to buy a campervan – or maybe you are still just dreaming about it: I totally understand. Owning your own campervan is beyond brilliant but, what sort of van do you buy? Or maybe you are going to take the brave step of converting your own van and are not sure where to start. You are probably going to spend a fair amount of your savings on this purchase, so you want to get it right. And you want to find a campervan that you will love and who loves you back. If this is a new world to you, it can be hard to even know what the options are. If you are an experienced camper there are still so many questions you need to ask yourself before you even begin looking at actual vehicles. Questions like: What is my camping style?, What is the best base vehicle for me?, What sort of interior suits my style of camping?, How will I power my van?, plus lots of other questions that will help you find the perfect van for you. "I Want a Campervan" talks you through all these questions and is your friend and guide on this amazing new journey that you are starting. So, take a big breath, find a great campervan and go live the dream! Summer Bourne writes a blog and books on the campervan life including cookbooks for camping meals. With her partner, Glyn, she has owned a Toyota micro camper and they have now converted a Vauxhall Vivaro panel van into a campervan called 'Big Red'.
