**Illegal Procedure Apr 12 2021** For fifteen years, sports agent Josh Luchs made illegal deals with numerous college athletes, from top-tier, nationally recognized phenoms to late-round draft picks. Flagrantly flaunting NCAA and NFL Players Association rules, he made no-interest loans to players in exchange for the promise of representation on their lucrative pro contracts. After cleaning up his act in 2003, he moved to a new agency, only to be targeted and pushed out of the business for a new violation-one he arguably did not commit. Then, in October 2010, Luchs wrote a confessional article in *Sports Illustrated*, telling the truth about what he did and didn't do. Since then he has taken on a new role: whistle-blowing, truth-telling reformer. And in telling his own story, Luchs pulls back the curtain on the real economy of college football: how agents win players legally and otherwise, the staggering sums colleges make from an unpaid workforce, the shortfalls of supposed full-ride scholarships, and the myth of a college education given to scholarship jocks. Including new information about major players and scandalized programs such as USC, Auburn, and Ohio State, this book pulls no punches. It's a stunning and necessary read for anyone who loves the game, and the first step toward fixing a broken system. Praise for Josh Luchs' *Sports Illustrated* story: "There are no innocents in all this-including Luchs. The difference now is Luchs isn't claiming to be innocent." -John Feinstein, *Washington Post* "[Luchs pulls] the inner workings of an oily business out of the shadows." -Pat Forde, *ESPN* "A must-read." -*New York Times*
