TONS of laugh out loud moments!" ~ Jamie Holmes, Amazon Reviewer "Love the characters! Elle Casey consistently writes characters that are easy to connect with. This book is no exception! I love her books." ~ Mary Kluck, Amazon Reviewer "Another great book from Elle Casey... She is amazing. Every book of hers that I have read contains so much humor. You really feel like you are there in the book with them." ~ Jennifer Poole, Goodreads reviewer About this series: Normally this is the spot where I write what inspired the story or the series you see above, and usually it's a tale about a person I knew or heard about, or a dream I had ... but this time, nope. Not at all. This entire series was inspired by the cover model on Rebel, Book 1 in the Rebel Wheels series. I saw his photos on a website, and a little voice inside my head said, "Ooo la laaaa," and the story just came to me from there. I know. Man candy. What can I say? I'm addicted.

Don't Make Me Beautiful Oct 16 2021 NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR, ELLE CASEY, brings readers the romantic suspense novel DON'T MAKE ME BEAUTIFUL. **This story was inspired by true events. If you liked the movie "Sleeping With the Enemy", then you might like this story too. ** No one knew a woman lived there or that she even existed. A monster, living in darkness... At twenty-two, Nicole doesn't even look human anymore. The beast made sure of that. So she hides. A monster, consigned to a life of fear and solitude. This is all she deserves, she is quite sure of that. And then one day out of the blue, the autographed baseball caught by Brian Jensen at the latest Marlins game enters her prison and manages to turn her world completely upside down. Temptation comes in the form of pity at first, and then perhaps something more. Does she dare to believe the things she's told, that this is not the life she was meant to live? That being a monster is not her forever-fate? And will she be willing to risk everything, to reach out and accept the helping hands around her and share her deepest, darkest secrets? She knows only too well that hands can hurt. Finding out whether they can also heal is a risky proposition, especially when the beast is still out there. Looking for her. Content warning: Violence, foul

language, and adult situations. Not meant for younger readers. A message from Elle about this book: A really long time ago, I read an article in a newspaper or a magazine (I haven't been able to locate the original) about a woman who was so badly beaten over a long period of time, she couldn't leave her house. I thought about that woman a lot over the years and about what her thoughts might have been, her fears, her reality ... and this book was my attempt to both exorcise those thoughts from my brain and also shed some light on a subject —domestic violence— that I feel should never be left in darkness. **HERE'S WHAT READERS ARE SAYING ABOUT DON'T MAKE ME BEAUTIFUL:** "Don't Make Me Beautiful is a deeply touching, beautiful and inspiring story with a powerful message about the strength of survival and the healing power of love. It's both heart breaking and heart warming with a strong heroine, a to-die-for hero, and a story that will stay with you long after you finish reading. It touched my heart deeply and reminded me that there are still superheroes out there everyday who save each other. This is easily one of my favorites of the year!" ~ Aestas Book Blog "I hope this book gets huge everyone should read it....those of us that read the likes of Sylvain Reynard.....Colleen Hoover....Abbi Glines.....S.C. Stephens....Jamie McGuire just to name a few.....we all sit around waiting for their new releases patiently....well Elle Casey just went on my top list of Authors to look for with their next story..." ~ Amazon reviewer "This story is gritty and real. Elle didn't have to use any bells and whistles to tell Nicole's story. From page one it felt like the story was a natural progression - never forced or overdone. I give this book 5 stars. I do want to say that while this is a hard story to read, it is very well worth the tears. Anyone who has survived will ache for Nicole, but will find inspiration in the courage she had to heal. To not be a victim. To rise up and survive. To embrace your happily ever after even though it scares you worse than the horrors you already survived." ~ Book blogger "Mommy's A Book Whore" "Don't Make Me Beautiful is a story that will remain with me for quite some time. Nicole's journey of restoration and healing and her second chance at life was real and heart-lifting. I commend Elle Casey for taking on such a powerful venture. While the book did have some dark undertones, Ms. Casey gave it a lighter feel establishing that even the most broken can overcome the darkness of their past and find the happiness that was once held from their grasp." ~ Booklikes Blogger LisaP.

~BookBub Content Warning: Contains some foul language and non-explicit sex scenes between older teens. May not be appropriate for younger, middle-grade teens. HERE'S WHAT READERS ARE SAYING ABOUT WRECKED: "AMAZING, AMAZING, AMAZING! I'm not sure how to begin this review and remain professional... so I'll just be honest. I FUDGING loved this book! (SOOO SOOO MUCH!) It was fantastic!...)..." ~ Nancy Figueroa, Tumbling Books, book blog "A Fun Debut Novel! My favorite part of the book was their time on the island. The character dynamics were well done, and Casey clearly put a lot of thought into what they would need to do to survive, not just physically but emotionally. This was a fun book and a promising debut novel..." ~ Ally Arendt, Word Vagabond "Fun read! I am a big fan of young adult books, this is one of my favorites. I have actually re read this book multiple times." ~ Hipsterduck, Amazon Reviewer "This book, for lack of a better word, was amazing. From the character intros, to the last page, I was intrigued. Elle clearly understood teens, because all of their motivations and goals were believable; even the way in which they became stranded was believable. I LOVED EVERY aspect of this book. I definitely recommend it, a must-read." ~ Brandon, Goodreads Reviewer A note about the series: I pretty much grew up on the East Coast of Florida, so I went to the beach a lot, and whenever I did, I was always looking out at the water wondering ... "What if...?" What if I were stranded out on a boat somewhere, in shark-infested waters, and then washed up on a beach of a deserted island... How would I survive? For probably 30 years or more, I contemplated these questions every time I went to the beach or thought about the water, so I had a LOT of time to think about the details. This book was inside my head, in the making, for a really long time. That's why it's the first book I wrote, because it was finally time to get

it out of my head and onto paper (or I should say, into my computer). When I found out about self-publishing for the Kindle, I thought, "What the heck? Maybe someone will like it as much as I do." Now, several years later, with over 40 books written and a few spots on the New York Times and USA Today bestseller lists, I can say that it was one of the best decisions I've ever made. It literally changed my life. I'm really glad that I spent so much time daydreaming while I was at the beach, and I'm even happier that I took a chance on this story and shared it with the world. **SEQUEL ALERT**** This book was originally written without plans for a sequel. But so many readers asked for one, it was done. Published on December 31, 2012, **RECKLESS** picks up where **WRECKED** left off.**

Can one really determined girl get to the bottom of the mystery when no one else seems to care? It would be so much easier to watch him go down, and for many, maybe just a little bit too satisfying. Apocalypse: Kahayatle was so very different than what I expected - but just that much better because of it. Her characterization is phenomenal and honest through a setting that is disturbingly realistic..." BetweenTheBind.blogspot.com ~ Jenna, Book Blogger "I read A TON of dystopians and post-apocalyptic novels. They all run together, but not this one. This is the kind of dystopian that I want to read. I love the world Elle Casey has created. It's a tamed-down, less-depressing, good-humoured The Road meets a more-aggressive, less sophisticated The Silence of the Lambs. Read this! It's bloody brilliant." ~ Lucas Deal, Goodreads Reviewer "If you don't enjoy reading books that tend to be addictive and take over your life until you have finished reading it, stay away from Apocalypse. It was nearly impossible to put down. It is also funny - I spent most of the book chuckling or full out laughing." ~ Tiffany Loves Books, Blogger and Goodreads reviewer
