When June unexpectedly becomes pregnant, Peter proposes, believing that beginning a new family with the woman he loves will allow him to let go of the atrocities of the past, even though he cannot forget all that he has lost. But over the next twenty years, the indelible sadness of those memories will overshadow Peter, his new wife, June, and their daughter, Elsbeth, transforming them in heartbreaking and unexpected ways. The Lost Family is a charming, funny, and elegantly bittersweet study of the repercussions.

City of Women Aug 15 2021 City of Women by David Gillham is a gripping tale of life in Berlin at the height of the Second World War. 'In the very darkest hour, who do you trust, who do you love, and who can

be saved?' It is 1943 - the height of the Second World War. With the men taken by the army, Berlin has become a city of women. And while her husband fights on the Eastern Front, Sigrid Schroder is, for all intents and purposes, the model soldier's wife: she goes to work every day, does as much with her rations as she can, and dutifully cares for her meddling mother-in-law. But behind this facade is an entirely different Sigrid, a woman who dreams of her former Jewish lover, who is now lost in the chaos of the war. Sigrid's tedious existence is turned upside-down when she finds herself hiding a

mother and her two young daughters: could they be her lover's family? Now she must make terrifying choices that could cost her everything. 'Gillham's Berlin is a terrified city, where nobody dare speak the truth and the smallest decision can cost you your life. A terrifically tense first novel' The Times 'In this moving and masterful debut, David Gillham brings war-torn Berlin to life and reveals the extraordinary mettle of women tested to their limits and beyond. Powerful and piercingly real. You won't soon forget these characters.'
